- 3.7 The Participant agrees to cooperate and coordinate its activities hereunder with the relevant agencies of State and local governments and public and private service providers that provide eligible persons with benefits and supportive services in Broward County. The Participant shall collaborate with all other City of Fort Lauderdale HOPWA providers to provide the appropriate housing solution for HOPWA Clients.
- 3.8 The Participant agrees that it shall charge no fee, except for permitted rent charges, for any housing or services provided with Funds.
- 3.9 The Participant agrees to keep confidential the names of its Clients and any other information regarding individuals receiving assistance, to the extent required by law.
- 3.10 The Participant agrees to attend **all** HOPWA training, workshops, seminars, conferences, and meetings provided by the City. Additionally, Participant agrees to have staff view all HOPWA relevant webinars located on HUD Exchange <https://www.hudexchange.info/programs/hopwa/>.
- 3.11 The Participant shall follow the Housing Quality Standards (HQS) Inspection Chapter in the HOPWA Administration and Procedures to schedule required inspections. The HQS Inspections Chapter outlines how to request, schedule, prioritize, and correspond regarding submitted HQS. The standard will define the scope of responsibility between the Project Sponsor requesting an HQS and the Grantee's HQS inspector.

Should a unit fail HQS for Short-Term Rent Mortgage and Utility (STRMU) and Permanent Housing Placement (PHP) Housing Programs, the first payment to the associated landlord may be made to prevent the Client from becoming homeless. However, no subsequent payments can be made to the landlord until the unit passes HQS and the first page of the passed HQS is scanned into Provide Enterprise.

Participant is responsible for ensuring that the passed inspection documents (i.e., A HUD - 52580 or 52580-A - Form <http://portal.hud.gov/hudportal/documents/huddoc?id=5250.pdf>) are scanned into Provide Enterprise. Refer to form located in the HOPWA Administration and Procedures Guidebook. The Form(s) can be downloaded from Provide Enterprise.

3.12 Client will initial and sign the appropriate HOPWA Participation Agreement Forms as part of receiving assistance. Originals are located on Provide Enterprise. Participant agrees that a HOPWA Program violation by a client which impacts the integrity of all HOPWA funded non-housing programs will result in immediate termination of the offending Client from the HOPWA Program. Clients may be terminated from the City of Fort Lauderdale HOPWA Program for a Class I Program Violation.

A. A Class I Program Violation is a serious HOPWA Program violation which impacts the integrity of the HOPWA Program. A Class I violation will result in **immediate HOPWA Program termination**. Class I Program Violations may include, but not be limited to:

1. Commission of fraud, bribery, or any other corrupt or criminal acts in connection with any federal non-housing program. Such acts include failure by false statement, misrepresentation, impersonation, or other fraudulent means to disclose a material fact used in deciding as to the Client's eligibility to receive services.
2. Failure to locate housing within required search period herein or failure to move into an approved unit within seven (7) calendar days of the City's Move-In Authorization.
3. Abandonment of assisted unit, defined as a failure to reside on the assisted premises for a period exceeding thirty (30) consecutive days, except in cases where the Client is hospitalized or placed into residential substance abuse or mental health treatment (for policies and procedures governing extended absence from assisted unit as reasonable accommodation).
4. Moving into a new apartment unit without HOPWA Program authorization.
5. The Client must report change in the household composition (i.e., those residing in the unit). Failure to report a change in household

composition will be deemed an act of fraud and a Class I Violation, resulting in immediate termination.

6. Generally, two (2) Class II Program violations constitute grounds for immediate HOPWA Program termination. An exception applies to tenant-caused damages to an assisted unit. The first time that a Client or member of his or her household causes damage to the HOPWA assisted unit (i.e., not ordinary normal wear and tear) that results in the landlord retaining any of the City's cash security deposit or resulting in a payment under a security deposit guaranty will be treated as a Class II violation, which will remain on record for the duration of the Client's participation. The Client still retains the privilege of security deposit assistance as described if moving to a new unit. The second-time damage is caused by a Client or member of his or her household, which results in repair costs in excess of the tenant's share of the deposit for repairs, it will be treated as a Class I violation resulting in immediate HOPWA Program termination.
7. Threatening or abusive behavior toward personnel (or others at the HOPWA provider agencies), neighbor(s), or the landlord. Threats of violence may be verbal or non-verbal and can occur explicitly or implicitly. When the behavior constitutes a legitimate threat of violence to themselves or others, immediate termination is warranted.
8. Commission of criminal activity that may require Client, any member of the household, guests, or any person under the Client's control to register as a sex offender.
9. Commission of drug-related or violent criminal activity by Client, any member of the household, guests, or any person under the Client's control. Criminal and drug-related activity leading to termination is defined as follows:
 - (a) Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - (b) Any violent criminal activity or drug-related criminal activity on or near the premises.

