

October 17, 2013

Honorable Mayor, Commissioner's and City Manager:

Last night the Flagler Village Civic Association had it's regular monthly meeting. The following resolution was passed:

The Flagler Village Civic Association recognizes a unique and positive relationship as partners in the CRA redevelopment efforts with our neighbors, and in the spirit of neighborly respect and acknowledgement of an important historic civic leader, we would request, that Flagler Village Civic Association would implement it's own street naming program within the neighborhood boundaries and as a first order of business that NE 6th Street be co-named with E. Sistrunk Blvd.

Thank you.

A handwritten signature in black ink, appearing to read 'David Shalkop', is written over a solid horizontal line. The signature is fluid and somewhat abstract.

Vice President
