

**Public Works Proprietary Vendors
Fiscal Year 2025**

	Contractor	Description
1	ABB, Ltd.	ABB is the sole source provider and manufacturer of parts and services for the Programmable Logic Processors in service at both the Fiveash Water Treatment Plant and GTL Wastewater Treatment Plant. This system must be working in order to maintain the plants operating. In addition, ABB acquired General Electric Industrial Solutions (GEIS). After the acquisition, ABB is now the sole source provider on high and medium voltage parts and service for GE Original Equipment Manufacturer (OEM) . GE parts are used at the water and wastewater plants and pump and re-pump stations.
2	ABBA Pump Parts & Service	ABBA manufactures replacement pumps, parts & assemblies used in municipal water & wastewater treatment plants and pumping stations. Our high quality centrifugal pump parts are utilized for repairing and maintaining a variety of wastewater treatment pumps (or sewage treatment pumps) including: influent and effluent pumps, primary and secondary sludge pumps, RAS pumps, pumping stations and lift stations across North America.
3	Accutech Instrumentation, Inc. (Fluid Flow)	Accutech Instrumentation, Inc. owned by Fluid Flow is the sole source in the State of Florida for the Autrol and Tektrol, LLC, Additel Corporation, Asahi/America, Ashcroft, Inc., Cashco Product, Dwyer Instruments, Flowserve Worcester Controls, Custom Control Sensors, LLC, Onyx Valve Company, Parker Hannifin Instrument Group, Panametrics, LLC, Ametek Magnetrol and Drexelbrooks Products, Precision Group instrument brand products and services. They are the preferred instrument models for the differential pressure transmitters, actuators/valves, the loss of head meters on the filters, and flow transmitters used on the diesel high service pumps at the Fiveash Water Treatment Plant.
4	Afton Pumps	Afton Pumps, Inc. is the sole and exclusive manufacturer of the Model GSV 14 x 18 pump that is utilized at the Peele Dixie Water Treatment Plant.
5	Air Compressor Works, Inc.	Air Compressor Works, Inc. is Kaeser Compressors, Inc. authorized distributor and sole source provider of parts and service for Kaeser's Sigma product line used in the GTL Wastewater Treatment Plant. Air Compressor Works, Inc. is also the licensed stocking distributor and service center for Champion Air Compressor products.
6	AirSep Corporation	AirSep is the sole designer of the AirSep ASV43500 VPSA installed at the GTL Wastewater facility. AirSep controls and specifies all aspects of the design, which includes: PLC, Software & programming, equipment selection and process cycles as well as safe operating set points for alarms and shutdowns of the many process parameters that are monitored to protect the plant and equipment.
7	Alfa Laval Inc. Previously known as Ashbrook Simon-Hartley Operations, LP	Air Products and Chemicals, Inc. exclusively sells all CryoMachinery related offerings direct to customers located in the United States and are the OEM for the Klampress, Winklepress and Aquabelt products. The Coldplastix Fluid Control products is provided by MTS Environmental Inc. and Arroyo Process Equipment as sole source representatives in the State of Florida.
8	All Terrain Environmental	All Terrain Environmental exclusively sells the temp composite ground protection matting for safe and stable work platforms and staging areas for crews and equipment. This product is used by the Utilities Collections team.
9	American Pipeline Solutions - APS	American Pipeline Solutions (APS) is the sole source provider of the Ice Pigging technology service utilized on various types of pipelines in the U.S.
10	Aqua Metrology Systems Ltd	The THM-1 00FP™ analyser is manufactured by Aqua Metrology Systems Limited who is the sole distributor of the THM 100 system, and the provider of associated technical support. The THM-100FP™ is the longest established THM analyser in the market following its introduction in 2011 and is the market leader in the USA and Europe.

