WHEREAS, the City Commission of the City of Fort Lauderdale ("CITY") has a compelling interest in improving public and vehicular safety and navigability throughout the CITY's roadways; and

WHEREAS, the residents of Lauderdale Beach Homeowners Association ("HOA") are concerned about pedestrian safety and anticipated cut through traffic from adjacent developments on North Atlantic Boulevard by the beach promenade; and

WHEREAS, North Atlantic Boulevard at NE 23 Street currently functions as a one-way street to southbound vehicular and pedestrian traffic; and

WHEREAS, the CITY received a request from the HOA to hold a Public Hearing to adopt a resolution approving the permanent road closure of approximately 300 feet east of North Ocean Boulevard; and

WHEREAS, the HOA has committed to fund the cost of the installation of the road closure and all costs associated with the maintenance, including the electronic gate; and

WHEREAS, per the City's existing Traffic Engineering Agreement with Broward County, Broward County Traffic Engineering Division ("BCTED") will maintain all signage and pavement markings associated with the closure upon review and approval of the final road closure design; and

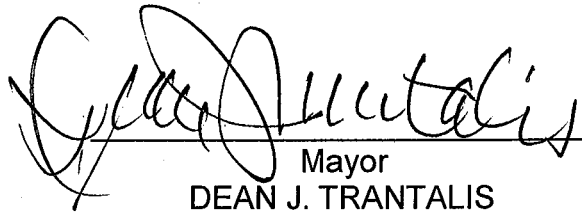

WHEREAS, staff will coordinate with the HOA to design and construct a suitable road closure that will maintain permanent access for pedestrian and bicycle access on North Atlantic Boulevard to NE 23 Street;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:
