**Recommendation**

It is recommended that the City Commission approve two-year contracts, in substantially the forms attached, with GPE Engineering & General Contractor Corp. (GPE) and Lanzo Trenchless Technologies, Inc. - South (Lanzo) for the stormwater lining, closed-circuit television (CCTV) inspection, and trenchless technologies project in the estimated aggregate amount of \$1,000,000 subject to further appropriations based on City needs; and authorize the City Manager to approve two, one-year renewal options, contingent upon the annual appropriation of funds.
