**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#25-0769

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Rickelle Williams, City Manager

DATE: September 3, 2025

TITLE: Motion Authorizing the Acceptance of EMS Matching Grant Funds from the
Florida Department of Health EMS Matching Grant - \$17,396.27 -
(Commission Districts 1, 2, 3 and 4)

Recommendation

Staff recommends the City Commission authorize the acceptance of grant funds from the Florida Department of Health's Emergency Medical Services (EMS) Matching Grant Program in the amount of \$17,396.27 and authorize the City Manager to execute all necessary documents to facilitate the acceptance of these funds.

Background

The EMS Matching Grant Program provides essential financial support for EMS agencies undertaking projects that advance emergency medical capabilities. With these funds, the City, via the Fort Lauderdale Fire Rescue Department, will acquire equipment such as blood refrigeration units, warmers, intravenous (IV) infusion tools, and transport containers.

Whole blood contains red cells, white cells, and platelets, suspended in plasma. In emergency situations, whole blood transfusions can be delivered in the prehospital setting through Fire Rescue personnel. Collectively, through the grant, these resources will allow Fire Rescue crews to begin administering whole blood in the field—a significant advancement in trauma care that has been shown to increase survival rates for patients experiencing severe blood loss.

Resource Impact

This action will result in a positive impact to the City for \$13,047.20 and a local cash match in the amount of \$4,349.07. This item is contingent upon approval of the Consolidated Budget Amendment (CAM #25-0565) included on the September 3, 2025, City Commission Regular Meeting agenda.

INSTRUCTIONS FOR ELECTRONIC SUBMISSION OF SINGLE AUDIT REPORTS

Part I: Submission to FDOH

Single Audit reporting packages ("SARP") must be submitted to the Department in an electronic format. This change will eliminate the need to submit multiple copies of the reporting package to the Contract Managers and various sections within the Department and will result in efficiencies and cost savings to recipient and the Department. Upon receipt, the SARP's will be posted to a secure server and accessible to Department staff.

The electronic copy of the SARP should:

- Be in a Portable Document Format (PDF).
- Include the appropriate letterhead and signatures in the reports and management letters.

Be a single document. However, if the financial audit is issued separately from the Single Audit reports, the financial audit reporting package may be submitted as a single document and the Single Audit reports may be submitted electronically as a single document to the FDOH SAC website address: fdohsac.azurewebsites.net

- Be an exact copy of the final, signed SARP provided by the Independent Audit firm.
- Not have security settings applied to the electronic file.
- Be named using the following convention under the CPA's issued license number: [fiscal year] [name of the audited entity exactly as stated within the audit report].pdf. For example, if the SARP is for the 2016-17 fiscal year for the City of Gainesville, the document should be entitled 2016 City of Gainesville.pdf.
- Be accompanied by the attached "Single Audit Data Collection Form." This document is necessary to ensure that communications related to SARP issues are directed to the appropriate individual(s) and that compliance with Single Audit requirements is properly captured.

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#25-0769

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Rickelle Williams, City Manager

DATE: September 3, 2025

TITLE: Motion Authorizing the Acceptance of EMS Matching Grant Funds from the
Florida Department of Health EMS Matching Grant - \$17,396.27 -
(Commission Districts 1, 2, 3 and 4)

Recommendation

Staff recommends the City Commission authorize the acceptance of grant funds from the Florida Department of Health's Emergency Medical Services (EMS) Matching Grant Program in the amount of \$17,396.27 and authorize the City Manager to execute all necessary documents to facilitate the acceptance of these funds.

Background

The EMS Matching Grant Program provides essential financial support for EMS agencies undertaking projects that advance emergency medical capabilities. With these funds, the City, via the Fort Lauderdale Fire Rescue Department, will acquire equipment such as blood refrigeration units, warmers, intravenous (IV) infusion tools, and transport containers.

Whole blood contains red cells, white cells, and platelets, suspended in plasma. In emergency situations, whole blood transfusions can be delivered in the prehospital setting through Fire Rescue personnel. Collectively, through the grant, these resources will allow Fire Rescue crews to begin administering whole blood in the field—a significant advancement in trauma care that has been shown to increase survival rates for patients experiencing severe blood loss.

Resource Impact

This action will result in a positive impact to the City for \$13,047.20 and a local cash match in the amount of \$4,349.07. This item is contingent upon approval of the Consolidated Budget Amendment (CAM #25-0565) included on the September 3, 2025, City Commission Regular Meeting agenda.

