Historic Preservation Board Case No. 11-H-08-SB

Dear Ms. Joseph:

Through this letter and pursuant to ULDR Section 47-26B.1, the Building Department is appealing to the city commission the December 1, 2008 ruling of the Historic Preservation Board decision denying the City's request for approval for a Certificate of Appropriateness for Demolition regarding the above-referenced property. This Historic Preservation Board decision was preceded by an order of the Unsafe Structures Board on July 17, 2008 deeming the structure on said property as unsafe and ordering demolition.

Please consider this as a request to have the above noted appeal scheduled before the city commission.

Sincerely,

Michael Maloney
