 Fort Lauderdale, Florida 33301

**Re: City of Fort Lauderdale General Employees Retirement System
 Thirteenth Check Analyses**

Dear Nick:

As requested, Gabriel, Roeder, Smith & Company (GRS) has prepared additional analyses for the City of Fort Lauderdale General Employees Retirement System (Plan). The enclosed calculations supplement the studies dated January 4, 2019. The enclosed listing presents a summary of the annual benefit amounts payable as a one-time distribution (“13th check”) that results in the same increase in liability of as a flat one-time 2.5%, 2.0%, and 1.5% COLA studied previously. The increase in liability associated with a flat one-time 2.5%, 2.0% and 1.5% COLA is \$10.3 million, \$8.2 million and \$6.2 million, respectively, as shown in our prior study dated June 13, 2018. Below are three alternatives that would result in approximately the same liability increase:

Liability Increase Equivalent to 2.5% COLA (\$10.3 million)		Liability Increase Equivalent to 2.0% COLA (\$8.2 million)		Liability Increase Equivalent to 1.5% COLA (\$6.2 million)	
Years Retired	13th Check	Years Retired	13th Check	Years Retired	13th Check
0 to 4	\$ 4,300	0 to 4	\$ 3,450	0 to 4	\$ 2,600
5 to 9	5,800	5 to 9	4,650	5 to 9	3,500
10 to 14	7,300	10 to 14	5,850	10 to 14	4,400
15 to 19	8,800	15 to 19	7,050	15 to 19	5,300
20+	10,300	20+	8,250	20+	6,200

The listing shows the annual benefit amounts currently in effect, the amounts are allocated equally to all members in pay status as of October 1, 2017, and the amounts payable to as members in pay status as of October 1, 2017 based on a tiered structure shown in the above tables.

Please note that the above tables demonstrate one of numerous ways the 13th check could be allocated. This is not intended to be a recommendation of how the 13th check should be allocated. Other options may include allocation in proportion to the benefit amounts currently paid to members or some combination of approaches mentioned above. If you would like us to prepare alternatives to the tables above, please let us know.

The enclosed calculations are based on census data as of October 1, 2017 and assume the 13th check is payable to all members in pay status (including disabled retirees and beneficiaries of deceased retirees) as of October 1, 2017.

As discussed, the proposed 13th check would be paid in full when adopted and would not affect the Plan's funded status or future Actuarially Determined Contributions.

Disclosures and Qualifications

This report was prepared at the request of the Plan's Board of Trustees and is intended for use by those designated or approved by the Board. This report may be provided to parties other than the Board only in its entirety and only with the Board's permission.

The purpose of this report is to show the amounts payable to members in pay status (allocated equally and if allocated based on a tiered structure) that result in an increase in liability of as a flat one-time 2.5%, 2.0%, and 1.5% COLA. The enclosed report is not intended to be a recommendation in favor of the proposed changes or in opposition to the proposed changes. This report should not be relied on for any purpose other than the purpose described above. GRS is not responsible for unauthorized use of this report.

The calculations in this report are based upon information furnished by the Plan Administrator and the City for the September 30, 2017 Actuarial Valuation Report concerning Plan benefits, financial transactions, plan provisions and active members, terminated members, retirees and beneficiaries. We reviewed this information for internal and year-to-year consistency, but did not audit the data. We are not responsible for the accuracy or completeness of the information provided by the Plan Administrator and the City.

This report has been prepared by actuaries who have substantial experience valuing public employee retirement systems. To the best of our knowledge the information contained in this report is accurate and fairly presents the actuarial position of the Plan as of the valuation date. All calculations have been made in conformity with generally accepted actuarial principles and practices, and with the Actuarial Standards of Practice issued by the Actuarial Standards Board and with applicable statutes.

Melissa R. Moskovitz and Piotr Krekora are members of the American Academy of Actuaries (MAAA) and meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinions contained herein. The undersigned actuaries are independent of the plan sponsor.

We welcome your questions and comments.

Sincerely yours,

Melissa R. Moskovitz, EA, MAAA, FCA
Consultant and Actuary

Piotr Krekora, ASA, EA, MAAA, FCA
Consultant and Actuary

This communication shall not be construed to provide tax advice, legal advice or investment advice.