Compliance findings related to contracts with the Department of Health shall be based on the contract's requirements, including any applicable rules, regulations, or statutes. The financial statements shall disclose whether the matching requirement was met for each applicable contract. All questioned costs and liabilities due to the Department of Health shall be fully disclosed in the audit report with reference to the Department of Health contract involved. Non-profit or for-profit organizations are required to be submitted within 45 days after delivery of the audit report, but no later than 9 months after recipient's fiscal year end. **CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#25-0769

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Rickelle Williams, City Manager

DATE: September 3, 2025

TITLE: Motion Authorizing the Acceptance of EMS Matching Grant Funds from the
Florida Department of Health EMS Matching Grant - \$17,396.27 -
(Commission Districts 1, 2, 3 and 4)

Recommendation

Staff recommends the City Commission authorize the acceptance of grant funds from the Florida Department of Health's Emergency Medical Services (EMS) Matching Grant Program in the amount of \$17,396.27 and authorize the City Manager to execute all necessary documents to facilitate the acceptance of these funds.

Background

The EMS Matching Grant Program provides essential financial support for EMS agencies undertaking projects that advance emergency medical capabilities. With these funds, the City, via the Fort Lauderdale Fire Rescue Department, will acquire equipment such as blood refrigeration units, warmers, intravenous (IV) infusion tools, and transport containers.

Whole blood contains red cells, white cells, and platelets, suspended in plasma. In emergency situations, whole blood transfusions can be delivered in the prehospital setting through Fire Rescue personnel. Collectively, through the grant, these resources will allow Fire Rescue crews to begin administering whole blood in the field—a significant advancement in trauma care that has been shown to increase survival rates for patients experiencing severe blood loss.

Resource Impact

This action will result in a positive impact to the City for \$13,047.20 and a local cash match in the amount of \$4,349.07. This item is contingent upon approval of the Consolidated Budget Amendment (CAM #25-0565) included on the September 3, 2025, City Commission Regular Meeting agenda.

In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Health. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, Recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§ 200.508-.512.
3. In the event that a recipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than state funds).

Background

The EMS Matching Grant Program provides essential financial support for EMS agencies undertaking projects that advance emergency medical capabilities. With these funds, the City, via the Fort Lauderdale Fire Rescue Department, will acquire equipment such as blood refrigeration units, warmers, intravenous (IV) infusion tools, and transport containers.

Whole blood contains red cells, white cells, and platelets, suspended in plasma. In emergency situations, whole blood transfusions can be delivered in the prehospital setting through Fire Rescue personnel. Collectively, through the grant, these resources will allow Fire Rescue crews to begin administering whole blood in the field—a significant advancement in trauma care that has been shown to increase survival rates for patients experiencing severe blood loss.

Resource Impact

This action will result in a positive impact to the City for \$13,047.20 and a local cash match in the amount of \$4,349.07. This item is contingent upon approval of the Consolidated Budget Amendment (CAM #25-0565) included on the September 3, 2025, City Commission Regular Meeting agenda.

PART I: FEDERALLY FUNDED

This part is applicable if Recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. If a recipient expends \$1,000,000 or more in Federal awards during its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. **EXHIBIT 1** to this form lists the federal resources awarded through the Department of Health by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Health. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. INSTRUCTIONS FOR ELECTRONIC SUBMISSION OF SINGLE AUDIT REPORTS

Part I: Submission to FDOH

Single Audit reporting packages ("SARP") must be submitted to the Department in an electronic format. This change will eliminate the need to submit multiple copies of the reporting package to the Contract Managers and various sections within the Department and will result in efficiencies and cost savings to recipient and the Department. Upon receipt, the SARP's will be posted to a secure server and accessible to Department staff.

The electronic copy of the SARP should:

- Be in a Portable Document Format (PDF).
- Include the appropriate letterhead and signatures in the reports and management letters.

Be a single document. However, if the financial audit is issued separately from the Single Audit reports, the financial audit reporting package may be submitted as a single document and the Single Audit reports may be submitted electronically as a single document to the FDOH SAC website address: fdohsac.azurewebsites.net
- Be an exact copy of the final, signed SARP provided by the Independent Audit firm.
- Not have security settings applied to the electronic file.
- Be named using the following convention under the CPA's issued license number: [fiscal year] [name of the audited entity exactly as stated within the audit report].pdf. For example, if the SARP is for the 2016-17 fiscal year for the City of Gainesville, the document should be entitled 2016 City of Gainesville.pdf.
- Be accompanied by the attached "Single Audit Data Collection Form." This document is necessary to ensure that communications related to SARP issues are directed to the appropriate individual(s) and that compliance with Single Audit requirements is properly captured.

Questions regarding electronic submissions may be submitted via e-mail to SingleAudits@flhealth.gov or by telephone to the Single Audit Review Section at (850) 245-4520.