**Public Works Proprietary Vendors
Fiscal Year 2025**

11	Arle Compressors of Florida	Arle Compressors of Florida is the sole source provider for the Ingersoll-Rand compressor equipment, air systems, parts, and service used at the treatment plants. All of these systems are critical to the daily operation of the treatment plants and must be kept in optimal running condition in order to meet Federal, State, and local regulatory requirements. Arle Compressor System Corporation is the sole distributor of parts and service for the Ingersoll-Rand compressors and air systems (used at the Plants) in the Florida Market.
12	Arroyo Process Inc.	Arroyo Process Inc. is the exclusive and sole-source representative for all aftermarket Pulsafeeder pumps, parts, and accessories in the South Florida municipal market. Pulsafeeder pumps, parts, and service are used at the Water Treatment Plants, and at the GTL Wastewater Plant. In addition, Pulsafeeder is the provider of the polymer pump unit which consists of the polymer pump, gearbox, coupling, AC electric motor, and mounting base plate. Pulsafeeder pumps are also used to process biosolids at GTL Wastewater Plant.
13	AWC Inc.	ABB Inc. is the sole manufacturer of ABB brand replacement process measurement instruments, fluid flowmeters, motor controls, parts, and service and AWC, Inc. is ABB, Inc.'s authorized dealer in the Florida market. AWC is the sole source representative of Pulsar process measurement equipment. Public Works' staff operates numerous fluid flow monitoring devices (flowmeters) for inventory, compliance, and process control throughout the City. AWC-Inc. is the exclusive representative for Pulsar Products and Greyline Solutions and Measurement products including Ultrasonic Flow/Level Meters, transducers, instruments, systems and parts.
14	Barney's Pumps, Inc.	Barney's Pumps, Inc. is the sole source distributor of Hydromatic, Homa Pump Technology, and Aurora & Layne Verti-Line brands replacement pumps, parts, and service for sanitary sewer pump stations, stormwater pump stations, and sewage stations throughout City.
15	Camp Engineering Sales, Inc.	Camp Engineering Sales, Inc. is the exclusive manufacturer sales representative for MSA Safety Sales, LLC/General Monitors: Fixed Gas and Flame Detection products served in the state of Florida. These products are used by the Water Treatment Plants.
16	Cardinal Scale Manufacturing Company	Cardinal Scale Manufacturing Company is the manufacturer and the sole supplier of parts and service for the measuring scales utilized at the George T. Lohmeyer Regional Wastewater Treatment Plant (GTL).
17	Carter & VerPlanck, Inc. (Flowserve, Voglesang)	Carter & VerPlanck, Inc. (a DXP Company) is the exclusive sole source distributor for FlowServe pumps, parts, and service used throughout the City's water distribution system and wastewater treatment plant. They are also sole source distributor for Voglesang pumps and service used for biosolids processing at the wastewater plant.
18	Chalmers & Kubeck South	Valve and Actuation Services, LLC dba Chalmers & Kubeck South is the distributor of Flowserve Limatorque products, parts, and services in the State of Florida. These products, parts, and service are used in the George T. Lohmeyer Wastewater Treatment Plant.
19	Chemrite, Inc.	A corrosion inhibitor study was done by Hazen and Sawyer and a recommendation to use the chemical LOP 3600 Phosphate was made to be used in the Peele Dixie Water Treatment Plant. The study concludes that this is the best inhibitor to use during the water treatment process as it lessens the corrosivity from the finished water that is distributed.
20	CL2 Solutions, LLC	CL2 Solutions, LLC is the sole source of Halogen Systems Sensors, OleumTech products. They are the sole source of YSI IQ SensorNet process monitoring equipment for products, service and installation in the State of Florida. In addition, CL2 Solutions, LLC is the exclusive YSI, Inc., Xylem Analytics and MJK Sales and service representative in municipal wastewater, industrial wastewater and municipal drinking water markets for Florida & Georgia.
21	Conde Process Control (INNOMOTICS)	Conde Process Control is the exclusive manufacturer's representative for Innomatics LLC for medium voltage Variable Frequency Drives (VFD), Innomatics motors for VFDs, aftermarket services. Conde Process Control is the only distributor in Florida for the JUMO Process Control system of sensor controls. Conde Process Controls LLC is the sole source supplier for Hawk Measurement technology/software for the water and wastewater industry. Conde Process control is factory certified for the installation and programming of the Hawk system as well as the repair, testing, inspection, calibration and replacement of parts.
22	Core & Main LP	Core & Main is the exclusive distributor for Advanced Metering Infrastructure (AMI) and Meter Installation services for Master Meter, Inc. (who are the sole manufacturer of the Octave Product Family of ultrasonic flow meters). Core & Main is also the exclusive authorized distributor of Sensus products in the state of Florida. The Sensus compound meters are installed throughout the City for large users. Core & Main is the sole distributor for the Clow Valve Products in the state of Florida (excluding the Panhandle).

