Re.: 105 N Federal Highway

Hi George,

I wanted to take the time to thank you for presenting to our FVCA Membership during our July 2014 general meeting yesterday. We appreciate the provided latest floor plan & renderings displayed as well as your specific remarks on the recent parking solutions achieved in the area.

It is with great pleasure, as recorded in our meeting yesterday, that the Flagler Village Civic Association has motioned & approved to give its' unanimous endorsement to this development project. In other words, with the remaining city hearings & tasks in mind, please start ASAP! :->

Thanks and please send our warmest regards & thanks to the developers/owners.

Regards,

Dylan M. Lagi
President, Flagler Village Civic Association
