**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#24-0456

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: October 1, 2024

TITLE: Resolution Approving the Execution and Acceptance of the Federal
Railroad Administration Grant for the Railroad Crossing Elimination
Program, in the Amount of \$280,000 – **(Commission Districts 2 and 4)**

Recommendation

Staff recommends the City Commission adopt a Resolution to accept the Railroad Crossing Elimination Program grant in the amount of \$280,000 from the Federal Railroad Administration (FRA) for funding of a Railroad Crossing Safety and Congestion Analysis Study and authorize the City Manager to execute the grant agreement, in substantially the form attached, on behalf of the City of Fort Lauderdale.

Background

In October 2022, the City of Fort Lauderdale submitted a proposal to the FRA to request grant funding through the Railroad Crossing Elimination Program (RCEP) for a study estimated to cost \$350,000. The grant application requested \$280,000 with a City match of \$70,000 (20% of the total project cost). There were 209 applicants of which 63 were selected for an award. On August 24, 2023, the City was notified that the application was accepted and awarded \$280,000.

The proposed agreement defines the scope of the project and the associated deliverables. City staff anticipate utilizing the grant funding to procure a sensor-based technology that will provide data associated with railway impacts at fifteen crossings along the existing Florida East Coast Railway corridor. The goal of the project is to provide the City with an in-depth analysis of vehicle interactions with the crossings and driver delays. This data will be used to determine methods, such as grade separation, to improve safety and reduce traffic congestion.

The proposed agreement provides an 18-month period for the City to complete the study, which includes any time associated with procurement processes to onboard a consultant. The grant funding is provided on a reimbursement basis and is limited to the grant agreement terms, scope, and specific deliverables.

The City Manager or the City Manager's designee is required to execute the grant through

the FRA portal, Grant Solutions. The user account request form is included as Exhibit 3. Staff will also be required to submit all reports and grant reimbursements through the Grant Solutions portal.

Resource Impact

This action will result in a positive fiscal impact to the City in the amount of \$280,000, which will be appropriated to the account below contingent upon the approval of the October 1, 2024, Consolidated Budget Amendment, CAM 24-0840.
