**1. Purchase and Sale.** Subject to the terms and conditions of the Contract – PARCEL ONE, as amended by this Addendum, CITY shall sell to DEVELOPER, and DEVELOPER shall purchase from CITY, all of CITY'S right, title and interest in and to PARCEL ONE

**1.1. Effective Date.** The Effective Date of this Contract shall be the first day of the month next succeeding that date upon which the CITY'S City Commission authorizes execution of this Contract. CITY shall not authorize execution of the Contract until such time DEVELOPER has authorized execution of the Contract and has executed the Contract.

**2. Closing Date.** This Contract shall be closed and the deed and possession of PARCEL ONE delivered no later than (i) then (10) days after the close of the Investigation Period, unless extended by other provisions of this Contract or separate agreement.

**2.1 Conditions Precedent to Closing.** The following are conditions precedent to the Closing on the conveyance of PARCELS ONE and TWO:

**2.1.1** Simultaneous with execution, delivery and recording of the conveyances of PARCELS ONE and TWO, execution and recording of the Declaration of Covenants with respect to DEVELOPER'S post closing obligation of permitting and construction, perpetual maintenance, repair and reconstruction of facilities, as needed from to time, of the City Entranceway Improvements on PARCEL TWO, said Declaration of Covenants being attached as Exhibit "F" to the Agreement.

**2.2 Place of Closing.** Closing shall be at the office of the CITY's closing agent.

**3. Evidence of title.** Evidence of title for PARCEL ONE shall be delivered to DEVELOPER within ten (10) days after the Effective Date of this Contract. ("Evidence of Title"), 10.2 ("Release of Reservations"), and 10.3 ("Title Defects") of the Contract.

**3.1 Conveyance.** CITY's conveyance of title to PARCEL ONE may be subject to public utility easements of record which are located contiguous to PARCEL ONE lines and not more than seven (7) feet in width.

("Evidence of Title"), 10.2 ("Reservations"), and 10.3 ("Title Defects") of the Contract.

5. **Inspections, Testing and Examination.**

(a) DEVELOPER shall be provided a period ("Investigation Period") for investigation, testing and examination of PARCEL ONE as set forth herein. The "Investigation Period" under this Contract shall be a period starting with the Effective Date of the Contract and ending **sixty (60) days** thereafter. During the Investigation Period, DEVELOPER shall have the absolute right, through its agents, servants, employees and contractors, to enter upon PARCEL ONE for the purpose of investigation, discovery, inspection and testing of PARCEL ONE, including, without limitation soil testing and boring, environmental studies or any other testing DEVELOPER determines to be necessary or appropriate to the evaluation of the purchase and sale of PARCEL ONE including inspection as provided in ¶ 15 ("Inspections, Repair and Maintenance") of the Contract. CITY agrees to cooperate, at no expense to CITY, in regard to DEVELOPER'S efforts to obtain all relevant information respecting the investigation, discovery and testing, providing to DEVELOPER within **ten (10) days** of the Effective Date hereof copies of CITY'S Books and Records respecting any previous environmental assessments of PARCEL ONE in question, including those Books and Records in the possession of CITY or any of its agents.

(b) In connection with such inspection, there shall be no soil tests or other invasive tests that can or may cause damage to PARCEL ONE unless DEVELOPER has received CITY'S prior written approval of such tests. Upon completion of DEVELOPER'S investigations and tests, PARCEL ONE will be restored to the same condition, as it existed before DEVELOPER's entry upon PARCEL ONE. In the event this Contract is terminated without a closing upon and passing title, DEVELOPER's obligations under this Paragraph shall survive termination of this Contract for a period of six (6) months.

(c) In the event that DEVELOPER is satisfied with the results of the Inspections prior to the expiration of the Inspection Period and DEVELOPER is not opposed to waiving its Right of Cancellation under ¶ 7 hereof, DEVELOPER shall provide CITY with written notice that it is satisfied with the Inspections and waives any further Right of Cancellation, thereby allowing the parties to accelerate the Closing, subject to the CITY providing DEVELOPER with reciprocal written notice as to satisfaction of Inspections and waiver of Right of Cancellation.

