

CITY OF FORT LAUDERDALE
City Commission Agenda Memo

#12-2498

TO: Honorable Mayor & Members
Fort Lauderdale City Commission

FROM: Lee Feldman, City Manager

DATE: December 4, 2012

TITLE: Motion to approve proprietary purchase of decorative street name sign posts and associated parts for the Victoria Park neighborhood (Project 11691) - \$40,189.

Recommendation

It is recommended that the City Commission approve a proprietary purchase of decorative street name sign posts and associated parts for the Victoria Park neighborhood (Project 11691) from Lighting Concepts and Systems, Inc. in the amount of \$40,189.

Background

Decorative street sign posts were previously installed through the Neighborhood Capital Improvement Program (NCIP) in the Victoria Park neighborhood. The decorative street posts and components are not available over the counter and are not inter-changeable; therefore the original equipment manufacturer, Shakespeare Composite Structures, must supply all parts. Lighting Concepts and Systems, Inc. is the exclusive representative and sole distributor for Shakespeare Composite Structures products in the southeast United States.

Resource Impact

There is a fiscal impact to the City in the amount of \$40,189.
