13. **Emergencies.** If an emergency situation arises where the License Areas or any condition thereof presents an imminent threat to the health or safety of Persons or property, the CITY shall make reasonable efforts to provide notice to the LICENSEE's Contact Person via email and telephone. If, following that notice, LICENSEE fails to take timely action to correct the emergency situation, and allows the emergency situation to continue that would pose an imminent threat to the health or safety of Persons or property, CITY may undertake such limited actions as are necessary to eliminate the emergency; and CITY shall be entitled to recover its reasonable costs of cure from LICENSEE in accordance with provisions hereof. For the purposes of this Paragraph, LICENSEE's Contact Person shall be **Michael Joffe, VP of Development**; cell phone number: **732-547-4982**; e-mail address: **mjoffe@affiliateddevelopment.com**; and address: **613 NW 3rd Avenue, Suite 104, Fort Lauderdale, FL 33311**. 14. **Damage to Public Property.** In the event the use, operation, construction, demolition, or reconstruction of the Project or Project Improvements or License Area cause(s) any damage whatsoever to any other public property, then LICENSEE shall be responsible for the cost of repair and shall, at CITY's option, make said repairs or reimburse CITY for the cost of same.

15. **Liens Against the License Areas.** LICENSEE shall have no power or authority to incur any indebtedness giving a right to a lien of any kind or character upon the right, title, or interest of CITY in and to the License Areas, and no Person shall ever be entitled to any lien, directly or indirectly derived through or under the LICENSEE, or its agents, servants, employees, contractors, or officers or on account of any act or omission of said LICENSEE as to the License Area. All Persons contracting with the LICENSEE, or furnishing materials, labor or services to said LICENSEE, or to its agents or servants, as well as all Persons shall be bound by this provision of the Revocable License. Should any such lien be filed, LICENSEE shall discharge the same within thirty (30) days thereafter, by paying the same or by filing a bond, or otherwise, as permitted by law. LICENSEE shall not be deemed to be the agent of CITY, so as to confer upon a laborer bestowing labor upon or within any of the License Areas, or upon materialmen who furnish material incorporated in the construction and improvements upon the foregoing, a construction lien pursuant to Chapter 713, Florida Statutes (2024) or an equitable lien upon the CITY's right, title or interest in and to the Property or License Areas. These provisions shall be deemed a notice under Section 713.10(1), Florida Statutes (2024) of the "non-liability" of the CITY.

16. **Removal.** Except as may otherwise be expressly provided herein, LICENSEE shall remove all Project Improvements constructed or Project materials, rubbish, or equipment within the License Areas and any components thereof, exclusive of utilities facilities constructed and installed, upon revocation or termination of this Revocable License and upon demand of CITY for removal of such Project Improvements or Project materials, rubbish, or equipment, and LICENSEE shall restore the License Areas to the condition(s) that existed prior to LICENSEE's installation of any such Project or Project Improvements within the License Areas. Such removal shall be at LICENSEE's sole cost and expense. In the event LICENSEE fails to remove all or any part of the Project Improvements or Project materials, rubbish, or equipment within the License Area, exclusive of utilities facilities constructed and installed, contemplated herein within fifteen (15) days after written demand by the CITY to do so, the CITY is hereby authorized to remove such Project Improvements or Project materials, rubbish, or equipment and restore License Area to the condition that existed prior to the LICENSEE's construction or installation of the improvements in the License Areas, and all reasonable costs associated with the removal and restoration thereof shall be fully reimbursed to CITY by LICENSEE. Notwithstanding the foregoing, LICENSEE shall have the obligation of immediately removing any equipment or materials or temporary fencing within the License Areas upon termination of this Revocable License, in the event LICENSEE fails to do so, CITY shall have the right to remove same, recouping the reasonable cost thereof from LICENSEE in the manner set forth herein.

17. **Damage and Destruction.** LICENSEE shall not by its possession, use, occupancy, operation, maintenance, or repair of the License Areas, cause damage to the License Areas or to the adjacent real property or public rights-of-way. If during the term of this Revocable License the structures, Project Improvements, fixtures or personal property within the License Areas or adjacent public rights-of-way shall be damaged, destroyed or deteriorated in whole or in part by fire, casualty, obsolescence, failure to maintain, or any other cause, and whether or not such destruction or damage is covered by any insurance policy on the Project, LICENSEE shall give to CITY immediate notice thereof, and LICENSEE shall:

17.1 seek the necessary permits and approvals from CITY and any other regulatory agency with jurisdiction over the License Areas or adjacent real property or adjacent public rights-of-way to repair, replace, and rebuild the same or cause the same to be repaired, replaced, or rebuilt as nearly as possible to their original condition; or

17.2 to the extent that such destruction or damage affected the structures and improvements within the License Areas or real property or public rights-of-way adjacent thereto, or any part thereof, if LICENSEE elects to remove such structures and Project Improvements (exclusive of utilities facilities constructed and installed), or any part thereof, LICENSEE shall seek the necessary permits and approvals from CITY and any other regulatory agency with jurisdiction over the subject matter to promptly remove or demolish said structures and improvements and restore the License Areas as nearly as possible to its original condition.