6. **Extension of time.** In the event DEVELOPER'S Investigation reveals a need for the parties to extend the times under this Contract, then either the (i) Investigation Period (¶5 of the Addendum), (ii) Right of Cancellation (¶7 of the Addendum), or (iii) Closing Date (¶2 of the

Addendum) or all (i), (ii), (iii) may be extended by written instrument signed by both CITY and DEVELOPER. As to the CITY, the CITY's City Manager shall have the authority to execute any such instrument extending time under this ¶ 6 of the Addendum.

**12. Destruction or Condemnation of PARCEL ONE.**

(a) In the event that all or any portion of PARCEL ONE is damaged or destroyed by any casualty or by a taking or condemnation under the provisions of eminent domain law after the Effective Date but prior to the Closing, CITY shall give DEVELOPER prompt written notice of same ("Condemnation/Casualty Notice").

(b) Within fifteen (15) days after receipt of the Condemnation/Casualty Notice, DEVELOPER shall have the option of (i) taking PARCEL ONE in "AS IS" condition, together with insurance proceeds, if any, or (ii) terminating this Land Swap Agreement, Contract and Addendum by delivery of written notice to CITY. If the Closing date falls within such fifteen (15) day period, the Closing date shall be extended until the day after the expiration of the fifteen (15) day period.

120 ~~good standing. If there are charges for the change of ownership, including charges for assumption, they shall be paid by~~  
121 ~~Buyer unless the total charges exceed one percent (1%) of the unpaid balance of the mortgage to be assumed. If the total~~  
122 ~~cost of the above items exceed one percent (1%) of the unpaid balance of the mortgage to be assumed, then either party~~

145 Property Address:

146 ~~provided below, any purchase money note and mortgage to Seller shall follow a form with terms generally accepted and~~  
147 used by institutional lenders doing business in the county where the Real Property is located. A purchase money  
148 mortgage shall provide for an annual proof of payment of taxes and insurance against loss by fire with extended  
149 coverage in an amount not less than the full insurable value of the improvements. A first mortgage and note shall  
150 provide for acceleration at the option of the holder after thirty (30) calendar days default; for junior mortgages this shall  
151 be ten (10) calendar days. The note shall provide for a late charge of five percent (5%) of the payment due if payment is  
152 received by the mortgagee more than ten (10) calendar days after the due date and mortgagee has not elected to  
153 accelerate. Junior mortgages shall require the owner of the Real Property encumbered to keep all prior liens and  
154 encumbrances in good standing and shall forbid the owner from accepting modifications or future advances under any  
155 prior mortgages. Any prepayment shall apply against principal amounts last maturing.

157 the Effective Date, Buyer shall provide to Seller a letter from a lender stating that, based on a review of Buyer's  
158 application and credit report, Buyer is prequalified for the mortgage loan indicated in Paragraph 2.3. If Buyer fails to  
159 provide such letter within that time, Seller may terminate this Contract by delivery of written notice to Buyer or his  
160 Authorized Representative and deposits shall be returned to Buyer and all parties shall be released from all further  
161 obligations herein. This right of termination shall cease upon Buyer obtaining a loan commitment prior to delivery of the  
162 notice.

163 14.2 APPLICATION AND QUALIFICATION: If this Contract provides for Buyer to obtain new mortgage financing,  
164 then Buyer's performance under this Contract shall be contingent upon Buyer obtaining said mortgage financing upon  
165 the terms stated, or if none are stated, then upon the terms generally prevailing at such time in the county where the Real  
166 Property is located. Buyer agrees to apply within \_\_\_\_\_ business days (five (5) business days if this blank is not  
167 filled in) after the Effective Date and to make a good faith, diligent effort to obtain mortgage financing. The commission  
168 or omission of any act by Buyer calculated to produce a rejection by any mortgage lender shall be a default by Buyer.

169 14.3 RELEASE OF INFORMATION: Buyer authorizes their mortgage broker and/or lender to provide information to  
170 Buyer, Seller and their Authorized Representatives in accordance with Section VII of the Gramm-Leach-Bliley Act. The  
171 information to be provided is limited to information necessary to verify that Buyer is complying with this Contract and  
172 that there has been no material change in any information provided.

