Providing proof of and maintaining adequate insurance coverage are material obligations of Applicant. Applicant shall provide the City a certificate of insurance evidencing such coverage. Applicant's insurance coverage shall be primary insurance for all applicable policies, in respect to the City's interests for this Agreement. The limits of coverage under each policy maintained by Applicant shall not be interpreted as limiting Applicant's liability and obligations under this Agreement. All insurance policies shall be

through insurers authorized or eligible to write policies in the State of Florida and possess an A.M. Best rating of A-, VII or better, subject to approval by the City's Risk Manager.

The coverages, limits, and/or endorsements required herein protect the interests of the City, and these coverages, limits, and/or endorsements shall in no way be relied upon by Applicant for assessing the extent or determining appropriate types and limits of coverage to protect Applicant against any loss exposures, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the City's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by Applicant under this Agreement.

The following insurance policies and coverages are required:

Commercial General Liability

Coverage must be afforded under a Commercial General Liability policy with limits not less than:

- \$1,000,000 each occurrence and \$2,000,000 aggregate for Bodily Injury, Property Damage, and Personal and Advertising Injury

The coverage shall contain no special limitation on the scope of protection afforded to the City, its officials, employees, and volunteers.

Liquor Liability

Applicant shall provide evidence of coverage for liquor liability in an amount not less than \$1,000,000 per occurrence. If the Commercial General Liability policy covers liquor liability (e.g. host or other coverage), Applicant shall provide written documentation to confirm that coverage already applies to this Agreement.

Insurance Certificate Requirements

- b. Applicant shall provide to the City a Certificate of Insurance having a thirty (30) day notice of cancellation; ten (10) days' notice if cancellation is for nonpayment of premium.
- c. In the event that the insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of Applicant to provide the proper notice.

Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.

- d. In the event the Agreement term or any surviving obligation of Applicant following expiration or early termination of the Agreement goes beyond the expiration date of the insurance policy, Applicant shall provide the City with an updated Certificate of Insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The City reserves the right to suspend the Agreement until this requirement is met.
- e. The Certificate of Insurance shall indicate whether coverage is provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.
- f. The City shall be included as an Additional Insured on all liability policies.
- g. The title of the Agreement, Bid/Contract number, event dates, or other identifying reference must be listed on the Certificate of Insurance.

The Certificate Holder should read as follows:

City of Fort Lauderdale
c/o Parks and Recreation Department, Special Events
401 SE 21st Street
Fort Lauderdale, FL 33316

Applicant has the sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the application of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. Any costs for including the City as an Additional Insured shall be at Applicant's expense.

If Applicant's primary insurance policy/policies do not meet the minimum requirements as set forth in this Agreement, Applicant may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.

Applicant's insurance coverage shall be primary insurance in respect to the City's interests for this Agreement, its officials, employees, and volunteers. Any insurance or self-insurance maintained by the City shall be non-contributory.

Any exclusion or provision in any insurance policy maintained by Applicant that excludes coverage required in this Agreement shall be deemed unacceptable and shall be considered breach of contract.

All required insurance policies must be maintained until the Agreement work has been accepted by the City, or until this Agreement is terminated, whichever is later. Any lapse in coverage may be considered breach of contract. In addition, Applicant must provide to the City confirmation of coverage renewal via an updated certificate of insurance should

any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Applicant's insurance policies.

Applicant shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to Applicant's insurance company or companies and the City's Risk Management office as soon as practical.

It is Applicant's responsibility to ensure that any and all of Applicant's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of Applicant. The City reserves the right to adjust insurance limits from time to time at its discretion with notice to Applicant.

6. Restoration of public property.

If the Event includes use of public property, the Applicant shall be responsible for, and shall maintain, all areas of the public property used. Public property means real and personal property that is not privately owned and includes, but is not limited to, any sidewalk or paved surface, any tree, plant, shrub, bench, light fixture, traffic signal, parking meter, trash barrel or sign.

The City shall inspect the Event site location(s) for damage within twenty-four hours of the conclusion of the Event and the City shall provide the Applicant with a written report of any damage found on public property. The report shall state the cost of repair(s) necessary to restore the public property. Within fourteen days of the Applicant's receipt of this report the Applicant shall pay the cost of repair or challenge the City's report by a writing addressed to the City Manager or his/her designee. Resolution of any such challenge shall be made by the City Manager; the Applicant agrees to abide by the City Manager's decision.

7. Reimbursement of expenses.

Should the City incur expenses as a result of the Event, the City shall provide the Applicant with an invoice of expenses. Within fourteen days (14) of the Applicant's receipt of any invoice, the Applicant shall pay the invoice or challenge the City's invoice by a writing addressed to the City Manager or his/her designee.
