City Commission Agenda Memo  
CRA BOARD MEETING**

**#26-0052**

---

**TO:** CRA Chairman & Board of Commissioners  
Fort Lauderdale Community Redevelopment Agency

**FROM:** Rickelle Williams, CRA Executive Director

**DATE:** February 3, 2026

**TITLE:** Resolution Approving Budget Amendment – Appropriate Unspent Central City Community Redevelopment Area Fiscal Year-End (FY) 2025 Fund Balance – **(Commission Districts 2 and 3)**

---

**Recommendation**

Staff recommends the Community Redevelopment Agency (CRA) Board of Commissioners approve the appropriation of the Central City Community Redevelopment Area fiscal year-end (FY) 2025 estimated fund balance in the amount of \$898,998 to the City of Fort Lauderdale for reallocation back to the Central City Community Redevelopment Area for Fiscal Year (FY) 2026 eligible expenditures.

**Background**

At the end of FY 2025, the Central City Community Redevelopment Area had an estimated year-end balance of \$898,998.

The City of Fort Lauderdale is the sole taxing authority contributing Tax Increment Financing (TIF) to the Central City Community Redevelopment Area. Subsection 163.387(7), Florida Statues provides the following:

On the last day of the fiscal year of the community redevelopment agency, any funds which remain in the trust fund after the payment of expenses shall be:

- (a) Returned to each taxing authority which paid the increment in the proportion that the amount of the payment of such taxing authority bears to the total amount paid into the trust fund by all taxing authorities for that year;
- (b) Used to reduce the amount of any indebtedness to which increment revenues are pledged;
- (c) Deposited into an escrow account for later reducing any indebtedness to which increment revenues are pledged; or
- (d) Appropriated to a specific redevelopment project pursuant to an approved community redevelopment plan. The funds appropriated for such project may

not be changed unless the project is amended, redesigned, or delayed, in which case the funds must be re-appropriated pursuant to the next annual budget adopted by the Board of Commissioners of the Community Redevelopment Agency.

As the City of Fort Lauderdale is the sole taxing authority contributing TIF to the Central City Community Redevelopment Area, the CRA recommends returning the unspent paid increment to the City for reallocation back to the Central City Community Redevelopment Area to be used to further the goals and objectives of the Central City Redevelopment Plan.

The Central City Community Redevelopment Area FY 2025 year-end unspent funds of \$898,998 will be allocated to the following:

- \$150,000 – Deposited to the CRA office buildout project at “The Adderley” located at 501 NW 7 Avenue. The CRA currently leases 6,000 square feet of office space in suites 100 and 200 at 914 NW 6 Street. The monthly rent, inclusive of base rent and common area maintenance (CAM) charges, is \$15,440.75. To maintain operations at the current location until the new buildout is completed, a six (6)-month extension that runs through May 31, 2026, was approved by the CRA Board. To facilitate the move, a capital investment of \$750,000 is being requested. The funding will be provided through contributions of \$600,000 from the Northwest-Progresso-Flagler Heights (NPF) CRA and up to \$150,000 from the Central City CRA. On December 3, 2025, at the Central City Community Redevelopment Area Advisory Board meeting, the buildout budget was presented and recommended for approval for up to \$150,000.
- \$250,000 – Allocated to the Property and Business Improvement Program to provide incentives in the form of forgivable loans. These funds are designed to attract and support businesses that undertake both interior and exterior improvements.
- \$298,998 – Allocated to the Commercial Façade Improvement Program to offer incentives in the form of forgivable loans. These funds are designed to attract and support businesses by funding exterior improvements.
- \$100,000 – Allocated to Central City Community Redevelopment Area services and materials ad/marketing for increased advertising and community outreach engagement for the Central City land use plan amendment project.
- \$100,000 – Allocated to Central City Community Redevelopment Area for the creation of a new position to assist with the implementation of the Central City Redevelopment Plan and related incentive programs.

### **Resource Impact**
