City Attorney Search Committee
c/o City of Fort Lauderdale
Human Resources Department
101 NE 3rd Avenue, Suite 1400
Fort Lauderdale, Florida 33301

Dear members of the City Attorney Search Committee;

I am writing to express my interest in being appointed the City Attorney for the City of Fort Lauderdale, Florida. My almost 15 years of dedicated service to the City of Fort Lauderdale, has allowed me to hone my skills as a Florida Bar Board Certified City, County, and Local Government lawyer and tailor them to the unique municipal law landscape of the City of Fort Lauderdale, making me the ideal candidate for this role.

I began my municipal law career with the City of Fort Lauderdale on February 14, 2010, as an Assistant City Attorney I, the entry-level attorney position with the office. During my tenure at the City of Fort Lauderdale, I worked in every attorney classification and progressively acquired the skills and knowledge necessary to successfully represent the City with a high level of competency as Interim City Attorney. Each promotional step came with its own challenges but also with new opportunities for collaboration with City management and staff to whom I provided sound legal counsel and guidance.

The City of Fort Lauderdale also provided me with an opportunity to develop my management skills as not only the Interim City Attorney but also as the manager of the Community Redevelopment Agency. As a result of these experiences, I am adept at managing budgets, timelines, and stakeholder expectations.

I am excited about the opportunity to return the almost 15-year investment that the City of Fort Lauderdale has made in me to the residents of this great city. I am confident that my skills and experience will contribute to the continued success and growth of this wonderful community.

Thank you for considering my application. I look forward to the opportunity to discuss how I can continue to contribute to our city in the capacity of City Attorney.

Sincerely yours,

D'Wayne Michael Spence
