Re: Non-Ad Valorem Special Assessment - Fort Lauderdale downtown and
South Regional Activity Center boundaries – Wave Streetcar System

This method will allow the special assessment to be collected annually commencing in October, 2013, in the same manner as provided for ad valorem taxes.

This action was taken by the City Commission on December 18, 2012, by unanimous vote and adoption of Resolution 12-241. A certified copy of this resolution is enclosed. By separate correspondence, certified copies of this resolution are also being filed with Broward County Director of Records, Taxes and Treasury and the Florida Department of Revenue.