**Public Works Proprietary Vendors
Fiscal Year 2025**

23	CROM - CCR	CROM Coatings and Restorations ("CCR") is offering ground storage tank inspection and repair services as an approved representative of CROM, LLC. CCR is a division of CROM, LLC which was formed to carry out the specific tasks to inspect, repair and modify prestressed composite tanks as well as other concrete structures. CROM, LLC approves CCR as the sole company for any repairs and modifications performed on all of their prestressed composite tanks. CCR has unparalleled experience in the design, construction, modification and repair of prestressed composite tanks. No other service company provides this background.
24	CUES, Inc.	Cues, Inc. is the sole source manufacturer and provider of the Close Circuit TV (CCTV) video equipment, software, and service used to TV the City's water distribution and wastewater collections system.
25	Cummins, Inc.	Cummins Inc. is the parts and service provider for Cummins power systems such as diesel generators, transfer switches, and switchgear used throughout the City's Distribution & Collection Systems, and Water and Wastewater Plants.
26	Eaton Corporation	Eaton Corporation is the only company that is permitted to manufacture and sell electrical distribution equipment with Eaton, Cutler-Hammer or Westinghouse trademarks. Eaton Electrical Services & Systems is the only engineering group which is authorized by the manufacturer to work on Eaton, Cutler-Hammer and Westinghouse electrical distribution products. Eaton electrical parts and systems are installed in the George T. Lohmeyer Wastewater Treatment Plant.
27	Environmental Products Group, Inc.	Environmental Products Group, Inc. is the sole source provider of parts and service for the EnviroSight, LLC Rover, RoverX robotic and Supervision robotic camera systems and quick view zooming and manhole inspection system. This equipment is used to inspect the City's sewer and stormwater systems. They are also the sole provider for the WinCan pipeline assessment software and service for the State of Florida.
28	Environmental Resource Associates (ERA)	Environmental Resource Associates (ERA) FID number 36-2912479 is the sole commercial provider for environmental proficiency testing (PT) and quality control (QC) standards. To the best of our knowledge, ERA is the only commercial PT and QC provider that comprehensively provides all chemistry, microbiology, whole effluent toxicity and radiochemistry required for laboratory certification. ERA conducts both organic and inorganic WS and WP PT studies each month. ERA is accredited to ISO 17034 as a Reference Material provider for all NELAC chemistry, microbiology, whole effluent toxicity and radiochemistry analytes and is accredited to ISO 17025 as a Testing Laboratory for the analyses related to all NELAC chemistry, microbiology and radiochemistry analytes.
29	Evervac Equipment	Evervac Equipment is the sole source dealer for NozzTec Inc Equipment in the State of Florida. Products in the NozzTec Inc Equipment line include items such as: Jaws, Lumberjack, Super C-Ray, Manta, Guided, Chisel, Goblin, Goblin Grenade, BL Spinners accessories, Hand Nozzle Stainless Steel and includes all accessories and repair items.
30	Evoqua Water Technologies	Evoqua Water Technologies is the sole source of Deionized Water Tanks in the South Florida area. "Evoqua, Type 1, Ultra Mix Bed DI resin tanks are regenerated at the Evoqua facility located in Jacksonville, Florida. The Evoqua quality program for this facility is compliant with the requirements set forth in ISO 9001:2015.
31	F.J. Nugent & Associates, Inc.	F.J. Nugent & Associates, Inc. is the exclusive factory authorized representative for Grundfos pumps and equipment brand in service throughout the City's wastewater system. F.J. Nugent is Purafil ESD's sole and exclusive authorized representative for chemical filtration and environmental monitoring products and service used at the City's Wastewater Treatment Plant.
32	Florida Detroit Diesel Allison	Florida Detroit Diesel-Allison (FDD-A) is the sole Authorized Distributor for Allison Transmission, Detroit Diesel Engines and MTU Diesel Engines for the State of Florida. This capacity offers certain services and provisions that are not available through another service provider. One example of these services is maintenance, overhaul, diagnostic and software accredited training through the Tampa and/or Ft. Lauderdale Training Center. Another example would be the multiple full service locations and extensive inventory which enables us to respond rapidly to customers' needs
33	Florida Technical Products	Florida Technical Products, Inc. is the authorized Industrial Distributor for Royal Purple products in the state of Florida. Florida Technical Products, Inc. has extensive expertise in the industrial environment and the ability to provide your organization with solutions to your toughest problems. We are dedicated to providing quality products and the highest level of service and support to our customers.