173 14.4 FAILURE TO OBTAIN LOAN COMMITMENT: If within \_\_\_\_\_ business days (thirty (30) business days if  
174 this blank is not filled in) after the Effective Date, or by the Closing Date, whichever occurs sooner, Buyer fails to obtain  
175 a loan commitment, or after diligent effort Buyer is not able to comply with the terms and conditions of the loan  
176 commitment, and Buyer does not waive Buyer's rights under this subparagraph within the time stated for obtaining the  
177 commitment, then either party may terminate this Contract by delivery of written notice to the other party or his  
178 Authorized Representative, and deposits shall be returned to Buyer and all parties shall be released from all further  
179 obligations herein. This right of termination for failure to obtain a loan commitment shall cease upon Buyer obtaining a  
180 ~~loan commitment prior to delivery of the notice of termination.~~

181 15. INSPECTIONS, REPAIR AND MAINTENANCE: Buyer shall have the right, at Buyer's expense, to have roof, seawall,

184 made by a person who specializes in and holds an occupational license (if required by law) to conduct such inspections or  
185 who holds a Florida license to repair and maintain the items inspected ("Professional Inspector"). All written reports of  
186 Buyer's inspections, together with the estimated cost of repairs and treatments, shall be delivered to Seller or Seller's  
187 Authorized Representative within \_\_\_\_\_ business days (fifteen (15) business days if this blank is not filled in) after the  
188 Effective Date except any wood destroying organism inspection report shall be delivered not later than fifteen (15) business  
189 days prior to the Closing Date. If such reports and estimates are not delivered within the stated time, Buyer is deemed to have  
190 accepted the Property "As Is."

191 15.1 DISPUTES: If Seller disagrees with Buyer's inspection reports, Seller shall have the right to have inspections of the  
192 disputed items made at Seller's expense by Professional Inspectors. All written reports of Seller's inspections together with  
193 the estimated cost of repairs and treatments, shall be delivered to Buyer or Buyer's Authorized Representative within  
194 five (5) business days from the date Seller receives Buyer's report. If Buyer's and Seller's inspection reports do not  
195 agree, Buyer and Seller shall agree on a third Professional Inspector, whose report shall be binding. The cost of the third  
196 Professional Inspector shall be paid equally by Buyer and Seller.

197 15.2 DEFECTS: If inspections reveal functional defects, code violations, open building permits, the existence of radon,  
198 mold, hazardous substances, environmental pollution, or wood destroying organism infestation or damage, the cost of  
199 ~~correction, treatment and repair shall be at the expense of Seller and shall be performed in a workmanlike manner.~~

232 ~~15.5 WALK THROUGH INSPECTION: Buyer is entitled to a walk through inspection immediately prior to closing to~~  
233 ~~verify compliance with this section and to verify that no functional defects have occurred subsequent to the inspections.~~

234 ~~All appliances and machinery included in this sale shall be in working order at closing.~~

235 ~~15.6 UTILITIES: Seller shall provide utility services for all inspections including walk-thru inspections and until~~  
236 ~~closing is completed. All parties and their Authorized Representatives shall be given reasonable prior notice of all~~