All such repairs, restructuring and replacements shall be hereafter referred to as "Restoration." The cost of Restoration shall be paid solely by LICENSEE.

18. **License, not Lease.** It is acknowledged and stipulated by and between the parties hereto that this Revocable License shall not be deemed a lease of the License Areas by CITY but rather a license granted to LICENSEE by CITY for the nonexclusive possession, use, occupancy, operation, maintenance, and repair of the License Areas in order to conduct the Project under the terms and conditions stated herein, such terms and conditions including termination of the Revocable License in the manner set forth herein. LICENSEE acknowledges and understands the provisions of § 8.05 and 8.09 of the CITY Charter with respect to leases.

19. **Indemnity.**

19.1 LICENSEE agrees to indemnify and hold harmless the CITY, its officers, employees, volunteers, and agents from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses (collectively, a "Claim"), raised or asserted by any Person or entity not a party to this Revocable License, which Claim is caused or alleged to be caused in whole or in part, by any intentional, reckless, or negligent act or omission of LICENSEE, LICENSEE's contractors and subcontracts, its officers, employees, volunteers, agents or assigns, arising from, relating to, or in connection with this Revocable License. If any Claim is brought against CITY, LICENSEE and LICENSEE's contractors and subcontracts shall, at their own expense, upon written notice from CITY defend CITY against each such Claim by counsel satisfactory CITY, or, at the option of CITY, pay for an attorney selected by the City Attorney to defend the CITY.

19.2 CITY is subject to Section 768.28, Florida Statutes, as may be amended from time to time. Nothing herein is intended to serve as a waiver of sovereign immunity by the CITY to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by the CITY to be sued by third parties in any matter arising out of this Revocable License or any other contract.

19.3 The provisions of this Section 19 shall survive the expiration or earlier termination of this Revocable License.

20. Insurance.

21. **Special Exception.** It is agreed that this Revocable License is granted to LICENSEE for LICENSEE's benefit, is a special exception to the CITY's general policy and it is stipulated between the parties that this Revocable License shall be construed most strictly in favor of the CITY and against LICENSEE.

22. **Remedies of CITY.**

22.1 In the event the LICENSEE fails to perform or violates any of the terms or conditions of this Revocable License or defaults or breaches any term or condition hereof, CITY shall provide notice thereof to LICENSEE and LICENSEE shall cure such violation within twenty (20) days of such Notice.

22.1.1 In the event the Contract Administrator finds that the LICENSEE has failed to timely cure such violation, the Contract Administrator shall provide Notice thereof to LICENSEE and impose or assess a fine of \$1,000.00 per day for every day the violation continues beyond the date set in the Notice under Section 22.1.

22.1.2 LICENSEE shall provide written Notice to CITY when the violation has been cured. In the event the Contract Administrator finds the violation was not cured on the date alleged by LICENSEE, Contract Administrator shall provide LICENSEE with Notice thereof. Contract Administrator shall provide Notice to LICENSEE when Contract Administrator finds that the violation has been cured.

22.1.3 In the event LICENSEE disagrees with the Contract Administrator's (a) finding that a violation exists or continues to exist, or (b) imposition or assessment of a per diem fine, or (c) determination of the date of compliance or noncompliance, LICENSEE shall file a written Notice of Appeal to the City Manager within five (5) days of receiving notice of (a), (b) or (c) above.

22.1.4 Within ten (10) days of receiving a Notice of Appeal under Subsection 22.1.3, the City Manager shall hear presentations thereon and render a written Final Order thereon, serving a copy thereof upon LICENSEE. 22.2.1 revoke or terminate this Revocable License; or

22.2.2 take any equitable action to enforce the terms and conditions of this Revocable License, it being stipulated by the parties that since this Revocable License deals with the right to use a public right-of-way, a violation or breach of any term or condition of the Revocable License constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law; or

22.2.3 take such curative action that was required to be taken by the LICENSEE under the Revocable License and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by LICENSEE, in which case LICENSEE shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or inactions. LICENSEE shall reimburse CITY within thirty (30) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum, compounded monthly; but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs, maintenance, or removal undertaken by CITY in accordance with this

Revocable License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation. In addition to any other remedies available to CITY, in the event of litigation between the parties, CITY shall be entitled to recover from LICENSEE all costs of collection, including reasonable attorneys' fees and court costs incurred at all tribunal and appellate levels, provided CITY ultimately prevails in such proceedings.

If the CITY terminates this contract under Paragraph 448.095(5)(c), Florida Statutes (2024), as may be amended or revised, the LICENSEE may not be awarded a public contract for at least one year after the date on which the contract was terminated.
