

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: June 17, 2014

TITLE: Motion to approve the proprietary purchase of mug shot software from
Sungard Public Sector Inc. - \$36,316

Recommendation

It is recommended that the City Commission approve the proprietary purchase of Mugshot Capture Station software from Sungard Public Sector Inc. (Sungard) for \$36,316 and approve amendment #1 in substantially the form attached.

Background

The current Records Management System (RMS) system, provided by Intergraph Public Safety, will be eliminated after the City migrates to the regional consolidated dispatch and records management system. The Intergraph RMS system currently includes a module that provides for the capture of photographs (mug shots) that are used by Fort Lauderdale Police as part of the arrest and booking process. These mug shots are associated with arrested individuals in the existing system and, as such, provide valuable data. They are used by the detective bureau to create mug shot lineups for investigations. The new regional Records Management System purchased from Sungard as part of the Broward County regional consolidated dispatch and records management systems does not include mug shot capability.

Therefore, in order to retain the mug shot capability after the City migrates to the regional consolidated dispatch and records management systems, the integrated mug shot capture module and workstations need to be purchased along with the OSSI Message Switch Client from Sungard. The workstations are integrated with the Sungard Public Safety RMS and this is the only product that can provide this functionality. It can only be purchased directly from Sungard.

Resource Impact

There will be a fiscal impact to the City in the amount of \$36,316.

Funds available as of June 6, 2014					
ACCOUNT NUMBER	INDEX NAME (Program)	OBJECT CODE/ SUB-OBJECT NAME	AMENDED BUDGET (Object Code)	AVAILABLE BALANCE (Object Code)	PURCHASE AMOUNT
581-ITS070101-3907	Police ITS	Services & Materials/ Data Processing Supplies	\$1,033,519	\$239,290	\$9,616
581-ITS070101-6405	Police ITS	Capital Outlay/ Computer Software	\$26,700	\$26,700	\$26,700
PURCHASE TOTAL ►					\$36,316

Strategic Connections:

This item is a *Press Play Fort Lauderdale Strategic Plan 2018* initiative included within the Public Safety Cylinder of Excellence, specifically advancing:

- Goal 9: Be the safest urban coastal City in South Florida through preventative and responsive police and fire protection.
- Objective 2: Provide quick and exceptional fire, medical, and emergency response.
- Initiative 1: Transition to the County 911 dispatch; proactively working with Broward County and monitoring mutual aid impacts to maintain reasonable response times and high quality service levels for Fort Lauderdale neighbors.

This item advances the *Fast Forward Fort Lauderdale 2035 Vision Plan: We Are Ready*
