Commissioner Ben Sorensen  
City of Fort Lauderdale  
1 East Broward Blvd, Suite 444  
Fort Lauderdale, FL 33311

Dear Commissioner Sorensen,

It is with great pleasure that I offer this letter in support of Agenda Item BUS-1 25-0820 **Proposed Anchoring Regulations** as this has been an issue that I have worked on since my time serving as the county commissioner for District 4. As the legislator representing this area, I had the opportunity to sponsor language that made the 2021 House Bill HB 1515 "Anchoring Limitation Areas" (passed as SB 1946) applicable to our areas in Broward County.

I am unable to attend your conference meeting on September 3<sup>rd</sup>. However, as the state representative representing Fort Lauderdale's coastline and waterways, I am proud to support this worthy endeavor. It must also be noted that this has been a great example of the neighborhood working hard with their elected officials at Broward County, as well as the process required to make this a reality.

I give you my full support and ask for your support of this important agenda item. If you have any further questions, please do not hesitate to contact me.

Sincerely,

A blue ink signature of Chip LaMarca, written in a cursive style.
