Fort Lauderdale City Commission

TITLE: Motion Approving Agreement with the Sheriff for Use of the City's
Compost Site

Recommendation

It is recommended the City Commission approve an agreement with the Sheriff of Broward County for the use of the City's compost site, 4030 South State Road 7, Dania Beach for law enforcement training and authorize execution of agreement.

Background

The Fort Lauderdale Police Department (FLPD) utilizes the city-owned Compost Site for Emergency Vehicle Operations Courses (EVOC), Field Force Training, SWAT Vehicle Assault Training, Armored Vehicle Tactics, Traffic Stop Orientation and SWAT Driver Training. Last year, the Broward Sheriff's Office (BSO) made a request to utilize the Compost Site for SWAT and tactical driving (PIT) training which was approved by the City Commission (CAM #15-0337). This agreement will permit BSO to continue to train on the site for another 12-month period. All training conducted by BSO will be coordinated by the FLPD Training Unit in cooperation with the Public Works Department. In return, the FLPD will have continued access to BSO's training facilities, when available, to conduct FLPD training. The agreement has been reviewed and approved by the City Attorney's Office and Risk Management.
