Recommendation

Staff recommends the City Commission consider an ordinance rezoning 25,088 square feet (0.576 acres) of land legally described as Tract 36 of F.A. Barrett's Subdivision, Plat Book 1, Page 46, of the Public Records of Dade County, Florida, from Residential Single Family/Low Medium Density District (RS-8) to Residential Multifamily Low Rise/Medium High-Density District (RML-25) to become effective upon the recording of a restrictive covenant limiting the overall density of the development project to twelve (12) units per net acre.

Background

The applicant, 3303 Community Development, LLC., is requesting to rezone land located at 3303 SW 15th Avenue from RS-8 to RML-25 to permit the development of a proposed townhouse project on the site. The overall subject parcel is 32,268 square feet (0.74 acres) and a rezoning application for the remaining portion of the property is also scheduled on the March 15, 2022, City Commission agenda. The associated Site Plan Level II development application, Case No. UDP-S21044, is currently under review by the Development Review Committee (DRC). A location and zoning map is provided as Exhibit 1. The sketch and legal description of the area proposed to be rezoned is attached as Exhibit 2. The applicant's narrative responses to rezoning criteria are attached as Exhibit 3.

The Planning and Zoning Board (PZB) reviewed the application on October 20, 2021, and recommended approval by a vote of 8-1, subject to a condition accepted by the applicant to limit the overall development parcel to a maximum of 12 residential units, through a restrictive covenant recorded in the official records of Broward County. The PZB meeting minutes are attached as Exhibit 4, the staff report is attached as Exhibit 5, the public

participation meeting summary is attached as Exhibit 6, and the public sign notice affidavit is attached Exhibit 7.

The City Commission shall consider the application and the record and recommendations forwarded by the Department, the Planning and Zoning Board and public comments on the application to determine whether the application meets the criteria for a rezoning.