**Public Works Proprietary Vendors
Fiscal Year 2025**

34	FLOTECH, INC.	Valve and Actuation Services, LLC dba Chalmers & Kubeck South and FLOTECH INC. are recognized by Flowserve-Lynchburg, Virginia USA as the only authorized Distributors for MRO/retrofit services of Limatorque products for the City of Fort Lauderdale. Flowserve Limatorque goes to market for such that all end-users are serviced through our distributors and not directly by the factory. These products, parts, and service are used in the George T. Lohmeyer Wastewater Treatment Plant.
35	Fluid Control Specialties, Inc.	Fluid Control Specialties, Inc. is the sole authorized representative for parts, components, and service of Cla-Val valves and controls, Rotork Controls, Inc. motor operated valves, Dezurik/APCO/Hilton valves, Rosemount Measurement, Rosemount Analytical, Emerson PM, Micro Motion Division, Willamette, Red Valve Company (Red Valve/Tideflex) products, Rodney Hunt Company, RKL products and Jash USA products, parts, and service in Florida used throughout the City's water distribution system and the Water and Wastewater Plants.
36	Gilson Engineering Sales of Florida, Inc.	Gilson Engineering Sales of Florida, Inc. is the exclusive distributor of Seametrics flowmeters and replacement parts and service brand in this municipal market. Seametrics flowmeters are installed on the City's wellfields and the two monitor wells in the Water Treatment Plant injection well site. Gilson Engineering Sales of Florida, Inc. is the exclusive distributor of Fluid Components International products, Insite Instrumentation analytical instruments, OmniSite, Sensideyne products, parts, and service, Entech Design, Jordan Valve, ECD, UFM, MSA Safety products, Precision Digital Corporation products, Siemens Process Instrumentation products, Moore Industries products used in our wastewater treatment plants.
37	GPE Controls, Inc.	GPE Controls, Inc. dba Shand & Jurs, an L&J Technologies Company is the sole manufacturer and source to provide, inspect and make repairs on Shand & Jurs equipment used at the George T. Lohmeyer Wastewater Treatment Plant.
38	Greencheck Fan Corporation	Stan Weaver & Company is the exclusive and sole source provider for Greencheck Fan Corporation HVAC materials. Greencheck Fan Corporation materials are used throughout the Wastewater Treatment Plant and Collections system.
39	Hach Company	Hach Company is the sole authorized manufacturer and direct distributor of the item(s) used in the City's Environmental, Water, and Wastewater Laboratories: Hach Brand, Products – Instruments and Chemistry: Brands to include, but not limited to: Evita, GLI, Hach, Homeland Security Technologies, OPS Systems, Orbisphere, Polymetron, Sigma, Anatel, Dr. Lange, Environmental Test Strips, HIAC, Hydrolab, IQ Scientific Instruments, Lachat Instruments, Leica Microsystems, Marsh-McBirney, Met Onem OTT, Hydrometry, Radiometer Analytical, Sea-Bird Electronics, WET Labs, Hach WIMS™, CLAROS Collect, Mobile Sensor Management. Applitek.
40	H. C. Warner Inc.	H. C. Warner Inc. is the sole distributor of HYDAC, parts and service equipment for the State of Florida. The City uses HYDAC sand straining equipment exclusively at the Peele Dixie Water Treatment Plant to remove sand and other particulate matter larger than 50 microns from the raw water supply entering the plant.
41	Henry Pratt Company	Flotech, Inc. is the sole representative for the Henry Pratt Company in the state of Florida. The products under the Henry Pratt brand included are: Henry Pratt Brand AWWA and industrial butterfly valves, Henry Pratt Brand plug valves, Henry Pratt Brand check valves, Milliken Brand plug and check valves, Henry Pratt Brand knife gate valves, and Singer Brand control valves. Various Henry Pratt Company valves are used at the GTL Wastewater Treatment Plant.
42	Huber Technology, Inc. (Huber SE, HydroPress Huber AB and Huber Picatech AG).	Huber Technology, Inc. is the sole source provider of replacement parts and service for the RAKEMAX screen, Screw Conveyor RO8t , and the ROTOMAT – Waschpresse WAP equipment used at the George T. Lohmeyer Wastewater Plant to process wastewater. Moss Kelley, Inc./MKI Services, Inc. represents Huber Technology Inc. in the State of Florida.
43	Hudson Pump & Equipment (Tencarva)	Tencarva Machinery Company d/b/a Hudson Pump & Equipment is the sole source distributor of pumps, parts and service for Allis Chalmers, ITT Industry Process products, Goyne Pump, Gould Morris, Gorman Rupp, SPXFLOW Lightin brands, Flygt AC Series, Lightin brand mixers, parts, and service, Crane Pump Systems, ProSmart and PumpSmart in this municipal market. They are the municipal authorized distributor for Xylem Inc./Goulds Water Technology brand and the Xylem/G&L Pumps A-C Series Brand. Allis Chalmers, Gould Morris, Gorman Rupp, Crane Pump Systems, Flygt AC Series, Lighting Brand equipment are in service throughout the City's water distribution system. Tencarva/Hudson Pump Co. is the authorized municipal distributor for Tsurumi Pump America Inc. for the municipal, sewage and wastewater markets for the State of Florida.

