Re: Change Order No. 1 for Project No. 11681

Job Description: Project No. 11681, A1A Streetlighting and Hardscape Solid

Contractor: Consulting Engineers, Inc.

Amount: Total amount of Change Order No. 1 - \$130,828.11, plus 365 days

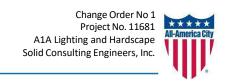

Funding: 10-331-9100-541-P11681 and 20-336-9100-541-60-6534-P11681

The purpose of this Change Order is:

To extend the completion date due to delays caused by work stoppages due to the Boat Show and the Wine Festival, several cleanups due to two sandstorms, and an agreement by the City Manager to delay the installation of bollards on the west side of A1A until September 2024, at the request of the A1A business owners. It is also to account for additional Work to refurbish the street light load centers, costs incurred by delays for various events and MOT/cleanup for several sandstorms.
