

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#13-0223

TO: Honorable Mayor & Members of the Fort Lauderdale City Commission

FROM: Lee Feldman, ICMA-CM, City Manager

DATE: February 19, 2013

TITLE: Motion approving a one-year contract for streetlight fixtures, Invitation to Bid (ITB) 532-11105 - \$101,012.91

Recommendation

It is recommended that the City Commission approve a one-year contract for streetlight fixtures to Torres Electrical Supply Company, Inc., in the estimated annual amount of \$101,012.91 and authorize the City Manager to approve the renewal options contingent upon approval and appropriation of funds.

Background

The Parks and Recreation Department uses these streetlight fixtures to replace worn out fixtures and fixture poles as a result of accidents. This contract also includes the bulbs for the lights, lighting shields and mast arms for the current high pressure sodium lighting. As the City works toward installing light emitting diode (LED) lighting throughout the streetlight system, a separate contract will be forthcoming to accommodate the purchases of LED lights and fixtures.

Invitation to Bid 532-11105 was opened on November 29, 2012 with five bids received. Low bidder, Torres Electrical Supply Company, Inc., has met all of the specifications of the bid and has been deemed the lowest cost, responsive and responsible bidder.

Resource Impact

There will be a fiscal impact to the City in the amount of \$101,012.91.
