

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Greg Chavarria, City Manager

DATE: November 21, 2023

TITLE: Motion Authorizing a First Amendment to the Revocable License with the United States Government General Services Administration for Access to Build, Construct, and Operate Pump Station A-16 - **(Commission District 4)**

Recommendation

Staff recommends the City Commission pass a Motion authorizing a first amendment to the revocable license with the United States Government General Services Administration for access to build, construct, and operate Pump Station A-16.

Background

The Federal Courthouse, through the General Services Administration (GSA), is planning to relocate from its current building located at 299 East Broward Boulevard to an area near the intersection of SE 4th Avenue and SE 11th Street.

The City of Fort Lauderdale identified improvements to City infrastructure that would support the Federal Courthouse relocation effort. Specifically, the City is currently relocating and replacing the A-16 pump station and a 30-inch water main, both of which conflict with the courthouse site plan. The improvements are part of an existing capital improvement project.

On January 24, 2023, the City Commission passed a motion authorizing a revocable license agreement with the United States Government General Services Administration (GSA) for access to build, construct and operate Pump Station A-16. The Revocable License Agreement provides the City of Fort Lauderdale with the Right of Entry through a Temporary Construction License to construct new sewer infrastructure improvements and License to operate new sanitary sewer utility infrastructure and facilities. The Revocable License Agreement expires on November 30, 2023, the proposed first amendment will extend the term of the agreement for one additional year to expire on November 30, 2024.

Resource Impact

There is no fiscal impact associated with this action.

Strategic Connections

This item is a *2024 Commission Priority*, advancing the Infrastructure initiative.

This item supports the *Press Play Fort Lauderdale 2024 Strategic Plan*, specifically advancing:

- The Infrastructure Focus Area
- Goal 1: Build a sustainable and resilient community.
- Objective: Proactively maintain our water, wastewater, stormwater, road, and bridge infrastructure.
