

RESOLUTION NO. 18-236

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, AMENDING THE FINAL BUDGET AND PERSONNEL COMPLEMENT OF THE CITY OF FORT LAUDERDALE, FLORIDA, FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2018, AND ENDING SEPTEMBER 30, 2019, AND AMENDING THE FINAL COMMUNITY INVESTMENT PLAN FOR THE FISCAL YEARS BEGINNING OCTOBER 1, 2018, AND ENDING SEPTEMBER 30, 2023, BY APPROPRIATING FUNDS AS SET FORTH IN CITY COMMISSION AGENDA MEMO #18-1162, ABANDONING THE WATER AND SEWER ASSET MANAGEMENT AND CAPACITY, MANAGEMENT, OPERATION AND MAINTENANCE (CMOM) PROGRAM DEVELOPMENT PLAN, SEWER CAPACITY ANALYSIS FOR GRAVITY AND FORCE MAINS, WATER AND WASTEWATER DISTRIBUTION AND COLLECTION SYSTEMS MAPPING, FORCE MAIN CONDITION ASSESSMENT, 2011 NCIP BEVERLY HEIGHTS TRAFFIC CALMING, 2014 NCIP STREET MIDDLE RIVER SIDEWALK NW 16<sup>TH</sup> STREET, AND 2014 NCIP RIVER GARDENS PERIMETER PRIVACY WALL PROJECTS, AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Resolution Nos. 18-192 and 18-184, adopted on September 12, 2018, the City Commission of the City of Fort Lauderdale, Florida, adopted the Final Budget and Staffing Levels of the City of Fort Lauderdale, Florida, for the Fiscal Year beginning October 1, 2018, and ending September 30, 2019, and the Community Investment Plan of the City of Fort Lauderdale, Florida, for the Fiscal Years beginning October 1, 2018, and ending September 30, 2023;

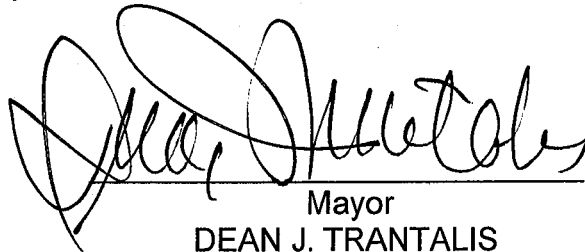

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. That the Final Budget and Personnel Complement of the City of Fort Lauderdale, Florida, for the Fiscal Year beginning October 1, 2018, and ending September 30, 2019, and the Community Investment Plan of the City of Fort Lauderdale, Florida, for the Fiscal Years beginning October 1, 2018, and ending September 30, 2023, to the extent appropriated for the Fiscal Year beginning October 1, 2018, and ending September 30, 2019, are hereby amended by appropriating funds and transferring personnel as set forth in Commission Agenda Memo #18-1162, a copy of which is attached hereto and incorporated herein.

SECTION 2. That the Water and Sewer Asset Management and Capacity, Management, Operation and Maintenance (CMOM) Program Development Plan, Sewer Capacity Analysis for Gravity and Force Mains, Water and Wastewater Distribution and Collection Systems Mapping, Force Main Condition Assessment, 2011 NCIP Beverly Heights Traffic Calming, 2014 NCIP Street Middle River Sidewalk NW 16th Street, and 2014 NCIP River Gardens Perimeter Privacy Wall projects, contained in the Community Investment Plan of the City of Fort Lauderdale, Florida, for the Fiscal Years beginning October 1, 2018, and ending September 30, 2023, are hereby abandoned.

SECTION 3. That this Resolution shall be in full force and effect upon final passage.

ADOPTED this the 6th day of November, 2018.

Mayor  
DEAN J. TRANTALIS

ATTEST:

City Clerk  
JEFFREY A. MODARELLI

**CITY OF FORT LAUDERDALE**  
**City Commission Agenda Memo**  
**REGULAR MEETING**

**#18-1162**

---

**TO:** Honorable Mayor and Members of  
the Fort Lauderdale City  
Commission

**FROM:** Lee R. Feldman, ICMA-CM, City Manager

**DATE:** November 6, 2018

**TITLE:** Resolution Approving the Consolidated Budget Amendment to Fiscal Year  
2019 – Appropriation

---

**Recommendation**

It is recommended that the City Commission adopt a resolution amending the Fiscal Year (FY) 2019 Budget and FY 2019 – FY 2023 Community Investment Plan (CIP) and abandoning the Water and Sewer Asset Management and Capacity, Management, Operation and Maintenance (CMOM) Program Development Plan, Sewer Capacity Analysis for Gravity and Force Mains, Water and Wastewater Distribution and Collection Systems Mapping, Force Main Condition Assessment, 2011 NCIP Beverly Heights Traffic Calming, 2014 NCIP Street Middle River Sidewalk NW 16th Street, and 2014 NCIP River Gardens Perimeter Privacy Wall projects.

