TITLE: Resolution Setting the FY 2016 Non-Ad Valorem Assessment Rate,
Proposed Budget and Public Hearing Date for the Beach Business
Improvement District (BID)

Recommendation

It is recommended that the City Commission establish the non-Ad Valorem assessment rate and proposed budget for the Beach Business Improvement District and establish the date of September 8, 2015 at 6:00 PM to hold a public hearing to consider public comments.

Background

The City of Fort Lauderdale authorized the creation of the Beach Business Improvement District to establish funding to support services, facilities, and/or programs providing a special benefit to business properties and areas within the beach business boundaries on October 3, 2006 (C-06-34). Annually, the City establishes an assessment rate, sets forth a brief description of the services to be provided, and determines the costs for the upcoming year. The FY 2016 Beach Business Improvement District budget includes a non-ad valorem assessment rate at \$.8525 per \$1,000 of assessed property value to generate an estimated \$779,582 in revenue. The total assessed valuation of the properties within the district is \$962,595,700.

The City Manager is required per state statute to certify the non-ad valorem assessment rate to the Broward County Tax Collector no later than September 15, 2015.
