The Law Firm is prepared to finance the entire litigation including all out-of-pocket expenses and disbursements and handle the lawsuit on a contingent fee basis. This guarantees that Fort Lauderdale will not be responsible for any costs of this litigation whether the Law Firm is successful or not.

The purpose of this litigation is to seek reimbursement of the costs incurred and to be incurred to investigate and remediate soil, groundwater and surface water and design, construct and operate drinking water treatment systems arising out of contamination caused by the conduct of the defendants in this litigation.