**Background**

Examples of recommended actions within the budget amendment are:

- transfer between funds;
- transfer between capital and operating budgets;
- transfer between capital projects;
- acceptance and appropriation of grant funding;
- amendment to staffing level;
- appropriation from fund balance; and
- appropriation for modified revenue and related expenditures.

Staff is recommending that the City Commission amend the FY 2019 Operating Budget and FY 2019 – FY 2023 Community Investment Plan by approving the following transfers and appropriations:

**Parks and Recreation**

**A. Transfer between Capital Projects – General Capital Projects Fund – Air Conditioning Replacement for the Police Department – \$800,000**

The existing heating, ventilation, and air conditioning (HVAC) system at the Police Department Headquarters must be replaced. This includes the replacement of rooftop and indoor air handling units and associated architectural, electrical and structural upgrades. The replacement of the HVAC system is required due to the age and capacity of the existing system. In addition, ductwork, structural, architectural and electrical modifications are required. The project shall also include cleaning of the existing ductwork, HVAC noise control, test and balance, and other energy efficiency improvements. The funds for this project are available in the Facilities Assessment HVAC, Elect, Plumbing project funded for facility maintenance priorities.

Staff recommends that the City Commission amend the FY 2019 – FY 2023 Community Investment Plan in the amount of \$800,000 for the Police Department air conditioning replacement.

**B. Transfer from Operating Budget to a Capital Project and Transfer between Capital Projects – General Capital Projects Fund, General Fund – SE 5<sup>th</sup> Avenue and Las Olas Walkability Improvements – \$207,253**

***Abandoning the 2011 NCIP Beverly Heights Traffic Calming, 2014 NCIP Street Middle River Sidewalk NW 16<sup>th</sup> Street, and 2014 NCIP River Gardens Perimeter Privacy Wall***

During the FY 2019 Budget adoption process, funding was removed from the SE 5<sup>th</sup> Avenue and Las Olas Walkability Improvements project. Staff recommends restoring this funding to

the project using funds that are available by closing projects that were completed under budget or are no longer supported by the community. In addition, it is recommended that funding available due to the discontinuation of the Downtown Development Authority joint participation agreement for the Ambassador Program be used for this project.

Staff recommends that the City Commission amend the FY 2019 Budget and FY 2019 – FY 2023 Community Investment Plan in the amount of \$207,253 for the SE 5<sup>th</sup> Avenue and Las Olas Walkability Improvements Project.

**C. Transfer between Capital Projects – General Capital Projects Fund – Riverwalk Center Garage Call Boxes - \$38,309**

The Riverwalk Center Garage is a seven story facility that provides approximately 2,200 parking spaces for businesses, schools, and general public 24 hour a day. The current emergency call boxes (4 at each stairwell from level 2-7, 24 totals) are inoperable. A new updated system is needed to restore direct emergency contact via phone throughout the garage. Based on updated estimates the project will need an additional \$38,309 in order to meet the garage needs. Additional funding is available in the SE 1st Street Rehabilitation project which was completed under budget.

Staff recommends that the City Commission amend the FY 2019 – FY 2023 Community Investment Plan in the amount of \$38,309 for Riverwalk Center Garage call boxes.

**D. Appropriation of Fund Balance – Parking Fund – North Beach Parking Lot - \$100,000**

Staff recommends that \$100,000 be appropriated from the Parking Fund fund balance to the North Beach Parking Lot Project. The project was abandoned and no expenses took place, but two budget amendments were approved in error and the funds were moved out of the project twice leaving a negative balance in the project. This request will correct the error of the second transaction.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$100,000 for the North Beach Parking Lot.