255 ~~written rights of occupancy and estoppel letters from each tenant specifying the nature and duration of said tenants~~  
256 ~~occupancy, rental rate, prepaid rents or security deposits paid by tenant. If Seller is unable to obtain estoppel letters from~~  
257 ~~tenants, the same information may be furnished by Seller to Buyer in the form of a Seller's affidavit. Advance rents~~  
258 ~~shall be prorated and deposits credited to Buyer at closing.~~  
259 21. SELLER'S AFFIDAVIT: Seller shall furnish to Buyer at closing an affidavit attesting to the absence of any financing  
260 statements, claims of lien or potential lienors known to Seller. If the Real Property has been improved within ninety (90)  
261 calendar days prior to closing, Seller shall deliver to Buyer an affidavit setting forth names and addresses of all contractors,  
262 subcontractors, suppliers and materialmen and stating that all bills for work on the Real Property have been paid. Buyer may  
263 require releases of all such potential liens. The affidavit shall state that there are no matters pending against Seller that could  
264 give rise to a lien that would attach to the Property between the disbursing of the closing funds and the recording of the  
265 instrument of conveyance and that Seller has not, and will not, execute any instrument that could adversely affect title to the  
266 Property.  
267 22. DOCUMENTS FOR CLOSING: If applicable, Seller shall cause to be prepared and provided a deed, purchase  
268 money mortgage and note, assignment of leases, bill of sale, Seller's affidavits, FIRPTA affidavit, survey or affidavit  
269 regarding coastal construction control line, F.S. 161.57, and any corrective instruments that may be required in  
270 connection with perfecting the title. Buyer's closing agent shall prepare the closing statement.  
271 23. EXPENSES: Abstracting prior to closing, governmental lien searches, cost of obtaining payoff and estoppel letters, state  
272 documentary stamps on the deed and the cost of recording any corrective instruments shall be paid by Seller. Intangible  
273 personal property taxes and documentary stamps to be affixed to the purchase money mortgage or required on any mortgage  
274 modification, the cost of recording the deed and purchase money mortgage and documentary stamps and recording costs  
275 assessed in connection with assumption of any existing mortgage shall be paid by Buyer.  
276 24. PRORATION: Taxes, insurance, assumed interest, utilities, rents and other expenses and revenue of the Property shall be  
277 prorated through the day prior to closing. Taxes shall be prorated on the current year's tax, if available. If the closing occurs  
278 when the current year's taxes are not available, and the current year's assessment is available, taxes will be prorated based  
279 upon such assessment and the prior year's millage. If the current year's assessment is not available, then taxes will be prorated  
280 on the prior year's tax; provided, if there are completed improvements on the Property by January 1st of the year of closing  
281 and these improvements were not in existence on January 1st of the prior year, then the taxes shall be prorated through the  
282 day prior to closing based upon the prior year's millage and at an equitable assessment to be agreed upon between the parties,  
283 failing which, requests will be made to the county tax assessor for an informal assessment taking into consideration the  
284 improvements. Any tax proration based on an estimate may, at the request of either party, be subsequently readjusted upon  
285 receipt of the tax bill. All such prorations whether based on actual tax or estimated tax will make appropriate allowance for  
286 the maximum allowable discount and for homestead or other exemptions if allowed for the current year. The provisions in this  
287 paragraph shall survive the closing.  
288 25. SPECIAL ASSESSMENT LIENS: Certified, confirmed and ratified governmental special assessment liens as of the  
289 Effective Date are to be paid by Seller. Pending liens as of the Effective Date shall be assumed by Buyer. The provisions in  
290 this paragraph shall survive the closing.  
291 26. PLACE OF CLOSING: Closing shall be held at the office of the Buyer's closing agent if located within the county where  
292 the Real Property is located, and if not, then at the office of Seller's closing agent if located within the county where the Real  
293 Property is located, and if not, then at such place as mutually agreed upon. If a portion of the Purchase Price is to be derived  
294 from institutional financing, the requirements of the lender as to place, time and procedures for closing shall control,  
295 notwithstanding anything in this Contract to the contrary.  
296 27. PROCEEDS OF SALE AND CLOSING PROCEDURE: The deed shall be recorded and evidence of the title continued at  
297 Buyer's expense to show title in Buyer without any encumbrances or changes which would render Seller's title unmarketable  
298 from the date of the last evidence, and the cash proceeds of sale may be held in escrow by Seller's attorney or by such other  
299 escrow agent as may be mutually agreed upon for a period of not longer than ten (10) business days. If Seller's title is  
300 rendered unmarketable, Buyer's closing agent shall, within said ten (10) day period, notify Seller in writing of the defect, and  
301 Seller shall have thirty (30) business days from receipt of such notice to cure the defect and shall use best efforts to do so. If  
302 Seller fails to timely cure the defect, all monies paid by Buyer shall, upon written demand and within five (5) business days  
303 thereafter, be returned to Buyer, and simultaneously with such repayment Buyer shall vacate the Property and reconvey the  
304 Property to Seller by special warranty deed. If Buyer fails to make timely demand for refund, he shall take title "As Is"  
305 waiving all rights against Seller as to such intervening defect except such rights as may be available to Buyer by virtue of  
306 warranties contained in the deed. Notwithstanding the above, if title insurance is available, at standard rates insuring  
307 Buyer as to any title defects arising between the effective date of the title commitment and the recording of Buyer's  
308 deed, the proceeds of sale shall be disbursed to Seller at closing. The provisions of this paragraph shall survive the  
309 closing.

318 28.1 The Escrow Agent agrees to promptly deposit, retain, and disburse all deposits in accordance with the terms of this  
319 Contract or as may be directed in writing by Seller and Buyer or as may be directed by a court of competent jurisdiction.