**Public Works Proprietary Vendors
Fiscal Year 2025**

44	Hydra Services, Inc.	Hydra Services, Inc. is the authorized distributor in the Florida territory for Sulzer Wastewater (formerly ABS) products, parts, and services used in the Treatment process. They have the expertise, knowledge, training and access to the latest product developments and upgrades, along with genuine OEM parts. Hydra Services, Inc. is trained in the latest methods in care and start-up of Sulzer equipment .
45	IDEXX Distribution, Inc. and IDEXX Laboratories, Inc.	The City of Fort Lauderdale is certified to analyze for dirking water bacteriological samples under Standard Methods 92223B. This method uses Colilert vessels and Colilert power packages IDEXX Distribution, Inc. (FEIN #35-2186625) is a wholly owned subsidiary of IDEXX Laboratories, Inc. and is the sole supplier of Colilert*, reagent Colilert reagent, Cloilert* Comparator, Colisure* reagent, IDEXX Vessel, Quanti-Tray*, Sealer PLUS, Quanti-Tray*, All Colilert* Starter Kits, All 20 -pack, 100 pack, and 200 pack Combo Packs IDEXX- QC kit, SimPlate* for HPC test kit.
46	InSource Solutions	InSource Solutions is the only authorized distributor in the area of industrial operator interface products from AVEVA and the only company authorized by AVEVA to sell and support their products. They are the only authorized distributor in the Fort Lauderdale area to purchase AVEVA software and support.
47	IPS - Integrated Power Services (formerly TAW)	IPS - Integrated Power Services (formerly Tampa Armature Works (TAW)) is the exclusive Kohler Power Systems distributor for sales, service, parts, and literature for the state of Florida. They are the authorized distributor for ABB Products including the full line of Baldor-Reliance, ABB IEC and ABB Nema (ex-Siemens LV Nema) motors including generators and parts for generators. IPS is the authorized dealer for Nidec Motor Corporation's Low and Medium Voltage Motor Product Lines (LV/MV). IPS is also the authorized sales channel and repair for the Siemens LV and MV product Line.
48	Jeffrey Allen - Club Car Commercial Utility Vehicles	Jeffrey Allen, Inc. is our only authorized Club Car Commercial Utility Vehicle Dealer for Broward County, Florida. They are authorized to provide sales, repair and maintenance services, as well as warranty services for Club Car commercial utility vehicles. Jeffrey Allen, Inc is in good standing with Club Car, LLC. and has complete access to purchase utility vehicles as well as accessories and aftermarket parts.
49	JWC Environmental	JWC Environmental is the inventor and owner of the Muffin Monster, Channel Monster, Auger Monster, Screenings Washer Monster, Honey Monster and Monster Screening Systems. They hold numerous patents and trademarks on these products. JWC Environmental is the sole manufacturer of these products and the exclusive source of service parts for this equipment.
50	Material Handling Systems Inc. (MHS)	Material Handling Systems Inc. is the sole provider for inspections for Material Handling Systems cranes and hoists. They have offered a full line of material handling equipment and services since 1975 and are used in the City's Wastewater Treatment Plant.
51	Moss Kelley, Inc./MKI Services, Inc.	Moss Kelley, Inc./MKI Services Inc. represents Huber Technology Inc. in the state of Florida and has the authority to distribute OEM parts and equipment for Huber SE, HydroPress, Huber AB and Huber Picatech AG. In addition, Moss Kelley, Inc./MKI Services Inc. is the manufacturer representative in the State of Florida for Fontaine-Aquanox products and parts. Moss Kelley/MKI Services is the sole authorized representative for the Enduro Composites FRP Baffle Walls, FRP Flat Covers and FRP Clarifier Products within the State of Florida. Moss Kelley/MKI Services Inc. is the exclusive local representative and supplier of JDV equipment parts and products. Moss Kelley, Inc./MKI Services Inc. is also the sole representative of CST Industries Aluminum Cover Products and Parts in the State of Florida. These vendors equipment and parts is used in the operation of the GTL Wastewater Treatment plant.
52	MTS Environmental Inc.	Alfa Laval, Inc. is the sole manufacturer of the Coplastix products. MTS Environmental, Inc. and Arroyo Process Equipment are Alfa Laval's sold contracted representatives for the State of Florida selling Coplastix fluid control products both new equipment and spare parts.
53	Mueller Company	Mueller Co. service brass water products are manufactured and tested in accordance with the latest revision of AWWA C800 and meet the requirements of NSF 61 – water quality. These products, including corporation stops, curb stop, meter valves and adapters, and service brass fittings have been carefully designed and constructed by Mueller engineering teams over the years. The designs and components, of the products referenced above with flare, 110 compression nuts and pack joint nuts are considered propriety and should only be purchased from Mueller or Mueller channel partners / distributors. Please note that drilling machine adapters and Mueller drilling machines used to install corporation stops are also considered propriety. Fortiline and Core & Main are authorized distributors of Mueller Company and authorized to sell in Fort Lauderdale the complete line of valves, hydrants, brass and related products as well as Hymax products, and the Butterfly, Check and Plug valves of their subsidiary Henry Pratt.

