REGULAR MEETING**

#17-0114

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: June 6, 2017

TITLE: Resolution Approving the Consolidated Budget Amendment to Fiscal Year
2017 – Appropriation

Recommendation

It is recommended that the City Commission adopt a resolution amending the Fiscal Year 2017 Budget and Community Investment Plan (CIP).

Background

Examples of recommended actions within the budget amendment are:

- transfer between funds;
- transfer between capital and operating budgets;
- transfer between capital projects;
- acceptance and appropriation of grant funding;
- amendment to staffing level;
- appropriation from fund balance; and
- appropriation for modified revenue and related expenditures.

Staff is recommending that the City Commission amend the FY 2017 Operating Budget and Community Investment Plan by approving the following transfers and appropriations:

Fire-Rescue

A. Appropriation of Grant Funds - Grant Fund – Emergency Medical Services (EMS) County Grant Program – \$14,282

The State of Florida, Department of Health, Bureau of Emergency Medical Services through Broward County Office of Medical Examiner & Trauma Services has sub-granted the FY 2017 Broward County Emergency Medical Services (EMS) Grant Program to the City of Fort Lauderdale to provide funds to address EMS equipment, training and other needs.

Staff recommends that the City Commission amend the FY 2017 Budget in the amount of \$14,282 for the EMS county grant program.

Community Redevelopment Agency (CRA)

B. Transfer Between Funds – CRA Fund, CRA Business Incentives Fund – Land Acquisition – \$190,000

In order for the CRA to purchase property from the City, the funding needs to move to the proper CRA Incentive Account.

Staff recommends that the City Commission amend the FY 2017 Budget in the amount of \$190,000 to transfer funds appropriated for business incentives for land acquisition. There is an associated CAM #17-0444.

Parks and Recreation

C. Transfer Between Capital Projects – General Capital Fund – Playground Replacement Projects - \$232,567

As part of the FY 2017 Community Investment Plan, funding was appropriated for the replacement of five playgrounds. Funding for these playgrounds was combined into one project pending additional planning and community outreach to determine the funding needed for each individual project. At this time, cost estimates for two of the parks have been completed and funding should be moved from the general playground replacement project to the more specific projects.

Staff recommends that the City Commission amend the FY 2017 Community Investment Plan (CIP) in the amount of \$232,567 for specific playground replacement projects. There is an associated CAM# 17-0612.

D. Transfer From Operating Budget to Capital Project – General Fund, General Capital Fund – Carter Park Stormwater Projects - \$70,000

Carter Park has flooding problems. A variety of repairs are necessary to alleviate flooding problems in the ball cages and improvements to the north parking area. On March 7, 2017, CAM #17-0107, funds were previously appropriated from a subsidiary account set up for Orange Bowl renovations at Carter Park to general operating for stormwater improvements within the park. It has been determined that these repairs will constitute a capital project. This item will move the money into a capital project to appropriately account for the improvements.

Staff recommends that the City Commission amend the FY 2017 Community Investment Plan (CIP) and Budget in the amount of \$70,000 for Carter Park stormwater projects.

E. Transfer from Capital Project to Operating Budget – General Fund, General Capital Fund – HVAC Replacement for Police Station - \$32,479

As part of the FY 2017 Community Investment Plan, funds were appropriated into a Facilities Assessment project for the various facility repairs and replacements. The HVAC unit on the second floor of the Police Department has had critical failures and is beyond repair and requires a complete replacement. To complete this HVAC replacement, project funding should be moved from a Facilities Assessment capital project to the Facilities Maintenance operating budget.

Staff recommends that the City Commission amend the FY 2017 Community Investment Plan (CIP) and Budget in the amount of \$32,479 to replace the HVAC unit at the Police Station. There is an associated CAM# 17-0714.

Transportation and Mobility

F. Appropriation of Grant Funds - Airport Fund - FXE Administration Building Renovation - \$800,000

The City of Fort Lauderdale was awarded a grant of up to \$800,000 from the Florida Department of Transportation (FDOT) for the renovation of the FXE Administration Building at the Fort Lauderdale Executive Airport. The required grant match amount of \$200,000 (20% of \$1,000,000) is available in the current project budget.

Staff recommends that the City Commission amend the FY 2017 Community Investment Plan in the amount of \$800,000 for FXE Administration building renovations.

Public Works

G. Transfer Between Capital Projects – General Capital Projects Fund, Bond Fund – City Hall Americans with Disabilities (ADA) Improvements - \$372,732.25

This project will account for costs associated with ADA improvements to City Hall 1st and 8th floors and access from the Parking Lot. Work includes but is not limited to 1st and 8th floors unisex toilet room improvement, drinking fountains, covered ADA access ramp from lobby to Commission Chambers, and modification to existing ADA access ramp into City Hall lobby. This is a priority to satisfy the ADA Corrective Action Settlement plan.

These funds are available in ADA Settlement General Funds Buildings Corrective Actions project. This transfer will complete the project scope allowing the project to be closed.

Staff recommends that the City Commission amend the FY 2017 Community Investment Plan in the amount of \$372,732.25 for City Hall ADA improvements.

H. Appropriation of Fund Balance – Special Obligation Construction 2011 – South Side School Enclosures - \$94,098.24

This additional funding is for construction of the dumpster enclosure and the condenser enclosure for the South Side School Restoration Project.

Staff recommends that the City Commission amend the FY 2017 Community Investment Plan in the amount of \$94,098.24 for South Side School enclosures.

Information Technology Services

I. Appropriation of Fund Balance – Central Services Fund – Access Control - \$839,400

Access control is utilized in buildings throughout the City to limit and track access to various facilities. This project is to upgrade and consolidate access control systems throughout the City into one city-wide access control platform, allowing staff to centrally manage all facilities from one system/location.

Staff recommends that the City Commission amend the FY 2017 Community Investment Plan in the amount of \$839,400 for access control.

City Attorney

J. Appropriation for modified revenue and related expenses - General Fund – Florida Bar donation - \$1,000

The City was awarded a one-time donation in the amount of \$1,000 from the City, County, Local Government Law Section of the Florida Bar to provide a lump sum stipend to one or more summer intern(s) in the City Attorney's Office. There is no match, contingency, or special accounting required for this grant award.

Staff recommends that the City Commission amend the FY 2017 Budget in the amount of \$1,000 to appropriate the Florida Bar donation.

City Manager

K. Appropriation of Grant Repayment - Grant Fund - Chronic Homelessness Housing Grant Refund - \$5,973.83

The City is required to repay Broward County for the ineligible expenses related to the Chronic Homelessness Housing Grant in the amount of \$16,372.29 to finalize and close the audit findings. The grant has a balance of \$10,398 in City match funds that can be used for the remainder of the repayment.

Staff recommends that the City Commission amend the FY 2017 Budget in the amount of \$5,973.83 for the Chronic Homelessness Housing Grant refund. There is an associated CAM# 17-0674.

Where applicable, the approval of companion agenda items listed below is contingent upon the approval of the respective companion items as part of this consolidated budget amendment.
