

**SERVICE AGREEMENT FOR
WIRELESS BROADBAND PILOT PROJECT (REBID)**

THIS SERVICE AGREEMENT for Wireless Broadband Pilot Project (Rebid) ("Agreement"), made this 5th day of December, 2025, ("Effective Date") is by and between the City of Fort Lauderdale, a Florida municipality ("City"), with its principal address located at 101 NE 3rd Avenue, Suite 2100, Fort Lauderdale, Florida 33301, and Slice Wireless Solutions, Inc., a Tennessee corporation authorized to conduct business in the State of Florida ("Contractor"), with its principal address located at 236 West 26th Street, Room 605, New York, New York 10001; Email: john@slicewifi.com; Phone: (212) 868-6900, (individually, "Party" and collectively, "Parties").

NOW THEREFORE, for and in consideration of the mutual promises and covenants set forth herein and other good and valuable consideration, Contractor shall provide a wireless broadband pilot project and the City and the Contractor covenant and agree as follows:

WITNESSETH:

I. DOCUMENTS

The following documents are hereby incorporated into and made part of this Agreement (collectively "Contract Documents"):

- (1) Request for Proposals No. 500 - Wireless Broadband Pilot Project (Rebid), including any and all exhibits and addenda prepared by the City of Fort Lauderdale ("**RFP**" or "**Exhibit A**").
- (2) The Contractor's response to the RFP, dated August 5, 2025 ("**Exhibit B**"), except that any language contained in Exhibit B suggesting that any part of Exhibit B is confidential is deleted by this reference.

All Contract Documents may also be collectively referred to as the "Documents." In the event of any conflict between or among the Documents or any ambiguity or missing specifications or instruction, the following priority is established:

- A. First, this Agreement dated December 5th, 2025 and any attachments; then
- B. Second, Exhibit A; then
- C. Third, Exhibit B.

II. SCOPE

The Contractor shall provide a wireless broadband pilot project for the City, in accordance with the terms, conditions, and specifications outlined in the RFP (the "Work").

Unless otherwise specified herein, the Contractor shall perform all Work under the general direction of the City as set forth in the Contract Documents. The Parties agree that the Scope of Services is a description of Contractor's obligations and responsibilities, and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the Work described that exclusion would render performance by Contractor impractical, illogical, or unconscionable.

Contractor acknowledges and agrees that the City's Contract Administrator, or other another person designated by the City Manager, has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Agreement. Any change orders to the Scope of Services or amendments to the Contract Documents must be authorized by the City Manager, or her designee, and approved by the City Commission whenever required in compliance with the Charter and Code of Ordinances for the City of Fort Lauderdale.

By signing this Agreement, the Contractor represents that it has thoroughly reviewed the documents incorporated into this Agreement by reference and that it accepts the description of the Work and the conditions under which the Work is to be performed.

III. TERM OF AGREEMENT

The initial term of this Agreement shall commence upon final execution of the contract by the City and shall expire one (1) year from that date. The City reserves the right to extend this Agreement for four (4) additional one (1)-year terms, provided all terms, conditions and specifications contained herein remain the same, and the extension is mutually agreed to in writing and signed by both Parties. In the event the term of this Agreement extends beyond the end of any fiscal year of City, to wit, September 30th, the continuation of this Agreement beyond the end of the City's fiscal year shall be subject to and conditioned upon both the appropriation and the availability of funds.

IV. COMPENSATION

The Contractor agrees to provide the services and/or materials as specified in the Contract Documents at the cost specified in Exhibit B. It is acknowledged and agreed by Contractor that the amount listed in Exhibit B is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for Contractor's services related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort upon Contractor's obligation to perform all items of Work required by or which can be reasonably inferred from the Scope of Services. Except as otherwise provided in the solicitation, no amount shall be paid to Contractor to reimburse Contractor's expenses.

V. METHOD OF BILLING AND PAYMENT

Contractor must submit proper invoices for compensation that are in compliance with

judgments, claims, costs, charges, royalties, expenses, or liabilities, including any award of attorney fees and any award of costs, in connection with or arising directly or indirectly out of any infringement or allegation of infringement of any patent, copyright, or other intellectual property right in connection with the Contractor's or the City's use of any copyrighted, patented or un-patented invention, process, article, material, or device that is manufactured, provided, or used pursuant to this Agreement. If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the Work.

C. Termination for Cause

The City may terminate this Agreement for cause if the Contractor has not corrected the breach within ten (10) days after written notice from the City identifying the breach. The City Manager may also terminate this Agreement upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The Parties agree that if the City erroneously, improperly, or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the work to the City's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

D. Termination for Convenience

The City reserves the right, in its best interest as determined by the City, to cancel this Agreement for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed to the City's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that it has received good, valuable, and sufficient consideration from City, the receipt and adequacy of which are hereby acknowledged by Contractor, for City's right to terminate this Agreement for convenience.
