SECTION 1. The City Commission finds that the application for vacation of a right-of-way meets the criteria of Section 47-24.6 of the ULDR, as enunciated and memorialized in the minutes of its meetings of May 5, 2026, and May 19, 2026, a portion of those findings expressly listed as follows:

- a. The right-of-way or other public place is no longer needed for public purposes. This portion of the right-of-way area to be vacated is wider and more extensive area of land than needed for public thoroughfare, and the City's Transportation and Mobility Department has confirmed that there is no intention of using this area for improvements or as a public thoroughfare. The area proposed to be vacated therefore has not been used for public purposes and is not needed for public purposes.
- b. Alternate routes are not needed the proposed area to be vacated does not contain public vehicular or pedestrian infrastructure, and it is solely used as a driveway for the existing residence on the property. This vacation will not affect public travel.
- c. The closure of a right-of-way provides safe areas for vehicles to turn around and exit the area, the proposed area to be vacated does not contain public vehicular or pedestrian infrastructure, and it is solely used as a driveway for the existing residence on the Property. This vacation will not affect public travel. There is no need for a turnaround or an exit from the area as the existing roadway provides for safe vehicle traffic.
- d. The closure of a right-of-way shall not adversely impact pedestrian traffic because the proposed area to be vacated does not contain public vehicular or pedestrian infrastructure, and it is solely used as a driveway for the existing residence on the Property. This vacation will not affect public travel.
- e. The applicant has obtained letters of no objection from the franchise utilities and the City's Public Works Department. All utilities located within the right-of-way or other public place have been or will be relocated pursuant to a relocation plan; and the owner of the utility facilities has consented to the vacation; or a utilities easement has

been retained over the right-of-way area or portion thereof; or an easement in a different location has been provided for the utility facilities by the owner to the satisfaction of the city; or any combination of same and utilities maintenance shall not be disrupted.

SECTION 2. That the public right-of-way and road easement located west of Northeast 16th Avenue, north of Northeast 7th Street, east of Northeast 15th Avenue and south of Northeast 8th Street, as more particularly described in Exhibit "A" attached hereto, is hereby vacated, abandoned, and closed and shall no longer constitute a public right-of-way or road easement, subject to conditions listed on Exhibit "B" attached hereto and incorporated herein.

SECTION 3. That a copy of this Ordinance shall be recorded in the Public Records of Broward County by the City Clerk within 30 days from the date of final passage.

SECTION 4. That if any clause, section or other part of this Ordinance shall be held invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby, but shall remain in full force and effect.

SECTION 5. That all ordinances or parts of ordinances in conflict herewith, are hereby repealed.

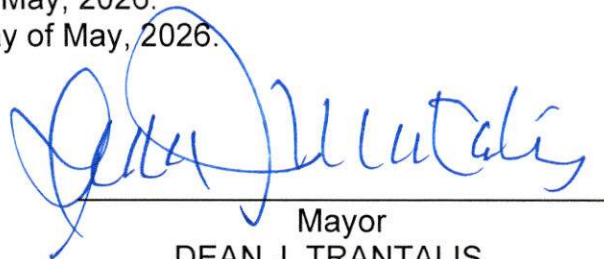

SECTION 6. Issuance of a development permit by a municipality does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

SECTION 7. This approval is conditioned upon the applicant obtaining all other applicable state or federal permits before commencement of the development.

SECTION 8. That this Ordinance shall be in full force and effect upon the recordation in the public records of Broward County, Florida, of a certificate executed by the Land Development Manager evidencing that all conditions listed on Exhibit "B" attached hereto have been met.
