Topic for Discussion:

Opposition to the Proposed Borrow Pit Reclamation Project and Rock Pit Lake Rezoning for the Prologis Project

Residents of the affected communities strongly oppose the proposed Borrow Pit Reclamation Project and the rezoning of Rock Pit Lake for the Prologis Project. This initiative poses significant environmental, health, and infrastructure concerns and is not in the best interest of our neighborhoods. We are urging the State of Florida, Broward County, and the City of Fort Lauderdale to reject this proposal and instead prioritize the well-being and safety of our communities. A short video will be shown to highlight the impacted areas and illustrate the potential consequences.