**Public Works Proprietary Vendors
Fiscal Year 2025**

54	MWI Corporation (previously FPI Pumps, Inc. (Farmers Manufacturing))	MWI Corporation purchased FPI Pumps in November 2019. MWI is the manufacturer and the exclusive sole source distributor of FPI/Farmers (MWI) pumps, parts, and service in this municipal market. Public Works maintains and operates two large storm stations in the heart of downtown Fort Lauderdale and both were originally engineered and built with FPI/Farmers(MWI) pumps. These assist with the flood control throughout the year and during King Tide events.
55	Nalco Company (an Ecolab Company)	Nalco Water (an Ecolab Company) is the sole source provider of The Nalco PermaTreat PC-1850T - membrane antiscalant is used at the Peele Dixie Water Treatment Plant - Antiscalant precisely monitors the presence and dose of the pre-treatment chemical in the membrane feed water.
56	Ovivo, USA, LLC	Ovivo USA, LLC is the exclusive manufacturer and distributor of eleven Eimco Water Technologies brand clarifying units, parts, and service at the wastewater and water treatment plant used to settle and manage solids in the GTL Wastewater Treatment Plant and for hydro-treaters used for the lime softening process at the Fiveash Water Plant. Ovivo USA, LLC is also the sole manufacturer and exclusive distributor of all Brackett Green, Brackett Bosker and Jones & Attwood brand equipment including parts, in the water and wastewater treatment process industry.
57	Pantropic Power Inc.	Pantropic Power, Inc. is the sole source and exclusive distributor for the Caterpillar brand in this municipal market. Public Works staff maintains and operates both stationary and portable Caterpillar emergency generators and parts and service. This equipment is used in hurricanes and other types of emergencies.
58	Power & Pumps Inc - Danfoss Drives	Danfoss Drives provides the variable frequency drives, soft starters, related accessories and services to municipal water/wastewater providers. Power & Pumps Inc is their sole source sales representative. All Prime Pumps has authorized Power & Pumps Inc as their exclusive distributor for the State of Florida for all products and/or services. CURFLO, Inc. has authorized Power & Pumps, Inc. as the distributor partner and service center performing sales and service support for all CURFLO, Inc. products. Power & Pump is the authorized supplier and service department for SEW Eurodrive products, ShinMaywa (America), Ltd. (for CNWX, CNX and CNXH submersible non-clog pumps), Kinney Vacuum Pumps and Vacuum Boosters & M-D Pneumatics Blowers as well as the Verderflex Pumps and parts for Verder, Inc.
59	PSI Technologies	PSI Technologies is the exclusive factory authorized vendor for WIL0 EMU (Eschtzel Meyer Unterwasserpumpen) pumps and mixers manufactured under the Wilo brand parts and service for Wilo USA LLC. Vogelsang products, parts, and field service in the State of Florida. They are the exclusive representative for Bermad Water Control Valves, Air Valves, and Mag Meters and Crispin Valves for the state of Florida. WIL0 EMU and Vogelsang equipment are in service throughout the City's Collections System. PSI Technologies is also the authorized distributor of the BBA Pumps, Inc., and all AV-Tec Inc. products.
60	R.P. Adams	R.P. Adams is the sole source supplier of R.P. Adams new equipment and authentic aftermarket parts. This includes all products manufactured by R.P. Adams, including Water strainers, G.P. Filters, Aftercoolers and Separators.
61	Rexel, Inc.	Rexel, Inc. is the exclusive factory authorized Rockwell Automation distributor for Allen Bradley electrical switchgear and components and Rockwell Software products for this municipal market. Allen Bradley brand equipment is used throughout the City's water distribution system, wastewater collection system, and treatment plants.
62	Ryan Herco Flow Solutions	Ryan Herco Flow Solutions is the SPX FLOW - Lightnin and Plenty Brands exclusive representative in the state of Florida Selling Lightnin, Nettco and Plenty Mixer products used at the GTL Wastewater Treatment Plant and the Collection System.
63	Southern Sewer (Vac-Con dealer)	Southern Sewer is the sole authorized Vac-Con dealer for municipal market sales, parts and service in the State of Florida for combination and jetting units (Excluding hydro-excavation equipment and the Florida Panhandle).
64	Sullivan Electric & Pump, Inc.	Sullivan Electric & Pump, Inc. is the sole distributor in Palm Beach, Broward, and Dade County for the Yaskawa Industrial & IQ services and Variable Frequency Drives (VFD) product line installed at the George T. Lohmeyer Wastewater Treatment Plant.