B. A Class II Program Violation is a violation of any other HOPWA Program rule or Client obligation including, but not limited to those listed below.

*Program Name: Housing Opportunities for Persons With HIV/AIDS Program (HOPWA)

Assistance will terminate upon persistent violation of HOPWA Program rule(s) or obligation(s). Repeated violation of HOPWA Program rules or obligations undermines the functioning of the HOPWA Program and constitutes abuse of the HOPWA Program by the Client. Therefore, assistance will be immediately terminated upon two documented incidents of any HOPWA Program violation (need not be the same repeated HOPWA Program violation) even if the Client took corrective action to cure one or more of these violations.

1. Failure to notify the provider of a change in income or household composition within fifteen (10) days of the event.
2. Failure to notify the provider of any change in circumstances to obtain or continue to receive benefits within ten (10) days of the event.
3. Failure to maintain current information on file as required or to cooperate in submitting required documentation/information within ten (10) days of HOPWA Program's request.
4. Failure to attend HOPWA Program appointments, except in the documented case of illness or other extenuating circumstances. Failure to attend recertification appointments or provide access for annual inspections will result in termination upon second occurrence.
5. Failure to enroll and remain engaged in case management services.
6. Failure to apply for benefits in accordance with the HOPWA Program rules.
7. Failure to cooperate with quarterly home visits and/or housing stability assessments and planning.
8. Failure to make timely payment of the Client's required portion of the rent or comply with other tenant obligations, including the obligation to provide the landlord with notice of their intent to move upon expiration of the lease at least thirty days in advance or earlier as may be required under the lease.
9. The first time that a client, or member of his or her household, causes damage to the HOPWA assisted unit (i.e., not ordinary normal wear

and tear) that results in the landlord retaining any of the City's cash security deposit or resulting in a payment under a security deposit guaranty will be treated as a Class II violation, which will remain on record for the duration of the Client's participation in the HOPWA Program. The second-time damage is caused by a Client or member of his or her household, which results in repair costs in excess of the tenant's share of the deposit, it will be treated as a Class I Violation resulting in immediate HOPWA Program termination.

10. Verbal abuse directed toward HOPWA personnel (or others at HOPWA provider agencies), neighbor(s), or the landlord. Such abuse consists of repeated use of offensive speech, particularly speech that directly insults the Listener. Verbal abuse constitutes grounds for dismissal when the offensive speech continues or is repeated after at least two direct requests to the Client to refrain from such behavior. If the verbal abuse constitutes a threat of violence, it shall be treated as a Class I violation.

11. Harassment consisting of unwanted and unwelcome contact of any nature (including phone or face-to-face) after the Client has been explicitly advised to cease the harassing contacts. If the harassment occurs in a way that constitutes a threat of violence, then such behavior shall be treated as a Class I violation.

12. If a Client has tested positive for an illegal substance, the Client cannot be terminated.

3.13 The Participant shall follow the procedures for enforcing a Corrective Action Plan (CAP) as outlined in CAP Chapter of the City's HOPWA Administrative and Procedures Guidebook upon Class II violation or if Client is placed on permanent probation.

All such efforts to ensure Client HOPWA Program compliance shall be fully documented and maintained in the Client's HOPWA Program file and in Provide Enterprise.

3.14 Participant shall follow the appeals procedures as outlined in the Termination and Due Process Chapters of the City's HOPWA Administrative and Procedures Guidebook that adheres to 24 CFR Section 574.310(e)(2)(I) and (ii)(A), (B), (C) and shall keep records thereon. Upon the conclusion of the appeal process a determination shall be made whether to remove the Client from the HOPWA Program

or continue.