320 28.2 If the Escrow Agent is in doubt as to his duties, Escrow Agent shall retain the deposits until Seller and Buyer  
321 collectively agree in writing to the disposition thereof or until a court of competent jurisdiction has adjudicated the rights  
322 of Seller and Buyer.

323 28.3 If the Escrow Agent is a licensed real estate broker, Escrow Agent shall comply with the provisions of  
324 Chapter 475, Florida Statutes, as may be amended from time to time and with any regulations promulgated by the  
325 Department of Business and Professional Regulation pertaining to the duties and responsibilities of licensed real  
326 estate brokers.

327 28.4 Any suit between Buyer and Seller where Escrow Agent is made a party because of acting as Escrow Agent,  
328 or in any suit where Escrow Agent interpleads the deposits, Escrow Agent shall recover reasonable attorney's fees  
329 and costs from the deposits; as between Buyer and Seller, such fees and costs shall be charged and assessed against  
330 the non-prevailing party.

331 28.5 The parties agree that Escrow Agent shall not be liable to any party or person for misdelivery to Buyer or Seller of  
332 the deposits, unless such misdelivery is due to willful breach of Contract or gross negligence of Escrow Agent.

333 29. RISK OF LOSS: If the improvements are damaged by fire or other casualty before delivery of the deed and can be  
334 restored to substantially the same condition as existing on the Effective Date within a period of sixty (60) business days,  
335 Seller may restore the improvements and the Closing Date and date of delivery of possession shall be extended  
336 accordingly. If Seller fails to do so, Buyer shall have the option of: 1) taking the Property "As Is" together with  
337 insurance proceeds, if any, or 2) terminating this Contract by delivery of written notice to Seller or his Authorized  
338 representative and deposits shall be returned to Buyer and all parties shall be released from all further obligations herein.

339 30. ASSIGNMENT: This Contract is not assignable without the specific written consent of Seller if new mortgage  
340 financing or an assumption of an existing mortgage is a contingency.

341 31. ATTORNEY FEES AND COSTS: In connection with any arbitration or litigation arising out of this Contract,  
342 the prevailing party, whether Buyer, Seller or Broker shall be entitled to recover all costs incurred including  
343 attorney's fees and legal assistant fees for services rendered in connection therewith, including appellate  
344 proceedings and postjudgment proceedings. The provisions in this paragraph shall survive the termination or  
345 closing of this Contract.

346 32. DEFAULT: If either party defaults, the rights of the non-defaulting party and the Broker(s) shall be as provided  
347 herein and such rights shall be deemed to be the sole and exclusive rights in such event. The provisions of this Section  
348 32 shall survive the termination of this Contract.

349 32.1 BUYER DEFAULT: If Buyer fails to perform any of the covenants of this Contract, all money paid or to be paid  
350 as deposits by Buyer pursuant to this Contract shall be retained by or for the account of Seller as consideration for the  
351 execution of this Contract and as liquidated damages and in full settlement of any claims for damages and specific  
352 performance by Seller against Buyer.

353 32.2 SELLER DEFAULT: If Seller fails to perform any of the covenants of this Contract, all money paid or  
354 deposited by Buyer pursuant to this Contract shall be returned to Buyer upon demand, or Buyer shall have the right  
355 of specific performance. In addition, Seller shall immediately pay to Brokers the full professional service fee  
356 provided for in this Contract or separate listing contract.

357 32.3 MEDIATION: Any controversy or claim between Buyer and Seller arising out of or relating to this Contract  
358 or a breach thereof may be submitted to mediation prior to arbitration or litigation. The mediator's fees shall be  
359 paid equally by the parties of the mediation. Any of the above proceedings shall be brought in the county where the

365 permitted) of the parties hereto. Neither this Contract nor any notice shall be recorded in any public records.

367 except as expressly provided herein and except express representations and warranties contained herein.

368 35. CONCURRENCY: No representation is made regarding the ability to change the current use of or to improve the  
369 Property under the Local Government Comprehensive Planning and Land Development Regulation Act (Chapter 163 et  
370 seq., Florida Statutes) or any comprehensive plan or other similar ordinance promulgated by controlling governmental  
371 authorities in accordance with the Act.

372 36. FIRPTA: All parties are advised that the I.R.S. code requires Buyer to withhold ten percent (10%) of the Purchase  
373 Price for tax on sales by certain foreigners. The tax will be withheld unless affidavits of compliance with the I.R.S. code  
374 or an I.R.S. qualifying statement are provided to Buyer at closing. If this paragraph applies, Buyer and Seller agree  
375 to obtain and/or disclose their U.S. Social Security Number or Taxpayers Identification Number if required by the  
376 Closing Agent.