**Public Works Proprietary Vendors
Fiscal Year 2025**

65	Swaby LOBELINE	Swaby LOBELINE is the sole source manufacturer and provider of the LOBELINE pumps as well as our full product line. These products are only manufactured at our facility. No other vendor manufactures distribute these products. Swaby LOBELINE is exclusive Representative in the State of Florida for Swaby LOBELINE products in the municipal markets in Florida which includes pumps, parts, factory reconditioning and service.
66	Team Industrial Services	Team Industrial Services is the sole source manufacturer of InsertValve used in the City's Distribution System to install valves to isolate leaks and minimize impact to the customers. Team Industrial Services holds patents for their InsertValve. The patent numbers are 6,776,184 and 7225,827.
67	Texas Underground Inc. (DBA Underground, Inc.)	Texas Underground Inc. (DBA Underground, Inc.) is the sole manufacturer and creator of Pipehunter jetter equipment and its components. Jet Eye sewer inspection equipment and its components, and the Red Dawg line of sewer cleaning nozzles. Texas Underground, Inc. is the sole source for parts and repair services for these products.
68	Thompson Pump and Manufacturing Company, Inc.	Thompson Pump and Manufacturing Company, Inc. is the manufacturer and exclusive distributor of pumps, parts, components, and service for large portable generators used by Public Works.
69	Trinova Florida	TriNova Inc. is the sole source authorized representative for State of Florida municipal market excluding the panhandle. Trinova Inc is the sole exclusive representative for Endress + Hauser for the purchase of new products, OEM repair/replacement parts, repairs and maintenance. TriNova, Inc. is also the authorized representative for ProMinent Fluid Control, Inc. for the Florida municipal market. The equipment, parts, and services are used at the Fiveash Water Treatment Plant and Peele Dixie Water Treatment Plant and George T. Lohmeyer Wastewater Treatment Plant.
70	TSC-JACOBS, INC., Jacobs Air Water Systems, and JAWS/TSC-Jacobs, The Jacobs Group Inc.	The TSC-Jacobs, Jacobs Air Water Systems, JAWS/TSC-Jacobs, and The Jacobs Group Inc., is the exclusive agent for Ovivo regarding Eimco parts and service used during the water and wastewater treatment process at Fiveash Water Treatment Plant and George T. Lohmeyer Wastewater Treatment Plant. REXA Actuators are manufactured solely by REXA, Inc. and TSC-Jacobs is the authorized sales representative in the State of Florida for this product. Trillium Flow Technologies is the manufacturer of WEMCO proprietary pumping equipment and all Weir Specialty Pumps (WSP) parts and supplies.
71	Volition Controls Corp.	Volition Controls Corp. is the exclusive manufacturer's representative in the State of Florida for Badger Meter, ATI Analytical Technology Inc, & S::CAN products.
