

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee Feldman, ICMA-CM, City Manager

DATE: June 3, 2014

TITLE: Motion to award purchase of dual concrete receptacles – Contract
#V1123316B1 - \$161,446

Recommendation

It is recommended that the City Commission award a purchase of 178 concrete dual waste and recycling containers utilizing Broward County Contract V1123316B1 from Wausau Tile, Inc. in the amount of \$161,446.

Background

The Parks and Recreation Department is requesting to purchase 132 concrete dual waste and recycling containers from Wausau Tile, Inc. to be placed in Fort Lauderdale Beach Park in the sand. This will reduce the footprint for current waste and recycling in this heavily trafficked picnic area and create a cohesive appearance with matching cans along the beachfront as well as a consistent recycling message at our beach. Current capacity will be maintained. The cans will replace the current 110 two-unit recycled plastic waste and recycling sets in Fort Lauderdale Beach Park. The current sand-side containers will be reused in our parks.

In addition, the Parking Services Division of the Department of Transportation and Mobility is requesting to purchase 46 concrete dual waste and recycling containers from Wausau Tile, Inc. to be placed in three (3) City parking garages and thirteen (13) City surface parking lots as well as at the Transportation and Mobility building. This will reduce the footprint for current waste and recycling in these extremely busy garages, parking lots and facilities. This will also create a consistent recycling message in our City parking facilities. Current capacity will be maintained.

Dual cans will be placed in the following locations:

QTY	LOCATION
14	City Park Garage
3	PACA
2	City Hall
1	Barnacle
1	DC Alexander
5	E Lot
4	Heron
1	Jasmine
1	Nautical
1	Oceanside
1	Pelican
1	River House
1	R Lot
1	Venice
1	Vista
1	27 th St
2	290 TAM Bldg

Broward County bid a custom designed can for replacement bus shelters in the City of Fort Lauderdale. This concrete dual waste and recycling container with recycled porcelain has been branded with a “Green Your Routine” logo; the leaf motif is recessed into the concrete; and educational graphics are designed on the lid. As a dual unit, waste capacity is maintained and recycling capacity is added in less space than two individual containers side-by-side.

Pursuant to Section 2-181(7) of the Code of Ordinances, this purchase will be made in accordance with Broward County Contract V1123316B1 from Wausau Tile, Inc. in the amount of \$161,446, whereby such contract or formal bid followed formal bid procedures of sealed written bids, public opening and legal advertising.

Resource Impact

There will be a fiscal impact to the City in the amount of \$161,446.