377 37. DISCLOSURES:

378 37.1 RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in  
379 sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that

388 of the "Florida Building Energy-Efficiency Rating System" Disclosure.

389 37.4 FUTURE PROPERTY TAXES: The "Save Our Home" amendment of the Florida Constitution limits the  
390 increase in the tax assessed value of a homesteaded property until the title is transferred. In the year following the  
391 closing of this sale, the tax assessed value may change to its market value which may result in a tax amount  
392 significantly higher than this year's tax amount. Existence of (or loss of) homestead and other exemptions may also  
393 affect the new tax amount. Additional information may be obtained from the local Property Appraiser's office.

395 attorney's fees; casualty, hazard, windstorm and flood insurance premiums; title examination and closing service

401 service or product providers or vendors of any type, including, but not limited to: lending institutions, loan brokers,  
402 attorneys, title insurers, escrow companies, inspectors, structural engineers, pest control companies, contractors and  
403 home warranty companies ("Providers"), the referrals are given based on the following disclosures:

404 37.6.1 Buyer and Seller are free to select Providers other than those referred or recommended by Broker.

405 37.6.2 If Buyer or Seller instructs Broker to arrange for any Provider to perform services related to this Contract, Broker  
406 makes such arrangements only as Authorized Representative for the account of Buyer or Seller.

407 37.6.3 Broker does not guarantee the performance of any Providers.

408 ~~38. DISCLOSURE OF LATENT DEFECTS: Seller specifically acknowledges and understands that if Seller knows of~~  
409 ~~latent defects (defects not readily observable) materially affecting the value of the Property, then Seller is under a duty~~  
410 ~~to disclose these latent defects to Buyer. Seller represents that if Seller knows of latent defects, they are set forth in~~  
411 ~~writing under Special Clause below or have been separately disclosed by Seller to Buyer. Seller and Buyer agree to~~  
412 ~~indemnify and hold harmless Broker from damages resulting from the inaccuracy of this information except to the extent~~  
413 ~~Broker was aware of latent defects and did not disclose them to Buyer.~~

417 ~~incorporated into and made a part of this Contract. BUYER SHOULD NOT EXECUTE THIS CONTRACT UNTIL~~

421 ~~SALE, THIS CONTRACT IS VOIDABLE BY BUYER BY DELIVERING TO SELLER OR SELLER'S AGENT~~  
422 ~~WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN 3 DAYS AFTER RECEIPT OF~~  
423 ~~THE DISCLOSURE SUMMARY OR PRIOR TO CLOSING, WHICHEVER OCCURS FIRST. ANY~~  
424 ~~PURPORTED WAIVER OF THIS VOIDABILITY RIGHT HAS NO EFFECT. BUYER'S RIGHT TO VOID~~  
425 ~~THIS CONTRACT SHALL TERMINATE AT CLOSING.~~

426 40. FINAL AGREEMENT: This Contract represents the final agreement of the parties and no agreements or  
427 representations unless incorporated into this Contract shall be binding on the parties. Typewritten provisions shall  
428 supersede printed provisions and handwritten provisions shall supersede typewritten and/or printed provisions. Such

Developer shall provide the City Engineer a breakdown of the estimated cost of the materials to complete the City Entranceway Improvements in order for the City to verify the bond amount.

2.2 Developer shall conduct monthly inspections to identify any potential defects and general integrity of the City Entranceway Improvements (e.g. including, but not limited to breakage, chipping, cracking, settlement, change in surface texture, foreign materials on surface) that would create a safety hazard. Developer shall make best efforts to inspect and proactively repair any such defects to the City Entranceway Improvements to eliminate any potential hazards to the public safety at all times. Failure to conduct monthly inspections and maintain the City Entranceway Improvements to the satisfaction of the City Engineer shall be a default under this Declaration.

2.3 All repairs and replacements Developer makes as declared herein shall be at least of equal quality and class to the original work and shall be subject to the approval of the City Engineer and subject, if necessary, to any other development permit required by law, which approval shall not be unreasonably withheld, conditioned or delayed. When making such repairs and replacements or performing maintenance of the City Entranceway Improvements, Developer shall comply with all applicable laws, ordinances, codes, regulations and State and City

engineering standards then in effect. Landscaping and irrigation shall be maintained in accordance with § 47-21.8, City's Unified Land Development Regulations.