- 3.15** Participant shall follow the procedures for Termination of HOPWA Assistance to any HOPWA Program Client for violation of requirements as outlined in the Termination and Due Process Chapters of the City's HOPWA Administrative and Procedures Guidebook that adheres to 24 CFR Section 574.310(e)(2)(i) and (ii)(A), (B), (C).
- 3.16** In the event Participant seeks to relocate their business offices to a new location, Participant is required to submit a written relocation plan including timelines to the City sixty (60) days prior to the Participant's relocation. The relocation plan must include the following:
- A.** Rationale for the move;
 - B.** Identify new location;
 - C.** Identify distance to surrounding schools and daycare centers in relation to new location;
 - D.** Demonstrate accessibility to Clients, which is equal or better than current location; and
 - E.** Develop Relocation Plan that includes tasks and associated timelines for the relocation, impact to Clients as a result of the move, and transition plan to notify existing Clients, HOPWA Agencies, County Partners and the general public.

Participants must receive written approval of the relocation plan, prior to moving into a different housing unit. Failure to timely submit the relocation plan or move without prior written approval by the City shall be deemed a default under this Agreement (see also Article XIX).

- 3.17** Participant must designate one staff person, referred as primary designee, who will be responsible for:
- A.** Receiving updated HOPWA information from HUD by online registration through One Community Planning Division (CPD) exchange (<https://www.hudexchange.info/about-onecpd/>);
 - B.** Ensuring designee along with HOPWA staff participate in City's regularly scheduled meetings and designated HUD webinars;
 - C.** Providing feedback on required documents;
 - D.** Ensuring HOPWA staff, who are paid in whole or in part with Funds, receive training to ensure HOPWA Program and fiscal compliance within thirty (30) days from any changes with the City's HOPWA Administrative and Procedures Guidebook; and
 - E.** Documenting that training took place with 1) sign in sheet, 2) disbursed materials, and 3) declaration on the training.

- 3.18** By January 1, 2023, the Participant will submit their policy and procedures manual for each funded HOPWA Program to ensure HOPWA Program compliance with City's HOPWA Administrative and Procedures Guidebook and applicable CFRs. The policy and procedures manual shall start with Client referral and intake to discharge or year ending of a Client.

The City's HOPWA Contract Manager will review and approve each submitted policy and procedures manual for compliance. Submitted plans found not to be compliant will be sent back for resubmission noting each deficiency.

Each approved policy and procedures manual will be used for the monitoring process. Participants who do not enforce their policy and procedures for each HOPWA Program will be found non-compliant and a finding(s) will be issued for each violation.

When the City's HOPWA Administrative and Procedures Manual is updated, the City will notify each agency of any changes and the Participant will have thirty (30) days to amend each of their approved manuals for compliance.

- 3.19** Participant will comply with federal administrative requirements that includes, but is not limited to, updates to applicable CFRs and Office of Management and Budget (OMB) circulars.
- 3.20** Participant must retain all Client termination files on premises. Termination files shall not be destroyed.

ARTICLE IV HEALTHCARE COST

- 4.1** Participant agrees to comply with HOPWA regulation 24 CFR Section 574.310(a)(2) that allows for payments for health services:
- A.** Grant funds will not be used to make payments for health services for any item or service to the extent that payment has been made, or can reasonably be expected to be made, with respect to that item or service: (1) Under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or (2) By an entity that provides health services on a prepaid basis.
- 4.2** Participant acknowledges that all supportive service activities that include payments for health care related costs must be approved by HUD prior to the City releasing any funding for those costs.
- 4.3** Participant agrees to comply with the AIDS Housing Opportunity Act that provides for a prohibition on the substitution of funds, which is reflected at 24 CFR Section

574.400, of the HOPWA Program regulations. HOPWA Funds cannot be used to replace other funding for activities that can reasonably be expected to be supported from other public and private sources.

