The License Area shall be maintained in a neat and orderly appearance at all times.

11. Emergencies. If an emergency situation arises with respect to the License Areas where the License Areas or any condition thereof presents an imminent threat to the health or safety of Persons or property, the CITY shall make reasonable efforts to provide telephone and fax or email notice to the LICENSEE's Contact Person. If, following that notice, LICENSEE fails to take timely action to correct the emergency situation, and allowing the emergency situation to continue would pose an imminent threat to health or safety to Persons or property, CITY may undertake such limited actions as are necessary to eliminate the emergency; and CITY shall be entitled to recover its reasonable costs of cure from LICENSEE in accordance with provisions hereof. For the purposes of this Paragraph, LICENSEE's Contact Person shall be **Anthony Ajakie**; address - **2460 N.E. 46th Street, Lighthouse Point, FL 33064**; telephone number **(954) 290-3209**; and e-mail address: **TonyTutor@aol.com**. 13. Removal of Project Improvements and, Restoration of License Area.

13.1 Except as may otherwise be expressly provided herein, it is agreed that upon termination of RLA, in whole or in part, as to the License Area, LICENSEE shall remove all or any part of the Project Improvements and any components thereof and upon demand of COUNTY for removal of all or any part of the Project Improvements as to the License Area, then LICENSEE shall restore the surface of the such License Area to conditions acceptable to the COUNTY as to the roadway and conditions acceptable to the CITY as to the sidewalk area and any impacted public utilities. Such removal and restoration shall be at LICENSEE's sole cost and expense. In the event LICENSEE fails to begin to remove all or any part of the Project Improvements contemplated herein within thirty (30) days after written demand by the COUNTY or CITY, the CITY is hereby authorized to remove such Project Improvements that interfere with the easement rights or the public's use of dedicated rights-of-way and restore the respective License Area to conditions acceptable to the COUNTY as to the roadway and conditions acceptable to the CITY as to the sidewalk area and any impacted public utilities, and all reasonable costs associated with the removal and restoration thereof shall be fully reimbursed by LICENSEE.

13.2. In the event the LICENSEE fails to remove the Project Improvements and CITY finds it necessary to remove the Project Improvements in accordance with the foregoing,

then the total expense incurred by the CITY in removing the Project Improvements and the administrative costs associated therewith shall be considered a special assessment and lien upon the Property. LICENSEE shall have thirty (30) days from the date of the statement of the total expenses incurred by the CITY and the administrative costs associated therewith within which to pay to the CITY the full amount due. Failure to timely pay the amount due or serve upon the CITY Manager a written letter contesting the statement of assessed expenses and administrative costs will result in the matter being scheduled before the CITY Commission for consideration of and adoption of a Resolution assessing against the Property the expenses and administrative costs associated with the CITY's removal of the Project Improvements. The Resolution may also impose a special assessment lien against the Property for the expenses and costs so assessed. A Notice of the Special Assessment assessed by the CITY Commission for the unpaid expenses and costs as stated above shall be recorded with the CITY Clerk and in the Public Records of Broward County, Florida. The assessed expenses and costs and the lien provided for herein may be foreclosed in the manner provided by law.

14. Damage and Destruction. LICENSEE shall not by its possession, use, occupancy, operation, maintenance or repair of the License Area, suffer or permit any damage to the License Area or to the adjacent real property. If during the term of the RLA or this Agreement, LICENSEE becomes aware that the Project Improvements within the License Area have been damaged, destroyed or deteriorated in whole or in part by fire, casualty, obsolescence, failure to maintain or any other cause, and whether or not such destruction or damage is covered by any insurance policy on the Project, LICENSEE shall give to CITY immediate notice thereof, and LICENSEE shall:

(a) seek the necessary Permits and approvals from the regulatory agencies with jurisdiction over the License Area, Project Improvements or adjacent real property to repair, replace and rebuild the same or cause the same to be repaired, replaced or rebuilt as nearly as possible to their original condition; or

(b) to the extent that such destruction or damage affected the Project Improvements within the License Area or real property adjacent thereto, or any part thereof, if LICENSEE elects to remove such Project Improvements consistent with the terms of the RLA, then LICENSEE shall seek the Permits and approvals, if any, required for such removal and cause such Project Improvements to be removed from the License Area and return the License Area to the condition that existed prior to the Effective Date of the RLA.