Section 3. Insurance. At all times during the term of this Declaration, the Developer, at its expense, shall keep or cause to be kept in effect the following, to the extent available:

This policy shall not be affected by any other insurance carried by City. The minimum limits of coverage may be reviewed by City no sooner than every five (5) years and adjusted based on what is generally required by City in other similar Declarations approved at or near the time of such review.

3.4 With the exception of Workers' Compensation and Fire, all insurance to be obtained by Developer pursuant to this Declaration shall name the Developer as insured and City as an additional insured as their respective interests may appear. All such policies of insurance shall also provide for the adjustment of claims under such policies by Developer.

3.5 Any and all net insurance proceeds received by or on account of Developer, as the case may be, shall be deposited by Developer in an interest bearing account for the benefit of Developer and City, and said funds shall be used for the purpose of reconstruction or repair, as the case may be, of any of the City Entranceway Improvements within PARCEL TWO so damaged or destroyed. Such reconstruction and repair work shall be done in strict conformity with all applicable building and zoning codes and regulations or standards promulgated by any governmental agency having jurisdiction over the City Entranceway Improvements on PARCEL TWO. Should the cost of reconstruction or repair exceed the amount of funds available from the proceeds of such insurance policy, then, and in such event, such funds shall be used as far as the same will permit in paying the cost of said reconstruction or repair, and any difference shall be

paid by Developer, other than for City utilities, infrastructure, facilities and other City improvements unless damaged by Developer, as provided in Section 2.2.

3.6 Developer shall deliver to City's Risk Manager and Director of Parks and Recreation duplicate copies of all insurance policies required by this Declaration and proof of full payment of the premiums therefor within thirty (30) days after the Effective Date hereof. From time to time, Developer shall procure and pay for renewals of insurance required herein before it expires. Developer shall deliver to City evidence of insurance coverage at least twenty (20) days before the existing policy expires. All of the policies of insurance provided for in this Declaration:

(i) shall be in the form and substance approved by the Insurance Department of the State of Florida ("DOI"),

(ii) shall only be issued by insurers authorized to conduct business in the State of Florida;

(iii) shall be with a carrier having an A.M. Best's Rating of not less than A-, Class VII,

(iv) shall provide (i) that they may not be canceled by the insurer for thirty (30) days after service of notice of the proposed cancellation upon City and shall not be invalidated as to the interest of City by any act, omission or neglect of Developer, and (ii) a waiver of subrogation as to Developer's claims against City.

All insurance policies shall be renewed by Developer and certificates evidencing such renewals, bearing endorsements or accompanied by other evidence of the receipt by the respective insurance companies of the premiums thereon, shall be delivered to City, at least twenty (20) days prior to their respective expiration dates.

3.7 If Developer fails to obtain and maintain insurance as provided in this Declaration and such failure shall continue for a period of thirty (30) days after written notice by City to the Developer, City may, but shall not be obligated to, effect and maintain any such insurance coverage and pay premiums therefore, with the ultimate cost and expense thereof to be the responsibility of Developer.

3.8 The obligation of collection upon the insurance policies furnished and provided for by Developer, or obtained by City by reason of the failure of Developer to obtain them, shall be upon Developer, but City will cooperate in such collection (but without expense to City) in such reasonable degree as may be requested by Developer.

Section 4. Indemnity. The Developer shall protect, defend, indemnify and hold harmless the City, its officers, employees and agents from and against any and all lawsuits, penalties, damages, settlements, judgments, decrees, reasonable and necessary costs, charges and other expenses, including reasonable attorneys' fees and liabilities of every kind, nature or degree resulting from or arising out of the maintenance, repair and reconstruction, as necessary or failure of the Developer to maintain, repair and reconstruct facilities within PARCEL TWO including City Entranceway Improvements pursuant to the terms of this Declaration except for

any occurrence arising out of or resulting from the intentional conduct or negligence of the City, its officers, agents and employees. Without limiting the foregoing, any and all such claims, suits, causes of action relating to personal injury, death, damage to property, defects in construction, rehabilitation or restoration of the City Entranceway Improvements pursuant to the terms of this Declaration, or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation or decree of any court, is included in the indemnity. The Developer further agrees to investigate, handle, respond to, provide defense for, and defend any such claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the City, Developer shall assume and defend not only itself but also the City in connection with any claims, suits or causes of action, and any such defense shall be at no cost or expense whatsoever to City, provided that City shall retain the right to select counsel of its own choosing, subject to the Developer's approval which shall not be unreasonably withheld, conditioned or delayed. This indemnification shall survive any termination of this Declaration and is not linked by insure requirements referenced herein.