72	Vortex Lining Systems, LLC.	The City of Fort Lauderdale will be using GeoKrete polymer liner on stormwater pipes throughout the City. GeoKrete is used to line existing pipes and helps secure and extend the life of the pipe. GeoKrete is manufactured by Quadex, LLC, the sole source manufacturer, and is installed by its sister company, Vortex Lining Systems, LLC. Vortex is the only company that both supplies and installs GeoKrete.
73	Waco Filters Corporation	Waco Filters Corporation is the sole distributor in the State of Florida for the MGS Filter Products made by Vytal Filtration Technologies Inc. for the water market. MGS Filter Products are certified ISO 9001:2015 and is certified under both ANSI NSF 42 and NSF 61.
74	Wapro, Inc.	As part of the Stormwater Master Plan, the City is purchasing Wapro, Inc. tidal valves (WASTOP). Wapro, Inc. inline check valve's fabrication is more rigid, and the flap material is less susceptible to deformation by foreign materials. This is a less cumbersome installation process and requires less maintenance overall. Wapro, Inc. holds a proprietary patent on their check valves. The patented design provides a one-way flow in a conduit which delivers minimal flow resistance providing good results.
75	Water Treatment & Controls Technology, Inc	Water Treatment & Controls Technology, Inc (dba Water Treatment Controls) is the sole source in the State of Florida for parts and service for Evoqua Water Technologies, Wallace & Teieman chlorine equipment and lime systems used at the water treatment facilities.

**Public Works Proprietary Vendors
Fiscal Year 2025**

76	WinCan LLC	WinCan, LLC was formed to offer the best pipeline assessment software in the industry and to provide the best after purchase support and service available. As the sole provider of the WinCan software and service in North and South America, they provide superior sales and service to the city of Fort Lauderdale, FL. Environmental Products Group, Inc. is the State of Florida representative for WinCan products and service.
77	Xylem Dewatering Solutions, Inc. –	Xylem Dewatering Solutions, Inc. is the sole provider and sole manufacturer of the Godwin DriPrime line of pumps, Sub-Prime line of electric pumps and the Heidra line of hydraulic pumps used in emergency flood response, drinking water and wastewater bypasses, and construction dewatering. Xylem Dewatering Solutions, Inc. is the State of Florida representative for these products.
78	Xylem Water Solutions USA, Inc.	Xylem Water Solutions USA, Inc. is the sole provider and sole manufacturer of the Godwin Dri-Prime line of pumps, Sub-Prime line of electric pumps, and Heidra line of hydraulic pumps used in the City's Collection's system. Xylem Water Solutions USA, Inc. owns the Flygt Corporation and is the only authorized vendor and authorized service repair organization for Flygt Products and OEM parts. Xylem Water Solutions USA, Inc. is the sole source supplier of Leopold equipment (a Xylem brand).
