**Re: Middle River Terrace Addition (OS-145)
Interlocal Agreement (ILA)**

Dear Ms. Henry:

The City of Fort Lauderdale executed an ILA with Broward County for the potential acquisition of Middle River Terrace Addition (OS-145). As you know, the City has been unable to close out the transaction due to unresolved arsenic soil and groundwater contamination concerns.

Because of these unresolved concerns, Fort Lauderdale staff discussed the possible termination of the ILA with the City Commission on February 4, 2014. The City Commission directed staff to move forward with the termination of this agreement.

Please forward the necessary documents required to terminate the ILA for review. Upon approval, the termination agreement will be returned to you for final execution.

Thank you for your consideration in this matter.

Sincerely,

Lee R. Feldman, ICMA-CM
