

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
CONFERENCE MEETING**

#25-0993

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Rickelle Williams, City Manager
D'Wayne M. Spence, Interim City Attorney

DATE: October 7, 2025

TITLE: Charter Revision Board Recommendations - **(Commission Districts 1, 2, 3 and 4)**

At the September 3, 2025 City Commission Conference Meeting, members of the Charter Revision Board (CRB) requested guidance from the City Commission on any additional work the CRB should anticipate moving forward as the board believes it has completed reviews of the sections previously identified by the City Commission in previous communications (with the exception of strong mayor and requests from the City's Human Resources Department, both of which are intended to be addressed in upcoming CRB meetings).

At the Conference Meeting the City Commission directed staff to bring the item back for discussion so that further clarification and guidance can be provided on any additional work by the CRB.

The offices of the City Manager and the City Attorney will provide a presentation to the City Commission to help facilitate the discussion and obtain guidance from the City Commission on additional charter revision efforts and charter revisions that should be considered on the 2026 ballot.

For more information and background, please see the composite Charter sections proposed for revision or repeal (Exhibit 1), memorandum No: 25-138 (Exhibit 2), which provided the City Commission an update on the activities of the CRB as of August 2025 and the staff memo sent to the CRB dated December 5, 2024 outlining the work program summary (Exhibit 3).

Resource Impact

There is no fiscal impact associated with this item.