**E. Appropriation of Grant Funds - Grant Fund – National Sexual Assault Kit Initiative Grant - \$238,031**

In April 2018, the Police Department submitted a grant application under the National Sexual Assault Kit Initiative Competitive Grant Program. The purpose of the program is to examine issues related to the handling of sexual assault kits (SAKs), develop and implement methodology to improve the processing and preservation of quality deoxyribonucleic acid (DNA) evidence, and the provision of victim support services.

In September 2018, the Police Department was notified of its award of \$238,031 in National Sexual Assault Kit Initiative funding in support of our proposal which will fund the testing of sexual assault kits, the preservation of investigative evidence, overtime for investigative follow up analysis of latent prints, and travel and training for special victims personnel. No matching funds are required.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$238,031 for the national sexual assault kit initiative grant. This item is contingent upon the approval of the grant acceptance CAM #18-1082.

**F. Appropriation of Grant Funds - Grant Fund – Enhanced Marine Law Enforcement Grant - \$172,280**

In January 2018, the City applied to Broward County for \$150,856 in funding through the Enhanced Marine Law Enforcement Grant (EMLEG) Program. The purpose of the EMLEG Grant Program is to improve boating safety in Broward County by enhancing or supplementing marine law enforcement activities and improving boating safety education. In September 2018, the City was awarded a total of \$172,280 in EMLEG funding for FY 2018 – FY 2019. The City will use the awarded grant funds to continue “Operation Venice of America” by providing up to 3,680 hours of peak time waterway law enforcement patrols and marine law enforcement training.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$172,280 for the enhanced marine law enforcement grant. This item is contingent upon the approval of the grant acceptance CAM #18-1087.

**G. Appropriation of Grant Funds - Grant Fund – Florida Department of Transportation State Safety Office Grant - \$40,000**

In February 2018, the City submitted an application to the Florida Department of Transportation State Safety Office in response to a solicitation for proposals from law enforcement agencies to reduce the frequency of incidents involving occupant protection violations. In September 2018, the Police Department was notified of its award of \$40,000 from the State Safety Office in support of education and enforcement activities to improve safety belt/child restraint awareness and use. The grant does not require matching funds.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$40,000 for the Florida Department of Transportation State Safety Office grant. This item is contingent upon the approval of the grant acceptance CAM #18-1088.

**H. Transfer between Capital Projects – General Capital Projects Fund – Renovation/Conversion of the Former Parks and Recreation Administrative Building for Police Training – \$84,830**

The purpose of the project is to reconfigure the interior space to allow for the Police Department's Training Unit to relocate into the building. To facilitate this change, partitions and non-load bearing interior walls must be re-arranged. The interior space must optimally allow for classrooms, relocation of the new training simulator, and offices for existing training staff. The funds for this project are available in the Facilities Assessment Interior Repair and Construction Project funded for facility maintenance priorities.

Staff recommends that the City Commission amend the FY 2019 – FY 2023 Community Investment Plan in the amount of \$84,830 for the renovation/conversion of the former Parks and Recreation Administrative Building for Police training.

**I. Appropriation of Fund Balance – Department of Justice Trust Fund – Confiscated Funds Police Purchases - \$282,000**

The City receives revenue throughout the year in the Department of Justice Trust Fund based upon the seizure of assets acquired through illegal activity. In order to utilize these funds, the Police Department requests that the City Commission approve the appropriation of funds for the following eligible expenditures:

- Office Furniture (\$50,000)
- Rental of undercover vehicles (\$100,000)
- Camera installation at the Narc Shed and Jail (\$25,000)
- Information Technology support purchases (\$40,000)
- Technology purchases associated with the Bomb Truck (\$25,000)
- Specialized weapons for the Detective Bureau (\$42,000)

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$282,000 for Police purchases using Department of Justice Trust Funds.

**J. Transfer of 3 Full Time and 1 Part-Time Positions in the City's Personnel Complement – General Fund – City Hall Security Guards – \$169,814**

Funding for three (3) full time and one (1) part-time City Hall Security Guard positions was included in the FY 2019 Police Department budget. In an effort to allow for better operational and administrative control of the unit, it has been determined that the positions consisting of one (1) Security Guard III, two (2) Security Guard II's, and one (1) part-time Security Guard I, should be transferred from the Police Department to the Human Resources Department. The change in operational control would allow a better coordination and supervision of the employees. The Police Department will transfer \$167,314 in salaries and benefits to Human Resources amending both Department Budgets to reflect this change of administration. In addition to salaries and benefits, the Police Department is transferring \$2,500 in operating dollars for uniforms, miscellaneous equipment and supplies for the Security Guards.

