

FROM THE AGREEMENT
DATED SEPT. 18 / 2012

**The City of Fort Lauderdale, Florida
Exhibit C
Owner Direct Material/Equipment Purchase Program**

1. The Subcontractor has included Florida State Sales and other applicable taxes in his bid for material, supplies and equipment. The Owner, being exempt from sales tax, reserves the right to make direct purchases of various construction equipment, materials or supplies included in the Subcontractor's bid and/or contract, substantially in accordance with the form of Purchase Order attached herewith.

Any equipment, materials or supplies directly purchased by the Owner that are included in the Subcontractor's contract shall be referred to as Owner-Purchased Materials and the responsibilities of both Owner and Subcontractor relating to such Owner-Purchased Materials shall be governed by the terms and conditions of the procedures. The Owner will own and hold full title to all Owner-Purchased Materials.

2. Material suppliers shall be selected by the Subcontractor awarded the subcontract.

The Subcontractor has included the price for all construction materials in his bid. Owner purchasing of construction materials, if selected, will be administered on a deductive Change Order basis.

3. Subcontractor shall provide Developer a list of all intended suppliers, vendors, and material men for consideration as Owner-Purchased Materials. This list shall be submitted at the same time as the preliminary schedule of values. The Subcontractor shall submit a description of the materials to be supplied, estimated quantities and prices.
4. Upon request from Developer, and in a timely manner, Subcontractor shall prepare a standard Purchase Order Requisition Form in a form acceptable to the Owner and the Developer, to specifically identify the materials which Owner had, at its sole option, elected to purchase directly. The Purchase Order Requisition Form shall include:
 - A. The name, address, telephone number and contact person for the material supplier.
 - B. Manufacturer or brand, model or specification number of the item.
 - C. Quantity needed as estimated by the Subcontractor.

- D. The price quoted by the supplier for the materials identified therein.
- E. Any sales tax associated, with such quote.
- F. Delivery dates as established by Subcontractor.

Subcontractor shall include reference to any terms and conditions which have been negotiated with the vendors; i.e., payment terms, warranties, retainage, etc.

Such Purchase Order Requisition Forms are to be submitted to Developer's designated representative no less than fifteen (15) days prior to the need for ordering such Owner-Purchased Materials, in order to provide sufficient time for Owner review and approval and to assure that, such Directly Purchased Materials may be directly purchased by Owner and delivered to the Project site so as to avoid any delay to the Project.

5. After receipt of the Purchase Order Requisition Form, Owner shall prepare its Purchase Orders for equipment, materials or supplies which the Owner chooses to purchase directly. Pursuant to the Purchase Order, the vendor will provide the required quantities of material at the price established in the vendor's quote to the Subcontractor, less any sales tax associated with such price. Promptly upon receipt of each Purchase Order, Subcontractor shall verify the terms and conditions of the Purchase Order prior to its issuance to supplier and in a manner to assure proper and timely delivery of items. Owners Procurement Manager or his designated representative shall be the approving authority for the Owner on Purchase Orders in conjunction with Owner-Purchased Materials. The Purchase Order shall require that the supplier provide the required shipping and handling insurance. The Purchase Order shall also require the delivery of the Owner-Purchased Materials on the delivery dates provided by the Subcontractor in the Purchase Order Requisition Form and shall indicate F.O.B. jobsite.
6. In conjunction with the execution of the Purchase Orders by the suppliers, the Subcontractor shall execute and deliver to the Owner, through the Developer, one or more deductive Change Orders, referencing the full value of all Owner-Purchased Materials to be provided by each supplier from whom the Owner elected to purchase material directly, plus all sales tax savings associated with such materials in Subcontractor's bid to Developer.
7. All shop drawings and submittals shall be made by the Subcontractor in accordance with the Project Specifications.

