******* NOTICE TO PROPERTY OWNER *******

Dear Property Owner:

In June 2013, an assessment program was created by the City of Fort Lauderdale (City) to fund a portion of the costs to build the downtown streetcar system called the Wave Streetcar within portions of the downtown area of the City. The cost of the Wave Streetcar improvements is being funded by assessments against the benefitted property within the City.

The annual assessment is based on the classification of each parcel of property and number of billing units contained therein. You are receiving this notice because your property (1) is newly created, (2) has changed classification or (3) has new improvements constructed on it within the past year.

A more specific description of the improvements and the method of computing the assessment for each parcel of property are set forth in the Initial Assessment Resolution adopted by the City on June 4, 2013. Copies of the Initial Assessment Resolution and the preliminary Assessment Roll are available for your review at the City Clerk's Office. The City Clerk's Office is located on the 7th floor of City Hall, 100 N. Andrews Avenue, Fort Lauderdale, FL 33301.

The assessment project is being financed by the City; this will permit the costs attributable to your property to be amortized over a period of not-to-exceed twenty-five (25) years. The annual assessment includes your share of the principal, interest, collection cost, and the amount Florida law requires the City to discount receipts for its annual budget. Annual assessments will be payable for a period not-to-exceed twenty-five (25) years. Information regarding the assessment for your specific property is provided below.

The above parcel is classified as: Land.

The type and number of billing units on the above parcel is 5,750 Land Square Feet.

The Annual Assessment for Fiscal Year 2014-15 and for future fiscal years for the above parcel is: \$172.50.

The City intends to include the annual assessment on your ad valorem tax bill to be mailed to you in November 2014. Failure to pay your assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The City will collect approximately \$1.85 million annually in assessments, inclusive of all administrative and statutory discounts, for this project.

The City will hold a public hearing at 6:00 p.m., or as soon thereafter as the matter can be heard, on September 10, 2014, at the 1st Floor City Commission Chambers, City Hall, 100 N. Andrews Avenue, Fort Lauderdale, Florida, for the purpose of receiving comments on the assessments, including collection on the ad valorem tax bill. You are invited to attend and participate in the public hearing or to file written objections with the City prior to or during the hearing. If you decide to appeal any decision made by the City with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. If you are a person with a disability who needs any accommodation or an interpreter to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the City Clerk's Office at (954) 828-5002 at least two days prior to the date of the hearing.

If you have any questions, please call the City of Fort Lauderdale Parking Services at (954) 828-3700, Monday through Friday between 8:00 a.m. and 4:00 p.m.