Staff recommends that the City Commission amend the FY 2019 Budget and Personnel Complement in the amount of \$169,814 for the transfer of three (3) full time and one (1) part-time positions from the Police Department to the Human Resources Department.

**K. Appropriation of Grant Funds - Grant Fund – Edward Byrne Memorial Justice Assistance Grant - \$89,000.46**

The City has been awarded a grant in the amount of \$97,396 from the U.S. Department of Justice under the Edward Byrne Memorial Justice Assistance Grant (Byrne/JAG) Local Solicitation Program. The State receives these funds from the Department of Justice and then passes these funds through to units of local government. The Broward Sheriff's Office (BSO) manages the FY 2017 Byrne/JAG allocations for all cities in Broward County. Justice Assistance Grant funding can be used for any local law enforcement initiative, and the City is permitted to use its discretion in deciding which projects to fund.

The Fort Lauderdale Police Department is eligible to receive \$97,396 in Byrne/JAG funding, less a 8.62% administrative fee of \$8,395.54 imposed by BSO, for a total actual award of \$89,000.46. The Police Department has allocated this JAG funding to support investigative and public safety capabilities thru the purchase of forensic and traffic control equipment as well as security upgrades to the Evidence Warehouse. The grant period is October 1, 2016 through September 30, 2020.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$89,000.46 for the Edward Byrne memorial justice assistance grant. This item is contingent upon the approval of the grant acceptance CAM #18-1161.

**L. Appropriation of Grant Funds - Grant Fund – FY 2018 Bulletproof Vest Partnership Program - \$34,501.14**

In May 2018, the City applied to the United States Department of Justice for funding through their FY 2018 Bulletproof Vest Partnership Program. The grant program provides funding assistance to local law enforcement agencies by reimbursing 50 percent of the cost of eligible vests. In October, the Police Department was awarded grant funds in the amount of \$34,501.14. The City will meet the grant's required 50% cash match through its General Fund Grant Match account. The grant period is October 1, 2018 through August 31, 2020.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$34,501.14 for the bulletproof vest partnership program. This item is contingent upon the approval of the grant acceptance CAM #18-1100.

***Abandoning the Water and Sewer Asset Management and Capacity, Management, Operation and Maintenance (CMOM) Program Development Plan, Sewer Capacity Analysis for Gravity and Force Mains, Water and Wastewater Distribution and Collection Systems Mapping, Force Main Condition Assessment***

The Commission approved appropriation of the 2017 Water and Sewer Masterplan bond on April 3, 2018. *Four (4) projects required by the Department of Planning and Environmental Protection (DPEP) consent order, were originally developed as capital projects; however, after further review these projects were determined to be operating in nature.* This request will abandon the four (4) capital projects which will accommodate the required analyses, reports, programs and plans to be paid for within the Water Sewer Regional Master Plan 2017 Fund.

The capital projects which will be abandoned are: Water and Wastewater Distribution and Collection System Mapping, and Water and Sewer Asset Management and Capacity Management, Operations and Maintenance (CMOM) Program Development, Sewer Capacity Analysis for Gravity and Force Mains, and Force Main Condition Assessment.

Staff recommends that the City Commission amend the FY 2019 Budget and FY 2019 – FY 2023 Community Investment Plan in the amount of \$9,700,000 for Water and Sewer consent order management.

**N. Transfer between Capital Projects - Water and Sewer General Capital Projects, Water and Sewer, Central Regional Wastewater System Fund – Additional Funding for Citywide Capacity Analysis - \$666,454**

This project will allow the Program Manager Consultant to conduct a citywide capacity analysis of the force mains, gravity mains, and lift stations as is required by the Florida Department of Environmental Protection (FDEP) Consent Order and submit a report summarizing the findings. This project will incur additional costs to the original planned budget, as the scope and estimate have since been refined. The scope has increased to include gravity sewer models for additional basins and standard operating and governance procedures to issue capacity letters to developers and process allocation approvals. In addition to the evaluation report to be submitted to FDEP, the Consultant will also provide conceptual descriptions on the wastewater transmission and collection system recommended improvements required to eliminate system deficiencies.

The balance of \$666,454 is available in the Pump Station D-37, the Southwest 9th Street Riverside Sanitary Sewer installation, the 48 inch Wastewater Pipe Emergency Replacement as these projects have been completed under budget and can now be closed.

