Dear Mr. O'Shea:

The South Florida Regional Planning Council (SFRPC) has reviewed the Notice of Proposed Change (NOPC) submitted on behalf of Stiles Corporation on February 2, 2015. Council staff's review is based on s.380.06(19), Florida Statutes (Fla. Stat.) and the *Strategic Regional Policy Plan for South Florida (SRPP)*.

Council staff also noted that proposed changes would not create any new or additional adverse impacts to regional resources or facilities identified by the *SRPP*. The SFRPC has no objections to the modifications proposed in this application.
