

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#23-0179

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Greg Chavarria, City Manager

DATE: March 8, 2023

TITLE: Motion Approving an Agreement for the Purchase of Liquid Chlorine in One
Ton Cylinders - Allied Universal Corp. - \$863,640 - (**Commission Districts
1, 2, 3 and 4**)

Recommendation

Staff recommends the City Commission approve an agreement, in substantially the form attached, for the purchase of Liquid Chlorine in one-ton cylinders from Allied Universal Corporation for an initial one (1) year term amount of \$863,640 and authorize the City Manager to approve three (3) one-year renewal options, in the estimated renewal annual amount of \$863,640, for a potential total contract amount of \$3,454,560, contingent upon appropriation of funds.

Background

During the water treatment process, chlorine is added to the finished water which provides a disinfectant residue that is sustained throughout the distribution system. The disinfectant residue must be maintained per Broward County Department of Health and Florida Department of Environmental Protection regulations. The chlorine is also used for maintenance activities throughout the water and wastewater plants, as well as the City's distribution system.

On December 13, 2022, the Procurement Services Division issued Invitation to Bid No. 15. Two bids were received. The bid provided by Allied Universal Corp. meets the bid requirements and deemed the low, responsive, and responsible bidder.

Neither of the two (2) vendors indicated their status as a Disadvantaged Business Enterprise.

Resource Impact

There will be a current fiscal impact to the City in the amount of \$491,795 for FY 2023. Future expenditures are contingent upon the approval and appropriation of the annual budgets.

Funds available as of February 9, 2023
