

**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#13-0487**

**TO:** Honorable Mayor & Members of the Fort Lauderdale City Commission

**FROM:** Lee Feldman, ICMA-CM, City Manager

**DATE:** May 7, 2013

**TITLE:** Motion to approve the purchase of an asphalt trenching machine, Invitation to Bid (ITB) 432-11142 - \$127,490

**Recommendation**

It is recommended that the City Commission approve the purchase of an asphalt trenching machine from the lowest cost, responsive and responsible bidder, Asphalt Zipper, Inc., in the amount of \$127,490.

**Background**

Unit V5068 is a 2002 Asphalt Zipper and is used to grind and reclaim asphalt from maintained roadways and parking lots throughout the City of Fort Lauderdale. Unit V5068 was scheduled to be replaced in July 2008 but has been retained for 4 years and 8 months past its recommended lifecycle.

The Procurement Services Division requested bids from 465 vendors and received two responses. Asphalt Zipper, Inc. was the single responsive and responsible bidder in the amount of \$127,490. The Deputy Director of Finance has determined that Kelly Tractor Company was non-responsive because they did not include the required transport/storage trailer as required in section 23 of the bid specifications.

**Resource Impact**

There will be a fiscal impact to the City in the amount of \$127,490.
