

Lake Ridge Traffic Calming Safety Improvements

Draft 10.03.18

-  Existing Bike Route
-  Proposed Sidewalk
-  Proposed Bike Lanes
-  Proposed Median
-  Access Management Needed
-  Proposed Traffic Circle
-  Proposed Raised Intersection
-  Traffic Calming Needed
-  Install New Crosswalk

PROJECT DESCRIPTION

The Lake Ridge Traffic Calming Safety Improvements is a complete streets project to improve mobility for all users including vehicles, pedestrians, and bicyclists. The project includes improvements to NE 15th Avenue from Sunrise Blvd. to NE 13th Street to continue the cross-section on NE 15th Avenue that exists north of NE 13th Street south to Sunrise Boulevard, as well as improvements along NE 11th Street and NE 17th Avenue. This project was initially identified within the Lake Ridge Mobility Master Plan.

The project will include:

- Installation of bicycle lanes on NE 15th Ave. that will connect to the existing bicycle route on NE 11th St. and bike lanes on NE 15th Ave. to the north of NE 13th St.
- Installation of a median on NE 15th Ave.
- Installation of a traffic circle at NE 11th St. to improve safety at this intersection
- Installation of a raised intersection at NE 12th St. to improve safety at this intersection
- Installation of a traffic separator between Sunrise Blvd. and NE 11th St. to create safer movement of vehicles entering and existing from the Publix and Walgreens properties
- Installation of sidewalks to provide connectivity to existing sidewalks in the neighborhood
 - South side of NE 11th St. from NE 7th Ave to NE 18th Ave. where missing
 - North side of NE 11th St. from NE 15th Ave to NE 16th Terr.
 - East side of NE 17th Ave. from NE 11th St. to NE 13th St.
- Installation of crosswalks at NE 12th St. and NE 17th Ave. and NE 11th St and Flagler Drive to improve pedestrian safety
- Traffic calming on various streets throughout the neighborhood