8. Subcontractor shall be fully responsible for all matters relating to the receipt of materials furnished by Owner in accordance with these Procedures, including, but not limited to, verifying correct quantities, verifying documentation of orders in a timely manner, coordinating purchases, providing and obtaining all warranties and guarantees required by the Contract Documents, inspection and acceptance of the goods at the time of delivery, and loss, or damage to equipment and materials following acceptance of items by the Owner due to the negligence of the Subcontractor. The Subcontractor shall coordinate delivery schedules, sequence of delivery, loading orientation, and other arrangements normally required by the Subcontractor for the particular materials furnished. The Subcontractor agrees to indemnify and hold harmless the Owner and Developer from any and all claims of whatever nature resulting from non-payment of goods to suppliers arising from the actions or directions of Subcontractor. Owner purchased materials shall be stored at the construction site.
9. As Owner-Purchased Materials are delivered to the Project Site, the Subcontractor and the Developer, as City's Representative, shall visually inspect all shipments from the suppliers, and approve the vendor's invoice of material delivered. The Subcontractor shall assure that each delivery of Owner-Purchased materials is accompanied by adequate to identify the Purchase Order against which the purchase is made. This documentation may consist of a delivery ticket and an invoice from the supplier conforming to the Purchase Order, together with such additional information as the Owner or Developer may require. The Developer, as Owner's Representative, shall verify in writing to the Owner the accuracy of the delivery ticket. The Subcontractor will then forward the invoice to the Owner through the Developer for payment. The invoice shall be thereupon furnished to the Finance Department for processing and payment in the manner as all other City of Fort Lauderdale invoices are processed. The Owner shall have the right to assign personnel to verify and audit the accuracy of all Director Purchase Documents.
10. The Subcontractor shall insure that Owner-Purchased Materials conform to the Specifications, and determine prior to incorporation into the Work if such materials are patently defective, and whether such materials are identical to the material ordered and match the description on the bill of lading. If the Subcontractor discovers defective or non-conformities in the Owner-Purchased Material upon such visual inspection, the Subcontractor shall not utilize such non-conforming or defective materials in the Work and instead shall promptly notify the vendor of the defective or non-conforming condition in order to pursue repair or replacement of those materials without any undue delay or interruption to the Project. Additionally, the Subcontractor shall notify the Owner, through the

Developer, of such occurrence. If the Subcontractor fails to perform such inspection and otherwise incorporated Owner-Purchased Materials, the condition of which it either knew or should have known by performance of an inspection, Subcontractor shall be responsible for all damages to Owner and/or Developer resulting from Subcontractor's incorporation of such materials into the Project, including liquidated or delay damages. In the event that materials furnished are found to be defective or non-conforming, the Subcontractor shall promptly take action to remedy the defect or non-conformance so as not to delay the work.

11. The Subcontractor shall maintain records of all Owner-Purchased Materials it incorporates into the work from the stock of Owner-Purchased Materials in its possession. The Subcontractor shall account monthly to the Owner, through the Developer, for any Owner-Purchased Materials delivered into the Subcontractor's possession, including portions of all such materials which have been incorporated into the work.
12. The Subcontractor, as the Owner's agent, shall be responsible for obtaining and managing all warranties and guarantees for all material and products as required by the Contract Documents. All repair, maintenance or damage-repair calls shall be forwarded to the Subcontractor for resolution with the appropriate supplier or vendor.
13. Notwithstanding the transfer of Owner-Purchased Materials by the Owner to the Subcontractor's possession, the Owner shall retain title and assume risk to any and all Owner-Purchased Materials.
14. The transfer of possession of Owner-Purchased Materials from the Owner to the Subcontractor shall constitute a bailment for the mutual benefit of the Owner and the Subcontractor. The Owner shall be considered the bailor and the Subcontractor the bailee of the Owner-Purchased Materials. Owner-Purchased Materials shall be considered returned to the Owner for the purposes of its bailment at such time as they are incorporated into the Project or consumed in the process of completing the Project. All Owner-Purchased Materials shall be stored at the construction site.
15. The Owner shall in no way be liable for interruption or delay in the Project, for any defects or other problems with the Project, or for any extra costs or time resulting from delay in the delivery of, or defects in, Owner-Purchased Materials when such delay is a result of the failure of the Subcontractor's performance.
16. On a monthly basis, Subcontractor shall be required to review invoices submitted by all suppliers of Owner-Purchased Materials delivered to the Project site during that month and either concur or object to the Owner's

issuance of payment to the suppliers, based upon Subcontractor's records of material delivered to the site and any defects in such materials.

17. In order to arrange for the prompt payment to the supplier, the Subcontractor shall provide to the Owner, through the Developer, a list indicating the acceptance of the goods or materials in accordance with the established monthly Payment Request Schedule. The list shall include a copy of the applicable Purchase Order, invoices, delivery tickets, written acceptance of the delivered items, and such other documentation as may be reasonably required by the Owner. Upon receipt and verification of the appropriate documentation, the Owner shall prepare a check drawn to the supplier based upon the receipt of data provided. This check will be released, delivered, and remitted directly to the supplier. The Subcontractor agrees to assist the Owner and Developer to immediately obtain a partial or final release of lien waiver as appropriate.
18. Salvage materials shall be the property of the Owner and stored or removed from the site by the Subcontractor at the Owner's direction.
19. The Owner's direct purchase of equipment, materials or supplies, as provided herein does not relieve the Developer or any Subcontractor of any obligation required pursuant to the contract or subcontract pertaining to the performance of work, except as to the Owner's obligation to make direct payments to such vendors and may reduce the bonds to the extent permitted by Section 255.05, Florida Statutes.
20. All obligations and duties imposed on the Developer contained in the Agreement are incorporated herein by reference.
