

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#13-0808

TO: Honorable Mayor & Members
Fort Lauderdale City Commission

FROM: Lee Feldman, ICMA-CM, City Manager

DATE: June 18, 2013

TITLE: Motion to approve Work Order No. 4 with GPE Engineering & General Contractor Corp. under the annual storm drainage contract for a drainage improvement project at Holiday Park, Jimmy Evert Tennis Center - \$79,699.01

Recommendation

It is recommended that the City Commission approve Work Order No. 4 with GPE Engineering & General Contractor Corp. for the Jimmy Evert Tennis Center drainage improvement project in the amount of \$79,699.01 (\$73,795.38 plus \$5,903.63 (8%) for construction service fees).

Background

On January 8th, 2013, the City Commission awarded an annual contract for construction of various storm drainage projects throughout the City. Projects include the restoration, testing and installation of storm pipelines, storm basins and manholes, exfiltration trenches, storm drainage wells and other storm water drainage components.

This Work Order No. 4 is for the installation of new storm inlets, pipe, concrete curbing and exfiltration trenches within the Holiday Park Jimmy Evert Tennis Center, and it encompass work items defined in the annual storm contract. GPE proposal (see Exhibit 1) is based on unit prices cost negotiated in the annual contract.

Parks and Recreation Department funds this Work Order No. 4 under project number 11743. Park's project-funding source is PKR062901-3434 with an available funding amount of \$100,000.

Resource Impact

There is an estimated fiscal impact to the City in the amount of \$79,699.01 appropriated in PKR062901-3434 fund from Parks and Recreation Department.
