

**CITY OF FORT LAUDERDALE**  
**City Commission Agenda Memo**  
**REGULAR MEETING**

**#15-0500**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee R. Feldman, ICMA-CM, City Manager

**DATE:** May 5, 2015

**TITLE:** Revocable License Agreement with Broward County for Non-Exclusive Access  
and Use of County Right-Of-Way on SW 4<sup>th</sup> Avenue Bridge over Tarpon River

---

**Recommendation**

It is recommended that the City Commission authorize the Mayor and City Manager to execute a Revocable License Agreement for Non-Exclusive Access and Use of County Right-of-Way on SW 4<sup>th</sup> Avenue Bridge over Tarpon River with Broward County (Exhibit 1) in substantially the form attached and authorize the City Manager to execute other necessary documents associated with the project.

**Background**

At its meeting on December 2, 2014, the Commission adopted Resolution 14-209 supporting the Tarpon River Civic Association sponsorship of a beautification project for the bridge over the Tarpon River on SW 4<sup>th</sup> Avenue, which includes a decorative painting and mural on the existing concrete barrier walls. The subject bridge is under the jurisdiction of Broward County; therefore, staff continues to work with both Tarpon River Civic Association and Broward County Highway and Bridge Maintenance to move this initiative forward. These actions included providing a copy of City Commission Resolution 14-209 to the County.

In order to implement the bridge beautification project on this County roadway, the City is required to enter into a Revocable License Agreement with the County to install, maintain and repair the beautification project on the bridge within the County's right-of-way. The Revocable License Agreement calls for the City to be the functional equivalent of a guarantor of its obligations under that instrument.

**Resource Impact**

There is no fiscal impact as all services, including maintenance of paint and mural, will be paid for by the Tarpon River Civic Association.

**Strategic Connection**
