The proposed rezoning of the property to NWRAC-MUone will not adversely impact the character of development in or near the area under consideration. The land proposed for rezoning is surrounded by properties zoned RMM-25 to the south and west, and NWRAC-MUone to the east and north. The Northwest/Progresso/Flagler Heights Redevelopment Plan promotes new infill development to help support local commerce and community revitalization. Comprehensive Plan Consistency

The property is designated Northwest Regional Activity Center (NWRAC) on the City's Future Land Use Map. The intent of the NWRAC is to encourage redevelopment and expansion of employment and housing opportunities within the area. Further, the proposed rezoning is consistent with the City's Comprehensive Plan applicable goals, objectives, and policies, specifically Future Land Use Element Goal 2, Objective 2.4, which encourages revitalization of redevelopment areas and redevelopment to be consistent with the Northwest/Progresso/Flagler Heights Redevelopment Plan.

The proposed rezoning is also supported by Future Land Use Element, Goal 2 Objective FLU 2.3: Mixed-Use Development Multimodal Environment, which encourages mixed-use development to help support active and vibrant neighborhoods through well integrated land use combinations. The Progresso Village Neighborhood contains a mixture of single family and small multifamily developments. The expansion of the NWRAC-MUne zoning district will help support the diversification of housing types through the promotion of larger multifamily development opportunities. An increase in local purchasing power will further

support local commerce. Furthermore, the overlying Master Plan requirements that would apply to the NWRAC-MUne Zoning District, promotes the integration of active first floor commercial uses, such as coffee shops, restaurants, and bars, helping to promote a walkable community by providing opportunities to establish local shops and stores.