- 4.4 Participant agrees to the restricted use of HOPWA Funds for medical costs. Payments for health care costs, including costs of therapies, services, and pharmaceuticals, may only be made, if approved and documented, on an individual basis. A payment is not eligible under HOPWA if that payment has been made, or can reasonably be expected to be made, with respect to that item or service from any federal, state, local or private program for which those activities are reimbursable or for which funds are made available by the Department of Health and Human Services, the Department of Veterans Affairs, the Social Security Administration, and under payments authorized under State Medicaid waivers, as well as other public and private compensation programs.
- 4.5 Participant agrees that healthcare payments may only be made in the case that no AIDS Drug Assistance Program (ADAP) or other dedicated funds or other likely means of compensation for these purposes remain available in a jurisdiction or to the Client, since that Client would otherwise be eligible for assistance from that source.
- 4.6 Participant agrees that under the limited circumstances described in **Exhibit D**, if HOPWA Funds are used to make a payment for these healthcare costs, as authorized, the City must receive documented evidence that the Client would not otherwise receive this form of assistance. Documented evidence must be submitted to the City per Client upon reimbursement request.

ARTICLE V **TERM AND TIME OF PERFORMANCE**

- 5.1 The term and effective date of this Agreement shall be from October 1, 2022 through September 30, 2023. The City may approve an extension of this Agreement for two (2) one-year terms based upon Participant's performance, ability to achieve stated outcomes, and funding availability. The request for an extension will be presented to the City Commission as part of the Annual Action Plan process. The Community Services Board (CSB) and HCD will discuss the performance of each agency and present a recommendation to the City Commission for consideration and approval.

ARTICLE VI **FINANCIAL ASSISTANCE**

- 6.1 The Funds provided under this Agreement for Fiscal Year 2022-2023 shall not exceed Four Hundred Fifty-Two Thousand Four Hundred Six Dollars and Zero Cents (**\$452,406.00**). The line-item budget must be followed as the HOPWA Program is being administered throughout the fiscal year. HOPWA Funds shall not be used to cover shortfalls in Participant's budget that were over expended by Participant due to not adhering to the approved budget, unless extraordinary circumstances are found as determined by the HCD Manager.
- 6.3 The Participant or any of its subcontractors shall not utilize any HOPWA Funds provided under this Agreement to initiate, counsel and/or represent any party in an adversarial legal proceeding against City for the term of this Agreement and any extensions thereto.

- 8.1 The Participant shall arrange for an annual audit of its operations and financial management systems, in accordance with 24 CFR Section 84.26. The City shall review the Participant's audit report and will require the Participant to implement corrective action noted in the audit. The City shall have the right to review any and all of the Participant's records regarding use of the Funds disbursed hereunder.

If, as a result of an audit or monitoring by the City and/or HUD's Community Planning Division (CPD) or Office of Inspector General (OIG) or any other governing agency, there is a finding or ruling that the Participant provided funding of an ineligible activity or unallowable expense, the City shall be entitled to recover immediately, upon demand from the Participant or any party joining in or consenting to this Agreement, all ineligible or unallowable sums paid by the City to Participant pursuant to this Agreement.

The Participant hereby agrees to have an annual agency audit conducted in accordance with current City policy concerning Participant audits and OMB Circular A-133.

- 8.2 The City shall review the Participant's audit report and will require the Participant to implement corrective action noted in the audit. The City shall have the right to review any and all of the Participant's records that regard use of the Funds disbursed hereunder.

GENERAL CONDITIONS

- 16.1** The Code of Federal Regulations (CFR) annual edition is the codification of the general and permanent rules published in the Federal Register by the departments and agencies of the Federal Government produced by the Office of the Federal Register (OFR) and the Government Publishing Office.

The Federal Government modified several of its circulars which govern recipients and sub-recipients by combining eight (8) circulars and regulations into one now termed "Super" or "Omni" Circular 2 CFR Part 200 (http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl). The uniform grant guidance has a major emphasis on "strengthening accountability" by improving policies that protect against waste, fraud, and abuse. Significant emphasis is on improper payments.

Participant should pay special attention to:

1. Mandatory Disclosures, Section 200.113
2. Conflict of interest, Section 200.112
3. Internal Controls, Section 200.303
4. Subrecipient and contractor determinations, Section 200.331
5. Applicable Credits, Section 200.406
6. Required Certifications, Section 200.415
7. Cost Principles, Section 200 Subpart E
8. Collections of Improper Payments, Section 200.428

Participant will be required to adhere to 2 C.F.R. Part 200 and update their policy and procedures accordingly. These policies will be reexamined during the required annual monitoring.

