Dear Mr. Stilphen,

The National Recreation and Park Association (NRPA) is pleased to inform you that the City of Fort Lauderdale Parks and Recreation Department has been selected to receive a Green Parks – Green Kids grant in the amount of \$7,000 to support programming for environmental education. This grant opportunity is an outgrowth of a partnership between NRPA and the National Recreation Foundation to provide resources at the local level that promotes and enhances environmental education for children ages 6 to 10 years old in park and recreation agencies serving low-income, urban areas.

From the signing date of this MOU till December 31, 2013, the grantee is expected to:

- Submit two progress reports that include the following information:
 - Program details – Specifics on progress and accomplishments of the program.
 - Funding – Updates on how the grant funds are being spent including a budget.
 - Participation – Submit numbers on how many children are participating in the program.
 - Goal – the following goals will be assessed:
 - To expand the Butterflies, Moths, and their Habitat Educational Program to have 200 children ages 6 to 10 years old participate.
- Assist in developing content for NRPA communication channels as requested including success stories from participants.
- Your park and recreation agency will complete the Proragis Lite profile.

Please acknowledge your agreement to the terms above by signing below. Upon receipt of this signed form, a check will be issued for your grant funds.
