Subject: DEP Agreement CM309
Coastal Zone Management Program
Sailboat Bend Preserve Canal Head Restoration Plan

Dear Ms. Allen:

We are writing to request a 6-month extension for the above mentioned project grant. The Sailboat Bend project was submitted to the City's Development Review Committee for February review. We anticipate advertising for bids in April or May 2013. We anticipate award of the construction contract in June with actual construction beginning in July 2013 and being completed by December 2013.

The agreement, fully executed on January 3, 2013, is set to expire on June 28, 2013. With the above outlined schedule in mind, we are therefore requesting a 6-month extension of the grant deadline from June 28, 2013 to December 31, 2013. We will, of course, submit for reimbursement as soon as possible after project completion.

Sincerely,

Lee R. Feldman, ICMA-CM
City Manager
