Dear Ms. Reid:

This letter is intended to establish a framework for negotiating and executing a Development Agreement under the Development Incentive Program (the "Development Agreement") by and between the Fort Lauderdale Community Redevelopment Agency (the "Lender" or "CRA" or "Agency") and Borrower. Subject to the terms and conditions set forth herein, in the Development Agreement and other documents, Lender agrees to fund a forgivable loan to Borrower in an amount not to exceed Two Million and No/100 Dollars (\$2,000,000) (the "Loan" or "DIP Loan") for the Project.

COMPLETION DATE: The Project and all amenities shall be completed within twenty four (24) months from the date of award by the governing body of the CRA, subject to extensions granted by the CRA's Executive Director, for delays caused by circumstances beyond the Borrower's control but not due to a lack of funding to complete the Project. Completion Date is defined as the date on which a Certificate of Occupancy has been issued by the City of Fort Lauderdale or other governing authority and an approval letter of the Project has been issued by the Agency or the City. If the Project is not completed by the sunset date (November 7, 2025) of the CRA, then the CRA obligation to fund any undisbursed funds under the DIP Loan may be terminated. It is anticipated that the parties shall negotiate and execute a Development Agreement within four (4) months after the CRA board approves this award of funding.

USES OF PROCEEDS: Borrower acknowledges that the proceeds of the DIP Loan shall be used to reimburse or partially fund hard costs for the Project according to a construction budget approved by the CRA Executive Director, as may be amended, so long as the CRA's share of such construction costs are allowed in accordance with Part III, Chapter 163, Florida Statutes. The proposed site plan and illustrations are attached hereto as Exhibit "B". The CRA proceeds shall not be used for operating and administrative expenses of the Project or for soft costs related to construction of the Project. Further, Hard Costs are defined as costs for work, labor and materials required to construct the building. No CRA funds shall be used to make improvements within a right of way or on publicly owned property.