15. Indemnity.

(a) LICENSEE shall protect, defend, indemnify and hold harmless the CITY, its officers, employees and agents from and against any and all lawsuits, penalties, damages, settlements, judgments, decrees, costs, charges and other expenses charged or incurred, including reasonable attorney's fees actually incurred, or liabilities of every kind, nature or degree arising out of or in connection with the rights, responsibilities and obligations of LICENSEE under the RLA and this Agreement, conditions contained therein, the location, construction, repair, maintenance use or occupancy by LICENSEE of the License Area, Project Improvements or Project, or the breach or default by LICENSEE of any covenant or provision of the RLA or this Agreement, except for any occurrence arising out of or resulting from the intentional torts or

gross negligence of the CITY, its officers, agents and employees. Without limiting the foregoing, any and all such charges, claims, suits, causes of action relating to personal injury, death, damage to property, defects in construction, rehabilitation or restoration of the License Area by LICENSEE or others, alleged infringement of any patents, trademarks, copyrights or of any other tangible or intangible personal or real property rights by LICENSEE, or any actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation or decree of any court by LICENSEE, is included in the indemnity.

(b) LICENSEE further agrees that upon proper and timely notice to investigate, handle, respond to, provide defense for, and defend any such claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the CITY, LICENSEE shall assume and defend not only itself but also the CITY in connection with any claims, suits or causes of action, and any such defense shall be at no cost or expense whatsoever to CITY, provided that the CITY (exercisable by the CITY's Risk Manager) shall retain the right to select counsel of its own choosing. This indemnification shall survive termination, revocation or expiration of the RLA and this Agreement and shall cover any acts or omissions occurring during the term of the RLA and this Agreement, including any period after termination, revocation or expiration of the RLA and this Agreement while any curative acts are undertaken.

16. Insurance. At all times during the term of the RLA and this Agreement, LICENSEE, at its expense, shall keep or cause to be kept in effect the insurance coverages set forth in the RLA and LICENSEE shall provide Certificates of Insurance to CITY at least fourteen (14) days prior to the commencement of the License Term and annually thereafter on the anniversary date of the policies.

17. Remedies of CITY.

17.1 In the event the LICENSEE fails to perform or violates any of the terms or conditions of RLA or this Agreement or is in breach or default in any term or condition hereof, COUNTY or CITY shall provide written notice thereof to LICENSEE and LICENSEE shall cure such violation within the time provided in such Notice, which such time for cure shall be reasonable in light of all the circumstances. LICENSEE shall be obligated to serve upon the CITY any notices of breach of default served upon LICENSEE by COUNTY.

17.1.1 LICENSEE shall provide written Notice to CITY when the violation has been cured. In the event the Contract Administrator finds the violation was not cured on the date alleged by LICENSEE, Contract Administrator shall provide LICENSEE with written Notice thereof. Contract Administrator shall provide written Notice to LICENSEE when Contract Administrator finds that the violation has been cured.

17.2 In the event the LICENSEE fails to timely cure the violation within the time specified in Section 17.1, the CITY, as an alternative to the procedures set forth above, may;

17.2.1 take any equitable action to enforce the terms and conditions of the RLA or this Agreement, it being stipulated by the parties that since the RLA and this Agreement deals with the right to use public easements and rights-of-way or COUNTY or CITY owned or dedicated lands used for a governmental purpose, a violation or breach of any term or condition of the RLA constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law; or

17.2.3 take such curative action that was required to be taken by the LICENSEE under the RLA and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by LICENSEE, in which case LICENSEE shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or actions. LICENSEE shall reimburse CITY within sixty (60) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum simple interest but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs or maintenance undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation.

17.3 If LICENSEE does not make the payments required under this Section within the thirty (30) day period set forth herein, then CITY shall have a right to record a Claim of Lien against the Property, which Lien may be either (a) for the total amount of the fines resulting from the procedures set forth in Sections 17.1 and 17.2, including all subsections thereunder, or (b) for all reasonable and necessary costs and expenses of any cure undertaken by CITY in accordance with this Section, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Lien shall be effective upon the recording of a Claim of Lien in the Public Records of Broward County, Florida, which Claim of Lien shall state all amounts due and owing to CITY. The Lien may be foreclosed by CITY in the same manner as provided by law for foreclosure of mortgage liens. The Lien shall continue until payment to CITY of the amounts set forth in the Lien (at which time CITY shall record a satisfaction of such lien). In addition to the Lien, CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE'S failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

17.4 CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien. The remedies found within

this Section 17, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

18. Requirement for Notice. LICENSEE shall give CITY prompt written notice of any accidents on, in, over, within, under and above the License Area. LICENSEE shall also give CITY prompt written notice of any notices of violation received from the COUNTY.

19. Notices.

(a) Except as provided in subparagraph (c) below, whenever it is provided herein that notice, demand, request or other communication shall or may be given to, or served upon, either of the parties by the other, or either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or with respect to any matter set forth in this Revocable License, each such notice, demand, request or other communication shall be in writing and any law or statute to the contrary notwithstanding shall not be effective for any purpose unless the same shall be given by hand delivery, or by a nationally recognized overnight courier, or by mailing the same by registered or certified mail, postage prepaid, return receipt requested, addressed to the party at the address set forth below, or at such other address or addresses and to such other person or firm as LICENSEE may from time to time designate by notice as herein provided.

