UDP-Z24006 - Rezoning Applicatio...  
PDF - 172 KB

March 25, 2025

Nicholas Kalargyros  
City of Ft. Lauderdale  
700 NW 19<sup>th</sup> Avenue  
Ft. Lauderdale, FL 33311

Dear Mr. Kalagyros:

Please note that we met with Ruben Nesbitt, President of the Dorsey Rivenbend HOA and approximately 35 residents on Monday January 20<sup>th</sup>. The meeting was held at the New Hope Missionary Baptist Church of Ft. Lauderdale located at 1321 NW 6<sup>th</sup> Street, Ft. Lauderdale, FL at approximately 6:00 pm.

The comments centered around the development features of the proposed buildings to be constructed, including the buildings’ height, the number of affordable units and the proposed price points. The residents and HOA members gave their support for our project, New Hope Rentals I & II as designed. Please see attached letter/email from the Dorsey Riverbend HOA dated February 11, 2025. Our design is based on a successful rezoning of the lot, **Folio Number: 504204110050** per our rezone application UPD-Z24006.

The HOA approval letter was submitted to Alfred Battle, Acting Director of the City of Ft. Lauderdale’s Building Department and to City of Ft. Lauderdale District Commissioner for District 3, Pamela Beasley-Pittman for their approval. Both officials provided their support for the project as designed.

The lot currently has split zoning and is therefore a non-conforming lot. Per ULDR 47-3.5, we are proposing to rezone the entire lot NWRAC-MUw.

**The changes anticipated by the proposed rezoning will not adversely impact the character of development in or near the area under consideration.:**

Removing the split zoning will enable the lot to be confirming and will be consistent with the zoning in area as a whole.

**The character of the area proposed is suitable for the uses permitted in the proposed zoning district and is compatible with surrounding districts and uses.:**

Rezoning the entire lot to NWRAC-MUw, is consistent with the existing zoning and permitted uses in the area.

Sincerely,

Vincent Prince

Subject: Community Support for the New Hope Project

Dear Sir/Madam:  
On behalf of the Historic Dorsey Riverbend (HDRB) Civic Association, I would like to extend our sincere appreciation for taking the time to meet with our residents and present the details of the upcoming New Hope project. Your thorough and insightful presentation provided great clarity, and we truly value the opportunity to engage in meaningful discussions about the positive impact this project will have on our community.  
The HDRB Civic Association is in full support of the New Hope project as it is currently designed. Our residents strongly believe this development will bring tremendous benefits to the neighborhood, fostering greater community engagement, enhancing economic growth along Sistrunk Boulevard, and contributing to the overall vibrancy of the area.  
Additionally, we recognize the increasing need for parking along Sistrunk Boulevard. The inclusion of designated parking within the New Hope Two Building is a significant and much-needed enhancement that will greatly support residents, businesses, and visitors alike.  
We appreciate your dedication to improving our community and look forward to seeing this project come to fruition. Please do not hesitate to reach out if there is any way we can continue to support this initiative.  
Sincerely,  
  
Ruben Nesbitt