Staff recommends that the City Commission amend the FY 2019 – FY 2023 Community Investment Plan (CIP) in the amount of \$666,454 for the citywide capacity analysis.

**O. Transfer between Capital Projects – Water and Sewer Master Plan 2017, Water and Sewer Regional Master Plan 2017 – Program Management for the Water and Sewer Consent Order Projects – \$367,000**

This project will allow the Program Manager Consultant to manage the Consent Order program in FY 2019. The amount previously budgeted was seed money for retaining the services of the consulting team, familiarization with the Consent Order, and transfer of information to ensure that the deliverables and deadlines are met in FY 2018. This project will incur additional costs to the original planned budget in order to have a successful program and continue meeting all Consent Order deadlines.

The updated scope consists of general program management services including development and implementation of program controls such as a master schedule, cost and cash flow tracking, program management information system, and cost modeling; staff integration plan; procedures and standards including a program management plan, cost estimating standards, design management plan and alternative construction delivery analyses; corrective action cost updates; and semiannual status reports required by the Florida Department of Environmental Protection. Funding is available in the Emergency Repair 30 inch Force Main – Repump to GTL Wastewater Treatment Plant project which was completed under budget.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$367,000 for program management for the Water and Sewer consent order projects.

**P. Transfer between Capital Projects - Water and Sewer Master Plan 2017 Projects Fund - Victoria Park A North and Victoria Park South Small Watermains Improvements - \$3,000,000**

This project is for the installation of 55,500 linear feet of new 6-inch and 8-inch watermains as well as to improve fire hydrant coverage in the Victoria Park Neighborhood. This project is a priority because of the need to replace and upgrade undersized and deteriorated existing small watermains in the Victoria Park Neighborhood. Additionally, the size and complexity of this project requires Construction Engineering and Inspection (CEI) services, community outreach initiatives, permit expediting, and project management assistance.

Victoria Park A North and Victoria Park South Small Watermains Improvements projects are being bundled and advertised together for bid award to one contractor. Funding is available in the Emergency Repair 30 inch Force Main – Repump to GTL Wastewater Treatment Plant project which was completed under budget.

Staff recommends that the City Commission amend the FY 2019 – FY 2023 Community Investment Plan (CIP) in the amount of \$3,000,000 for the Victoria Park A North and Victoria Park South Small Watermains Improvements.

**S. Transfer between Capital Projects - Central Regional Fund – Electrical Maintenance at GTL (George T. Lohmeyer Wastewater Facility) - \$450,000**

This project will test electrical equipment and conduct an Arc Flash study at George T. Lohmeyer Wastewater Facility (GTL) and prepare updated electrical drawings for the injection wellfield control building that serves GTL. It is a priority because the Federal Occupational Safety and other standards require Arc Flash labels on much of the electrical equipment in use at GTL.

The funds are required to match the costs provided by the engineering consultant for the project. These funds will provide a study and result in labeling to help GTL operate safely. The project funding will be transferred from the GTL Concrete Restoration project which is anticipated to be completed under budget. Funding is available in the GTL Concrete Restoration project which will be completed under budget.

Staff recommends that the City Commission amend the FY 2019 - 2023 Community Investment Plan (CIP) in the amount of \$450,000 for electrical maintenance at GTL.

**U. Appropriation of Fund Balance and Transfer of Operating Budget – General Fund, Building Permits Fund, Sanitation Fund, Water & Sewer Fund, Parking Fund, Airport Fund, Central Services Fund – Changes to the City’s Pay Schedules– \$189,750**

In 2016, the City of Fort Lauderdale hired a consultant to conduct a Classification and Compensation study. The overall goal of the study included internal structure alignment, simplifying classification structures, identifying paths for career progression, assessing recruitment and retention needs, and analyzing minimum qualifications to facilitate recruitment of talent. The Segal Company conducted a salary survey of the regional labor market, evaluated existing jobs and organizational structure and developed new job descriptions and career ladders. Based upon this evaluation changes to the City’s Pay Schedules are proposed. The estimated unbudgeted impact of the changes to the pay schedules is \$189,750 for FY 2019.

Staff recommends that the City Commission amend the FY 2019 Budget in the amount of \$189,750 for the changes to the City’s pay schedules. This item is contingent upon the approval of CAM#18-1198, CAM #18-1199, and CAM #18-1204.