(b) All notices, demands, requests or other communications hereunder shall be deemed to have been given or served for all purposes hereunder upon receipt if by hand delivery, or upon one (1) business day after deposit with such overnight courier as required above, or upon two (2) business days after deposit with the United States mail, postage prepaid, in the manner aforesaid, provided, however, that for any distance in excess of five hundred (500) miles, air mail service or Federal Express or similar carrier shall be utilized, if available.

CITY does not extend to LICENSEE or LICENSEE'S agents any authority of any kind to bind CITY in any respect whatsoever.

24. Joint Preparation. Each party and its counsel have participated fully in the review and revision of this Agreement and acknowledge that the preparation of this Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. The language in this Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.

25. Interpretation of Agreement; Severability. This Agreement shall be construed in accordance with the laws of the State of Florida. If any provision hereof, or its application to any person or situation, is deemed invalid or unenforceable for any reason and to any extent, the remainder of this Agreement or the application of the remainder of the provisions, shall not be affected. Rather, this Agreement is to be enforced to the extent permitted by law. The captions, headings and title of this Agreement are solely for convenience of reference and are not to affect its interpretation. Each covenant, term, condition, obligation or other provision of the Agreement is to be construed as a separate and independent covenant of the party who is bound by or who undertakes it, and each is independent of any other provision of this Agreement, unless otherwise expressly provided. All terms and words used in this Agreement, regardless of the number or gender in which they are used, are deemed to include any other number and other gender, as the context requires.

26. Successors. This Agreement shall be binding on and inure to the benefit of the parties, their successors and assigns.

27. No Waiver of Sovereign Immunity. Nothing contained in this Agreement is intended to serve as a waiver of sovereign immunity by any agency to which sovereign immunity may be applicable.

28. No Third Party Beneficiaries. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based on this Agreement. Nothing herein shall be construed as consent by any agency or political subdivision of the State of Florida to be sued by third parties in any manner arising out of any contract.

29. Non-Discrimination. LICENSEE shall not discriminate against any Person in the performance of duties, responsibilities and obligations under this Agreement because of race, age, religion, color, gender, national origin, marital status, disability or sexual orientation.

30. Records. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Chapter 119, Florida Statutes, and any resultant award of attorney's fees of non-compliance with that law.

31. Entire Agreement. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

32. Waiver. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

33. Governing Law. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be brought exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Revocable License shall be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. **By entering into this**

Agreement, CITY and LICENSEE hereby expressly waive any rights either party may have to a trial by jury of any civil litigation related to this Agreement or any acts or omissions in relation thereto.

34. **Force Majeure.** Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds alone on the part of LICENSEE be deemed Force Majeure.

35. **Recording.** This Agreement shall be recorded in the Public Records of Broward County, Florida. CITY shall record the Agreement, subject to LICENSEE reimbursing CITY for the cost thereof. A copy of the recorded Agreement shall be provided to LICENSEE and filed with the CITY Clerk's Office of the CITY of Fort Lauderdale.

WHEREAS, the Parties have agreed to enter into this Revocable License Agreement ("Agreement") in relation to the use of the right-of-way described in Exhibit "B," as provided below; NOW, THEREFORE,

IN CONSIDERATION of the mutual terms, conditions, promises, and covenants hereinafter set forth, COUNTY, LICENSEE, and MUNICIPALITY agree as follows:

THIS IS NOT AN OFFICIAL COPY

1. The above recitals and representations are true and correct and are incorporated herein.

2. DESCRIPTION OF PROPERTY. That portion of the right-of-way as described in Exhibit "B," attached hereto and incorporated herein (the "Property").

3. TERM. The term of this Agreement shall commence upon its execution by all Parties and shall continue until such time as the COUNTY notifies LICENSEE, in accordance with Article 12, to cease using the Property.

4. USE OF PROPERTY. COUNTY hereby grants to LICENSEE the revocable license for non-exclusive access and use of the Property only for landscaping, irrigation, and related improvements (the "improvements"), including the ongoing maintenance thereof, hereinafter referred to as the "Licensed Use," as detailed in the landscaping and irrigation plans, attached hereto and incorporated herein as Exhibit "C." The Property shall not be used for any other purpose whatsoever without written amendment of this Agreement. LICENSEE covenants that it will not, without written consent of the COUNTY, permit the Property to be used by any person, firm, entity, or corporation other than LICENSEE and its agents. LICENSEE further covenants that no nuisance or hazardous trade or occupation shall be permitted or carried on, in, or upon the Property. No act shall be permitted and nothing shall be kept in or about the Property that will increase the risk of any hazard, fire, or catastrophe, and no waste shall be permitted or committed upon or any damage done to the Property. LICENSEE shall not permit the Property to be used in any manner which will violate any laws or regulations of any governmental entity or agency.