16.2 Participant must comply with U.S. Department of Labor changes to the Fair Labor Standards Act (FLSA). The Act outlines the rules for overtime eligibility and overtime pay. The new FLSA regulations are effective on January 1, 2020. Please refer to:

- <https://www.dol.gov/agencies/whd/overtime/2019/index>

The City will be monitoring the Participant for FLSA compliance as part of the HOPWA annual monitoring process. A Participant who is unable to provide proper documentation with the FLSA requirements will be issued a finding. Furthermore, the Project Sponsor may be subject to recapture of funds by the City and the City may not approve further reimbursements until the Participant fulfils the requirement.

16.3 Program Income

According to 2 CFR Section 200.307 program income is "gross income earned by a recipient that is directly generated by a sponsored activity or earned as a result of the award." While there are four (4) ways to account for program income, HOPWA grant agreements require that grantees and project sponsors commit program income to the grant in accordance with the addition method as provided in 2 CFR 200.307(e)(2). Under the addition method, program income funds are added to the funds committed to the project by the federal agency or its grantee and used to further eligible project or program objectives.

As such, program income must be added to the grantee and Project Sponsor's total

HOPWA budgets. The total HOPWA-eligible expenses can include reasonable depreciation costs on project property, including real estate or other fixed assets (subject to the requirements of 2 CFR Section 200.426). To the extent available, the grantee or project sponsor must spend funds available from program income before drawing down grant funds (2 CFR Section 200.305(b)(5)).

The Participant is responsible for certifying and entering the household's income in Provide Enterprise to determine the Client's portion of the rent. The monthly aggregate Client portion will be subtracted from each submitted monthly invoice.

ARTICLE XXII ASSIGNMENT

- 22.1 The Participant may not assign any interest in this Agreement without prior written consent of the City.

ARTICLE XXIII CIVIL RIGHTS

23.1 Compliance

The Participant agrees to comply with Title VI of the Civil Rights Act of 1964 as amended, Title VIII of the Civil Rights Act of 1968 as amended (Fair Housing Act), 42 U.S.C. §§ 3601-19, Section 104(b) and Section 109 of Title I of the Housing and Community Development Act of 1974 as amended, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and the ADA Amendments Act of 2008 (ADAAA), the Age Discrimination Act of 1975, Executive Order 11063, and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107, and 12086.

The City fully supports the goals of the ADA, ADAAA, and Section 504, and will not support Participant discrimination based on disability in any aspect of the employment relationship or in the administration of Participant's programs. Further, no qualified individual or child with a disability shall be restricted or excluded from equal opportunity for participation, or denied benefits, services or access to City programs and activities.

The Fair Housing Act prohibits discrimination in the sale, rental, and financing of dwellings, and in other housing-related transactions, because of race, color, religion, sex (including gender identity and sexual orientation), familial status, national origin, and disability. It also requires that all federal programs relating to housing and urban development be administered in a manner that affirmatively furthers fair housing.

Each Participant is hereby required to identify its Section 504/ADA Coordinator and provide a notice to all its employees outlining the roles and responsibilities of this person and how to contact this person. Along with identifying a 504/ADA Coordinator, the Participant shall develop and implement a facially-neutral and inclusive fair housing policy that identifies Participant's household(s) selection criteria and process for housing opportunities, in compliance with the Fair Housing Act, as amended from time to time. In the event Participant's policy includes standards that restrict the public's access to housing on the basis of criminal history, Participant must indicate said policy is necessary to serve a substantial, legitimate, nondiscriminatory interest which cannot be served by another practice with less disparate impact. Additionally, Participant must publish its criminal records screening process and provide for reasonable accommodations to ensure an individual with a disability is able to participate in the criminal records screening process.

23.2 Language Access Plan and Limited English Proficiency

It is the policy of the City to ensure that each Participant take reasonable steps to provide meaningful access to its programs and activities, including to persons with Limited English Proficiency (LEP). Each Participant shall develop a Language Access Plan (LAP) that will meet the needs of the Clients they serve (*including a TTY/TTD machine and providing program related documents in other languages, upon request*). The Participants LEP policy shall ensure that its staff will communicate effectively with LEP individuals and LEP individuals will have access to important programs and information. The Participant shall comply with all federal requirements in providing free meaningful access to its programs and activities for all Clients that is inclusive of LEP persons.
