Recommendation

It is recommended that the City Commission approve a two-year agreement, in substantially the form attached, with Fort Lauderdale Community Development Corporation, for Community Housing Development Organization (“CHDO”) acquisition and renovation of residential properties at the total two-year cost of \$300,000 and authorize the City Manager to execute all documents associated with this funding request as well as approve a one-year renewal option contingent upon appropriation of funds.

Background

The federal Home Investment Partnerships Program (“HOME”) regulations require that each City receiving HOME funds set at least 15 percent of annual allocation of HOME funds for the development of affordable housing activities to be undertaken by a Community Housing Development Organization (CHDO).

A CHDO is a private nonprofit, community-based organization that has staff with capacity to develop affordable housing for the community it serves. To qualify for designation as a CHDO, the organization must meet certain requirements pertaining to their legal status, organizational structure, capacity and experience.

A CHDO may use HOME funds for all eligible HOME activities including acquisition and/or rehabilitation or rental housing, new construction of rental housing, acquisition and/or rehabilitation of homebuyer properties, new construction of homebuyer properties, and direct financial assistance to purchasers of HOME-assisted housing that has been developed with HOME funds by the CHDO.

The \$300,000 for this contract is comprised of \$177,524.40 in HOME funds and \$122,475.60 in Affordable Housing Trust funds.

The following is a timeline of activities completed by City staff to award this contract to the most qualified proposer.