4.1 LICENSEE shall submit plans for the installation of the improvements, together with a schedule for the ongoing maintenance thereof, to the Broward County Highway Construction and Engineering Division at least thirty (30) days before installation, and shall not install the improvements until written approval is obtained from the Broward County Highway Construction and Engineering Division. maintenance, shall comply with the Broward County Naturescape program and Florida-Friendly Landscaping principles.

- 4.2 LICENSEE shall notify the Broward County Highway Construction and Engineering Division within five (5) days after installation of the improvements. The Broward County Highway Construction and Engineering Division may require LICENSEE to reinstall or remove the improvements, if the improvements or use do not comply with this Agreement or the approved plans.

- 4.3 COUNTY, its agents or authorized employees, shall continue to have unimpeded and unrestricted access to the Property at any and all times to examine it to determine if LICENSEE is properly using the Property pursuant to the terms and conditions of this Agreement.

- 4.4 Any replacement of the improvements by LICENSEE shall require the prior submittal of plans and approval by the Broward County Highway Construction and Engineering Division, consistent with the requirements under Sections 4.1 and 4.2, above.

- 4.5 MUNICIPALITY hereby acknowledges and affirms that it shall be responsible for and assume the LICENSEE's responsibilities and obligations for the ongoing maintenance of the landscaping, irrigation, and related improvements, should LICENSEE fail to perform or comply with any terms or conditions of this Agreement. MUNICIPALITY shall be responsible for and assume LICENSEE's responsibilities and obligations upon notice from COUNTY that LICENSEE has failed to perform or comply with any terms or conditions of this Agreement. COUNTY shall not be obligated to proceed against LICENSEE or exhaust any other remedies it may have against LICENSEE or MUNICIPALITY prior to enforcing the obligations of MUNICIPALITY herein.

- 4.6 The obligations of LICENSEE as set forth in this Agreement may be performed by LICENSEE or MUNICIPALITY through the use of its employees, or LICENSEE or MUNICIPALITY may enter into a contract with a third party to perform the services. In the event LICENSEE or MUNICIPALITY contracts with a third party, each shall remain fully responsible hereunder and shall ensure that its contractor complies at all times with each and every term, condition, duty, and obligation set forth herein.

5. ASSIGNMENT. Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered, except to successors or assignees taking title to LICENSEE's Burdened Parcel, without the written consent of the COUNTY. Should LICENSEE attempt to do so, then this Agreement shall terminate immediately, without prior notice to LICENSEE.

6. DAMAGE TO PROPERTY. LICENSEE shall not by its use or access cause damage to the Property. All parties agree that all personal property placed by LICENSEE upon the Property shall remain the property of LICENSEE, and shall be placed upon the Property at the risk of LICENSEE. LICENSEE shall give the COUNTY, or its agent, prompt written notice by registered or certified mail of any occurrence, incident, or accident occurring on the Property.

7. COMPENSATION. No payment shall be made by the LICENSEE for the privileges granted in this Agreement.

8. INDEMNIFICATION OF COUNTY.

The provisions of this section shall survive the expiration or earlier termination of this Agreement.

8.2.1 Indemnification: LICENSEE's contractor shall indemnify and hold harmless COUNTY, its officers, agents, and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of LICENSEE's contractor, and other persons employed or utilized by LICENSEE's contractor in the performance of this Agreement. These indemnifications shall survive the term of this Agreement. To the extent permitted by law, in the event that any action or proceeding is brought against COUNTY by reason of any such claim or demand, LICENSEE's contractor shall, upon written notice from COUNTY, resist and defend such action or proceeding by counsel satisfactory to COUNTY.

8.2.2 To the extent permitted by law, the indemnification provided above shall obligate LICENSEE's contractor to defend, at its own expense, to and through appellate, supplemental, or bankruptcy proceeding, or

to provide for such defense, at COUNTY's option, any and all claims of liability and all suits and actions of every name and description covered by subsection 8.2.1 above which may be brought against COUNTY, whether services were performed by LICENSEE's contractor or persons employed or utilized by LICENSEE's contractor.

8.3 MUNICIPALITY is an entity subject to Section 768.28, Florida Statutes, as may be amended from time to time, and agrees to be fully responsible for the acts and omissions of its agents or employees to the extent permitted by law.

Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by MUNICIPALITY to be sued by third parties in any matter arising out of this Agreement or any other contract.
