Dear Ms. Alarcon,

BCT staff recently completed their review for the additional funding you requested in December 2014. Your request was for expansion of the Convention Connection (aka Beach Link) Route to include Tuesday service and the Neighborhood Link Route to include 4.67 additional daily service hours. Based on our review, and more importantly available funds, we are pleased to advise you that we can fund the Neighborhood Link Route with a total annual proposed award of \$17,792.70. We will, however, be asking for additional monies to fund the Convention Connection (aka Beach Link) Route Tuesday service as part of our annual budget process.

We appreciate your continued interest in expanding transit services and are proud to be partners with the City of Fort Lauderdale in providing these services. Please confirm your acceptance of the proposed funds by contacting Irv Minney at IMinney@broward.org or 954.357.7713.

Aside from the service requests mentioned above, should you have a desire to increase service levels in the future, and additional funding becomes available, we will notify you and advise of the application process and procedures to compete for these funds.

If you have any questions, please feel free to contact either Irv Minney or myself.

Regards,