Section 5. Defaults. In the event any one or more of the following events shall occur; such events shall be deemed a default:

5.1 Developer shall default in making payment to City of any cost or fees, as and when the same shall become due and payable, and such default in payment shall continue for a period of thirty (30) days after written notice to Developer by City; or

5.2 Developer fails to commence to repair, replace or maintain the City Entranceway Improvements in accordance with the terms of this Declaration and such failure continues for a period of thirty (30) days after written notice to Developer by City.

Section 6. Remedies of the City.

6.1 In the event the Developer fails to commence to maintain, make repairs, demolish or take such actions required by this Declaration and such default(s) shall continue for a period of thirty (30) days after written notice to Developer by City, it is declared that City has the option and right to take such action which was required to be taken by the Developer at Developer's sole cost and expense. Developer shall then be liable for payment to the City for all reasonable and necessary costs and expenses incurred by City in connection with the performance of the action or actions plus a surcharge of five percent (5%) for amounts up to One Thousand Dollars (\$1,000) and ten percent (10%) for amounts over One Thousand Dollars (\$1,000) and Developer shall reimburse City within sixty (60) days following written demand therefor. Interest shall accrue on the unpaid amount at the rate of twelve (12.0%) percent per annum simple interest, but in no event shall interest exceed the highest amount allowed by Florida law. The City's demand for such payment shall include reasonable documentation supporting the expenses incurred by City. If a dispute arises as to the need for, or amount due to the City for repairs or maintenance undertaken by the City in accordance with this Declaration, and such dispute is not resolved within forty-five (45) days after the date that the City makes the original written demand for payment, the Developer shall pay to City the undisputed amount (if any) and shall provide the City with a bond or other security reasonably acceptable to the City for the disputed amount pending a resolution of the dispute by negotiation or litigation. In addition to any other remedies

available to City, the City shall be entitled to recover from the Developer all costs of collection, including reasonable attorneys' fees and court costs incurred at all tribunal and appellate levels.

6.2 If Developer does not make the payments required by Section 6.1 above within the sixty (60) day period set forth therein, then the City shall have a right to record a Claim of Lien upon the Property, which Claim of Lien may be for all reasonable and necessary costs and expenses of any cure undertaken by the City in accordance with Section 6.1 above, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Claim of Lien shall be effective upon the recording of a Claim of Lien in the Public Records of Broward County, Florida, which Claim of Lien shall state all amounts due and owing to the City. The Claim of Lien may be foreclosed by City in the same manner as provided by law for foreclosure of mortgage liens. The Claim of Lien shall continue until payment to the City of the amounts set forth in the Claim of Lien (at which time the City shall record a satisfaction of such lien). In addition to the Claim of Lien, the City shall have all other rights and remedies granted to it at law or in equity for Developer's failure to reimburse the City pursuant to Section 6.1 above. Developer shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

6.3 In the event that the City has provided the notice described in subparagraph 6.1, but the Developer has failed to cure or to commence and diligently pursue cure of the default(s), and the City cures such default(s), makes such repairs or undertakes such protection or maintenance or take other actions described herein, and the Developer fails to make payment in accordance with Section 6.1 the Developer shall be in default under this Declaration. Such a default shall not arise where Developer has paid the undisputed amount and secured any disputed amount, or where the Developer pays the costs of cure as set forth in Section 6.1 above prior to a judicial determination of a default. Upon judicial determination of such a default the City shall be entitled to a judgment of specific performance of this Declaration and the City shall have the right to exercise the options provided herein.

7. Covenant Running With the Land. This Declaration of Covenants Respecting Maintenance shall be recorded in the Public Records of Broward County, Florida and shall run with the PROPERTY described in Exhibit "A" and the obligations of this Declaration shall be binding on all persons and entities acquiring title to the PROPERTY.
